GAYLORD ENTERTAINMENT COMPANY AND SUBSIDIARIES
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(UNAUDITED)

1. BASIS OF PRESENTATION:

The condensed consolidated financial statements include the accounts of Gaylord Entertainment Company and its subsidiaries (the "Company") and have been prepared by the Company, without audit, pursuant to the rules and regulations of the Securities and Exchange Commission (the "SEC"). Certain information and footnote disclosures normally included in annual financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted pursuant to such rules and regulations, although the Company believes that the disclosures are adequate to make the financial information presented not misleading. These condensed consolidated financial statements should be read in conjunction with the audited consolidated financial statements and the notes thereto included in the Company's Annual Report on Form 10-K as of and for the year ended December 31, 2009 filed with the SEC. In the opinion of management, all adjustments necessary for a fair statement of the results of operations for the interim periods have been included. All adjustments are of a normal, recurring nature. In addition, as further described below in Note 3, the Gaylord Opryland Resort and Convention Center ("Gaylord Opryland") is currently closed. The results of operations for such interim periods are not necessarily indicative of the results for the full year because of seasonal and short-term variations, as well as the impact of Gaylord Opryland, the Grand Ole Opry House and certain of the Company's Nashville-based attractions being closed for varying periods of time.

The Company analyzes its variable interests, including loans, guarantees, and equity investments, to determine if an entity in which it has a variable interest is a variable interest entity ("VIE"). This analysis primarily includes a qualitative review, which is based on a review of the design of the entity, its organizational structure, including decision-making ability, and relevant financial agreements. This analysis is also used to determine if the Company must consolidate the VIE as the primary beneficiary.

Certain amounts in previously issued financial statements have been reclassified to conform to the 2010 presentation. Intangible assets (net of accumulated amortization), indefinite lived intangible assets and investments in the amounts of \$0.1 million, \$1.5 million and \$0.1 million, respectively, at December 31, 2009 have been included in other long-term assets in the accompanying condensed consolidated balance sheet.

2. NEWLY ISSUED ACCOUNTING STANDARDS:

In June 2009, the Financial Accounting Standards Board ("FASB") modified FASB Accounting Standards Codification ("ASC") 810, "*Consolidation*" ("Topic 810"), to amend the guidance governing the determination of whether an enterprise is the primary beneficiary of a VIE. This modification requires a qualitative analysis, rather than a quantitative analysis, that considers who has the power to direct the activities of the entity that most significantly impact the entity's economic performance, as well as an assessment of who has the obligation to absorb losses or the right to receive benefits of the VIE that could potentially be significant to the VIE. This modification also requires ongoing assessments of whether an enterprise is the primary beneficiary of a VIE. Before this modification, reconsideration of whether an enterprise is the primary beneficiary of a VIE was required only when specific events occurred. The Company adopted the provisions of this statement in the first quarter of 2010, and the adoption of Topic 810 did not have a material impact on its consolidated financial position or results of operations. See Note 1 and Note 15 for additional disclosures.

In January 2010, the FASB issued Accounting Standards Update ("ASU") No. 2010-06, Topic 820, "*Fair Value Measurements and Disclosures*," to require more detailed disclosures regarding transfers in and out of Level 1 and Level 2 fair value measurements, including the amounts and reasons for the transfers. Level 3 fair value measurements should present separate information about purchases, sales, issuances and settlements. In

addition, this ASU requires that a reporting entity should provide fair value measurement disclosures for each class of assets and liabilities, defined as a subset of assets or liabilities within a line item in the statement of financial position, as well as disclosures about the valuation techniques and inputs used to measure fair value in either Level 2 or Level 3. The disclosure requirements related to the Level 3 fair value measurement activities will be effective for the Company beginning in the first quarter of 2011, and the Company does not expect this requirement to have a material impact on its consolidated financial statements. The Company adopted the remaining disclosure requirements of this ASU in the first quarter of 2010, and the adoption did not have a material impact on the Company's consolidated financial statements.

3. NASHVILLE FLOOD:

On May 3, 2010, Gaylord Opryland, the Grand Ole Opry, certain of the Company's Nashville-based attractions, and certain of the Company's corporate offices experienced significant flood damage as a result of the historic flooding of the Cumberland River (collectively, the "Nashville Flood"). Gaylord Opryland, the Grand Ole Opry, and certain of the Company's corporate offices were protected by levees accredited by the Federal Emergency Management Agency ("FEMA") (which, according to FEMA, was based on information provided by the Company), and built to sustain a 100-year flood; however, the river rose to levels that over-topped the levees. Gaylord Opryland is currently closed, and the Company anticipates it to reopen November 15, 2010. The Grand Ole Opry continued its schedule at alternative venues, including the Company-owned Ryman Auditorium, and the Grand Ole Opry House reopened September 28, 2010. Certain other of the Company's Nashville-based attractions were closed for a period of time, but reopened during June and July 2010. The Company has segregated all costs and insurance proceeds related to the Nashville Flood from normal operations and reported those amounts as casualty loss or reopening costs in the accompanying condensed consolidated statements of operations.

Casualty Loss

During the three months and nine months ended September 30, 2010, the Company recorded \$6.0 million and \$87.4 million, respectively, of expense and \$0.0 million and \$50.0 million, respectively, of insurance proceeds related to the Nashville Flood as casualty loss in the accompanying condensed consolidated statement of operations as follows (in thousands):

	Three Months Ended September 30, 2010				Total

	Hospitality	Opry and Attractions	Corporate and Other	Insurance Proceeds	Total
Site remediation	\$ 14,139	\$ 2,810	\$ 813	\$ —	\$ 17,762
Impairment of property and equipment	30,471	5,189	7,073	—	42,733

Net casualty loss	\$ 63,977	\$ 14,217	\$ 9,167	\$ (50,000)	\$ 37,361

All costs directly related to remediating the affected properties are included in casualty loss. Lost profits from the interruption of the various businesses are not reflected in the above tables.

Site remediation began as soon as flood waters ceased to rise. Site remediation, as described herein, includes expenditures for outside contractors to perform water extraction, debris removal, humidity control, facility cleaning and sanitizing, and the establishment of temporary utilities.

Based on an ongoing assessment of the flood damage and necessary replacement of property and equipment, in connection with its preparation of financial information for the second quarter of 2010, the Company made an estimate of the amount of the impairment charges incurred in connection with the Nashville Flood. As the Company continued its rebuilding efforts during the third quarter of 2010, it determined additional write-offs of property and equipment were necessary. The gross carrying amount of property and equipment written down as a result of damage sustained from the Nashville Flood, which included land improvements, buildings and furniture, fixtures and equipment, was \$156.2 million, and the related accumulated depreciation of this property and equipment was \$113.5 million, which resulted in total impairment charges of \$42.7 million. As the Company continues its rebuilding efforts, additional write-offs of property and equipment may be necessary.

Other asset write-offs primarily include inventory items that were no longer able to be used or sold due to flood damage. Non-capitalized repairs of buildings and equipment primarily include the cost of repairs of items that did not require complete replacement.

The Company has also incurred operating costs at the affected properties during the period that the properties are closed. The Company has included continuing operating costs other than depreciation and amortization incurred through June 10, 2010 (the date at which the Company determined that the remediation was substantially complete), as well as certain specific operating costs incurred subsequent to that date directly related to remediating the flooded properties, as casualty loss in the accompanying condensed consolidated statement of operations. The majority of these costs classified as casualty loss during the three months ended September 30, 2010 were employment costs. The majority of these costs classified as casualty loss during the nine months ended September 30, 2010 include employment costs (\$12.6 million), equipment and facility rental (\$2.4 million), property and other taxes (\$1.0 million), consulting fees (\$0.6 million), and insurance costs (\$0.3 million).

Insurance Proceeds

At May 3, 2010, the Company had in effect a policy of insurance with a per occurrence flood limit of \$50.0 million at the affected properties. During the nine months ended September 30, 2010, the Company received \$50.0 million in insurance proceeds and has recorded these insurance proceeds as an offset to the net casualty loss in the accompanying condensed consolidated statement of operations. Effective July 1, 2010, the Company

increased this per occurrence flood insurance to \$100.0 million, and effective August 19, 2010, the Company increased this per occurrence flood insurance to \$150.0 million.

Preopening Costs

The Company expenses the costs associated with start-up activities and organization costs associated with its development of hotels and significant attractions as incurred. As a result of the extensive damage to Gaylord Opryland and the Grand Ole Opry House and the extended period in which these properties were or will be closed, the Company has and will continue to incur costs associated with the redevelopment and reopening of these facilities through the date of reopening. The Company has included all costs directly related to redeveloping and reopening these affected properties, as well as all continuing operating costs not directly related to remediating the flooded properties other than depreciation and amortization incurred since June 10, 2010 (the date at which the Company determined that the remediation was substantially complete), as preopening costs in the accompanying condensed consolidated statement of operations. During the three months and nine months ended September 30, 2010, the Company incurred \$25.5 million and \$31.7 million in preopening costs, respectively. The majority of the costs classified as preopening costs during the three months ended September 30, 2010 include employment costs (\$14.5 million), facility costs (\$2.0 million), property and other taxes (\$1.5 million), supplies (\$1.5 million), equipment and facility rental (\$1.2 million), and insurance costs (\$0.8 million). The majority of the costs classified as preopening costs during the nine months ended September 30, 2010 include employment costs (\$18.0 million), facility costs (\$2.2 million), property and other taxes (\$2.0 million), supplies (\$2.0 million), equipment and facility rental (\$1.3 million), and insurance costs (\$0.9 million).

4. DISCONTINUED OPERATIONS:

The Company has reflected the following businesses as discontinued operations. The results of operations, net of taxes, and the carrying value of the assets and liabilities of these businesses have been reflected in the accompanying condensed consolidated financial statements as discontinued operations for all periods presented.

Corporate Magic

During the second quarter of 2010, in a continued effort to focus on its core Gaylord Hotels and Opry and Attractions businesses, the Company committed to a plan of disposal of its Corporate Magic business. On June 1, 2010, the Company completed the sale of Corporate Magic through the transfer of all of its equity interests in Corporate Magic, Inc. to the president of Corporate Magic who, prior to the transaction, was employed by the Company. In exchange for its equity interests in Corporate Magic, the Company received, prior to giving effect to a purchase price adjustment based on the working capital of Corporate Magic as of the closing, a note receivable, which terms provide for a quarterly payment from the purchaser, beginning in the second quarter of 2011 through the first quarter of 2017. The Company recorded this note receivable at its fair value of \$0.4 million, based on the expected cash receipts under the note, discounted at a discount rate that reflects management's assessment of a market participant's view of risks associated with the projected cash flows of Corporate Magic. The Company recognized a pretax gain of \$0.6 million related to the sale of Corporate Magic during the nine months ended September 30, 2010.

The following table reflects the results of operations of businesses accounted for as discontinued operations for the respective periods (in thousands):

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2010	2009	2010	2009

Income (loss) from discontinued operations	\$ 46	\$ (6,628)	\$ 3,325	\$ (7,072)

The benefit for income taxes for the nine months ended September 30, 2010 primarily relates to a permanent tax benefit recognized on the sale of the stock of Corporate Magic. The full benefit on the sale was recorded in the second quarter of 2010, rather than allocated over the year, as the Company believes it more accurately reflects its operations.

The assets and liabilities of the discontinued operations presented in the accompanying condensed consolidated balance sheets are comprised of (in thousands):

For the three months and nine months ended September 30, 2010, and for the three months ended September 30, 2009, the effect of dilutive stock-based compensation awards was the equivalent of approximately 629,000, 570,000 and 297,000 shares, respectively, of common stock outstanding. Because the Company had a loss from continuing operations in the three months and nine months ended September 30, 2010 and for the three months ended September 30, 2009, these incremental shares were excluded from the computation of dilutive earnings per share for those periods as the effect of their inclusion would have been anti-dilutive.

The Company had stock-based compensation awards outstanding with respect to approximately 1,990,000 and 3,230,000 shares of common stock as of September 30, 2010 and 2009, respectively, that could potentially dilute earnings per share in the future but were excluded from the computation of diluted earnings per share for the three months ended September 30, 2010 and 2009, respectively, as the effect of their inclusion would have been anti-dilutive.

The Company had stock-based compensation awards outstanding with respect to approximately 2,008,000 and 3,940,000 shares of common stock as of September 30, 2010 and 2009, respectively, that could potentially dilute earnings per share in the future but were excluded from the computation of diluted earnings per share for the nine months ended September 30, 2010 and 2009, respectively, as the effect of their inclusion would have been anti-dilutive.

As discussed in Note 9, during September 2009, the Company issued 3.75% Convertible Senior Notes (the "Convertible Notes") due 2014. It is the Company's intention to settle the face value of the Convertible Notes in cash upon conversion/maturity. Any conversion spread associated with the conversion/maturity of the Convertible Notes may be settled in cash or shares of the Company's common stock. The effect of potentially issuable shares under this conversion spread for the three months ended September 30, 2010 was the equivalent of approximately 294,000 shares of common stock outstanding. Because the Company had a loss from continuing operations in the three months ended September 30, 2010, these incremental shares were excluded from the computation of dilutive earnings per share for that period as the effect of their inclusion would have been anti-dilutive.

In connection with the issuance of these notes, the Company entered into warrant transactions with the note underwriters to sell common stock warrants. The initial strike price of these warrants is \$32.70 per share of the Company's common stock and the warrants cover an aggregate of approximately 13.2 million shares of the Company's common stock. If the average closing price of the Company's stock during the reporting period exceeds this strike price, these warrants will be dilutive. The warrants may only be settled in shares of the Company's common stock.

7. PROPERTY AND EQUIPMENT:

Property and equipment of continuing operations at September 30, 2010 and December 31, 2009 is recorded at cost and summarized as follows (in thousands):

	September 30, 2010	December 31, 2009
Land and land improvements	\$ 212,088	\$ 212,953
Buildings	2,159,663	2,195,367

Accumulated depreciation	(771,572)	(800,541)
Property and equipment, net	<u>\$ 2,152,502</u>	<u>\$ 2,149,782</u>

The decreases in buildings and furniture, fixtures and equipment, as well as the increase in construction in progress, at September 30, 2010, as compared to December 31, 2009, are primarily due to the write-off of property and equipment damaged in the Nashville Flood and the subsequent rebuilding efforts. As the Company

continues its rebuilding efforts, additional write-offs of property and equipment may be necessary. Depreciation expense of continuing operations, including amortization of assets under capital lease obligations, was \$23.2 million and \$27.5 million for the three months ended September 30, 2010 and 2009, respectively, and was \$72.3 million and \$80.9 million for the nine months ended September 30, 2010 and 2009, respectively.

8. NOTES RECEIVABLE:

In connection with the development of the Gaylord National Resort and Convention Center (“Gaylord National”), the Company is currently holding two issuances of bonds and receives the debt service thereon, which is payable from tax increments, hotel taxes and special hotel rental taxes generated from the development of the Gaylord National. The Company is recording the amortization of discount on these notes receivable as interest income over the life of the notes.

During the three months ended September 30, 2010 and 2009, the Company recorded interest income of \$3.2 million and \$3.4 million, respectively, on these bonds, which each included \$3.2 million of interest that accrued on the bonds and \$0.1 million and \$0.2 million, respectively, related to amortization of the discount on the bonds.

During the nine months ended September 30, 2010 and 2009, the Company recorded interest income of \$9.6 million and \$11.2 million, respectively, on these bonds, which each included \$9.4 million of interest that accrued on the bonds and \$0.2 million and \$1.8 million, respectively, related to amortization of the discount on the bonds. The Company received payments of \$16.3 million and \$17.1 million during the nine months ended September 30, 2010 and 2009, respectively, relating to these notes receivable.

9. DEBT:

The Company’s debt and capital lease obligations related to continuing operations at September 30, 2010 and December 31, 2009 consisted of (in thousands):

Giving effect to the waiver under the Company’s \$1.0 billion credit facility further described below, as of September 30, 2010, the Company was in compliance with all of its covenants related to its debt.

\$1.0 Billion Credit Facility

On July 25, 2008, the Company refinanced its previous \$1.0 billion credit facility by entering into a Second Amended and Restated Credit Agreement (the “\$1.0 Billion Credit Facility”) by and among the Company, certain subsidiaries of the Company party thereto, as guarantors, the lenders party thereto and Bank of America, N.A., as administrative agent. The \$1.0 Billion Credit Facility consists of the following components: (a) a

\$300.0 million senior secured revolving credit facility, which includes a \$50.0 million letter of credit sublimit and a \$30.0 million sublimit for swingline loans, and (b) a \$700.0 million senior secured term loan facility. The term loan facility was fully funded at closing. The \$1.0 Billion Credit Facility also includes an accordion feature that will allow the Company to increase the \$1.0 Billion Credit Facility by a total of up to \$400.0 million in no more than three occasions, subject to securing additional commitments from existing lenders or new lending institutions. The revolving loan, letters of credit, and term loan mature on July 25, 2012. At the Company's election, the revolving loans and the term loans will bear interest at an annual rate of LIBOR plus 2.50% or a base rate (the higher of the lead bank's prime rate and the federal funds rate) plus 0.50%. As further discussed in Note 10, the Company entered into interest rate swaps with respect to \$500.0 million aggregate principal amount of borrowings under the term loan portion to convert the variable rate on those borrowings to a fixed weighted average interest rate of 3.94% plus the applicable margin on these borrowings during the term of the swap agreements. Interest on the Company's borrowings is payable quarterly, in arrears, for base rate loans and at the end of each interest rate period for LIBOR rate-based loans. Principal is payable in full at maturity. The Company will be required to pay a commitment fee of 0.25% per year of the average unused portion of the \$1.0 Billion Credit Facility.

The \$1.0 Billion Credit Facility is (i) secured by a first mortgage and lien on the real property and related personal and intellectual property of the Company's Gaylord Opryland hotel, Gaylord Texan hotel, Gaylord Palms hotel and Gaylord National hotel, and pledges of equity interests in the entities that own such properties and (ii) guaranteed by each of the four wholly owned subsidiaries that own the four hotels. Advances are subject to a 55% borrowing base, based on the appraisal value of the hotel properties (reduced to 50% in the event a hotel property is sold).

Effective May 19, 2010, the Company, certain subsidiaries of the Company party thereto, the lenders party thereto and Bank of America, N.A., as administrative agent, entered into a Conditional Waiver (the "Waiver") which waived, subject to the terms and conditions of the Waiver, any default of the Company under Section 9.01(l) of the \$1.0 Billion Credit Facility as a result of the cessation of operations with respect to Gaylord Opryland due to recent flood damage. The Waiver will expire on December 31, 2010 unless (a) the Company has substantially completed the restoration and/or rebuilding of the Gaylord Opryland and reopened the Gaylord Opryland for business and (b) all proceeds used to restore or rebuild the Gaylord Opryland come from insurance proceeds, cash on hand and/or availability under the Company's revolving line of credit provided for in the \$1.0 Billion Credit Facility.

As of September 30, 2010, \$700.0 million of borrowings were outstanding under the \$1.0 Billion Credit Facility, and the lending banks had issued \$8.6 million of letters of credit under the facility for the Company, which left \$291.4 million of availability under the credit facility (subject to the satisfaction of debt incurrence tests under the indentures governing the Company's senior notes).

Convertible Senior Notes

During September 2009, the Company issued \$360 million, including the exercise of an overallotment option, of 3.75% Convertible Senior Notes (the "Convertible Notes"). The Convertible Notes have a maturity date of October 1, 2014, and interest is payable semiannually in cash in arrears on April 1 and October 1, beginning April 1, 2010. The Convertible Notes are convertible, under certain circumstances as described below, at the holder's option, into shares of the Company's common stock, at an initial conversion rate of 36.6972 shares of common stock per \$1,000 principal amount of the Convertible Notes, which is equivalent to an initial conversion price of approximately \$27.25 per share. The Company may elect, at its option, to deliver shares of its common stock, cash or a combination of cash and shares of its common stock in satisfaction of its obligations upon conversion of the Convertible Notes.

The Company accounts for the liability (debt) and the equity (conversion option) components of the Convertible Notes in a manner that reflects the Company's nonconvertible debt borrowing rate. Accordingly, the Company

recorded a debt discount and corresponding increase to additional paid-in capital of \$68.0 million as of the date of issuance. In addition, transaction costs of approximately \$10.0 million were proportionally allocated between the liability and equity components. The Company is amortizing the debt discount utilizing the effective interest method over the life of the Convertible Notes, which increases the effective interest rate of the Convertible Notes from its coupon rate of 3.75% to 8.46%. During the three months and nine months ended September 30, 2010, the Company incurred cash interest expense of \$3.4 million and \$10.1 million, respectively, relating to the interest coupon on the Convertible Notes and non-cash interest expense of \$2.9 million and \$8.6 million, respectively, related to the amortization of the debt discount on the Convertible Notes. During the three months and nine months ended September 30, 2009, the Company incurred cash interest expense of \$0.1 million relating to the interest coupon on the Convertible Notes and non-cash interest expense of \$0.1 million related to the amortization of the debt discount on the Convertible Notes.

The Convertible Notes are convertible under any of the following circumstances: (1) during any calendar quarter ending after September 30, 2009 (and only during such calendar quarter), if the closing price of the Company's common stock for at least 20 trading days during the 30 consecutive trading day period ending on the last trading day of the immediately preceding calendar quarter exceeds 120% of the applicable conversion price per share of common stock on the last trading day of such preceding calendar quarter; (2) during the ten business day period after any five consecutive trading day period in which the Trading Price (as defined in the Indenture) per \$1,000 principal amount of the Convertible Notes, as determined following a request by a Convertible Note holder, for each day in such five consecutive trading day period was less than 98% of the product of the last reported sale price of the Company's common stock and the applicable conversion rate, subject to certain procedures; (3) if specified corporate transactions or events occur; or (4) at any time on or after July 1, 2014, until the second scheduled trading day immediately preceding October 1, 2014. As of September 30, 2010, none of the conditions permitting conversion had been satisfied.

The Convertible Notes are guaranteed, jointly and severally, on an unsecured unsubordinated basis by generally all of the Company's active domestic subsidiaries. Each guarantee will rank equally in right of payment with such subsidiary guarantor's existing and future senior unsecured indebtedness and senior in right of payment to all future subordinated indebtedness, if any, of such subsidiary guarantor. The Convertible Notes will be effectively subordinated to any secured indebtedness and effectively subordinated to all indebtedness and other obligations of the Company's subsidiaries that do not guarantee the Convertible Notes.

Concurrently with the offering of the Convertible Notes, the Company entered into convertible note hedge transactions with respect to its common stock (the "Purchased Options") with counterparties affiliated with the initial purchasers of the Convertible Notes, for purposes of reducing the potential dilutive effect upon conversion of the Convertible Notes. The initial strike price of the Purchased Options is \$27.25 per share of the Company's common stock (the same as the initial conversion price of the Convertible Notes) and is subject to certain customary adjustments. The Purchased Options cover, subject to anti-dilution adjustments substantially similar to the Convertible Notes, approximately 13.2 million shares of common stock. The Company may settle the Purchased Options in shares, cash or a combination of cash and shares, at the Company's option. The cost of the Purchased Options was approximately \$76.7 million, which was recorded as a reduction to additional paid-in capital. The Purchased Options will expire on October 1, 2014.

Separately and concurrently with entering into the Purchased Options, the Company also entered into warrant transactions whereby it sold warrants to each of the hedge counterparties to acquire, subject to anti-dilution adjustments, up to approximately 13.2 million shares of common stock at an initial exercise price of \$32.70 per share. The warrants may only be settled in shares of the Company's common stock. The aggregate proceeds from the warrant transactions were approximately \$43.7 million, which was recorded as an increase to additional paid-in capital.

Repurchase of Senior Notes

During the nine months ended September 30, 2010, the Company repurchased \$28.5 million in aggregate principal amount of its outstanding 6.75% senior notes for \$27.0 million. After adjusting for the write-off of \$0.3 million in deferred financing costs and other costs, the Company recorded a pretax gain of \$1.3 million as a result of the repurchases, which is recorded as a net gain on extinguishment of debt in the accompanying condensed consolidated statement of operations for the nine months ended September 30, 2010.

During the nine months ended September 30, 2009, the Company repurchased \$88.6 million in aggregate principal amount of its outstanding senior notes (\$61.6 million of 8% senior notes and \$27.0 million of 6.75% senior notes) for \$62.5 million. After adjusting for the write-off of \$1.1 million in deferred financing costs and other costs, the Company recorded a pretax gain of \$24.7 million, respectively, as a result of the repurchases, which is recorded as a net gain on extinguishment of debt in the accompanying condensed consolidated statement of operations for the nine months ended September 30, 2009.

10. DERIVATIVE FINANCIAL INSTRUMENTS:

The Company is exposed to certain risks relating to its ongoing business operations. The primary risks managed by using derivative instruments are interest rate risk and commodity price risk. Interest rate swaps are entered into to manage interest rate risk associated with portions of the Company's fixed and variable rate borrowings. Natural gas price swaps are entered into to manage the price risk associated with forecasted purchases of natural gas and electricity used by the Company's hotels. The Company designates its interest rate swaps as cash flow hedges of variable rate borrowings and its natural gas price swaps as cash flow hedges of forecasted purchases of natural gas and electricity. The Company had designated certain interest rate swaps of its fixed rate borrowings as fair value hedges prior to the termination of these interest rate swaps in the second quarter of 2009. Prior to July 2009, a portion of the Company's natural gas price swap contracts were considered economic hedges and did not qualify for hedge accounting. All of the Company's derivatives are held for hedging purposes. The Company does not engage in speculative transactions, nor does it hold or issue financial instruments for trading purposes. All of the counterparties to the Company's derivative agreements are financial institutions with at least investment grade credit ratings.

Cash Flow Hedging Strategy

For derivative instruments that are designated and qualify as a cash flow hedge, the effective portion of the gain or loss on the derivative instrument is reported as a component of other comprehensive (loss) income ("OCI") and reclassified into earnings in the same line item associated with the forecasted transaction and in the same period or periods during which the hedged transaction affects earnings (e.g., in "interest expense" when the hedged transactions are interest cash flows associated with variable rate debt). The remaining gain or loss on the derivative instrument in excess of the cumulative change in the present value of future cash flows of the hedged item, or ineffectiveness, if any, is recognized in the statement of operations during the current period.

The interest rate swap agreement currently utilized by the Company effectively modifies the Company's exposure to interest rate risk by converting \$500.0 million, or 71%, of the Company's variable rate debt outstanding under the term loan portion of the Company's \$1.0 Billion Credit Facility to a weighted average fixed rate of 3.94% plus the applicable margin on these borrowings, thus reducing the impact of interest rate changes on future interest expense. This agreement involves the receipt of variable rate amounts in exchange for fixed rate interest payments through July 25, 2011, without an exchange of the underlying principal amount. The critical terms of the swap agreements match the critical terms of the borrowings under the term loan portion of the \$1.0 Billion Credit Facility. Therefore, the Company has designated these interest rate swap agreements as cash flow hedges. As the terms of these derivatives match the terms of the underlying hedged items, there should be no gain (loss) from ineffectiveness recognized in income on derivatives unless there is a termination of the derivative or the forecasted transaction is determined to be unlikely to occur.

The Company has entered into natural gas price swap contracts to manage the price risk associated with a portion of the Company's forecasted purchases of natural gas and electricity used by the Company's hotels. The objective of the hedge is to reduce the variability of cash flows associated with the forecasted purchases of these commodities. At September 30, 2010, the Company had 27 variable to fixed natural gas price swap contracts that mature from October 2010 to December 2011 with an aggregate notional amount of approximately 798,750 dekatherms. The Company has designated these natural gas price swap contracts as cash flow hedges. The Company assesses the correlation of the terms of these derivatives with the terms of the underlying hedged items on a quarterly basis.

The Company previously entered into six natural gas price swap contracts that were scheduled to mature from July 2010 to December 2010 to manage the price risk associated with a portion of the forecasted purchases of natural gas to be used at Gaylord Opryland. As a result of the Nashville Flood discussed above, the majority of these purchases were not going to be made. During June 2010, the Company terminated these contracts and received \$0.1 million in cash, which is recorded in other gains and losses in the accompanying condensed consolidated statement of operations for the nine months ended September 30, 2010.

Fair Value Hedging Strategy

For derivative instruments that are designated and qualify as fair value hedges, the gain or loss on the derivative instrument, as well as the offsetting loss or gain on the hedged item attributable to the hedged risk, is recognized in the same line item associated with the hedged item in current earnings (e.g., in "interest expense" when the hedged item is fixed-rate debt).

The Company previously entered into two interest rate swap agreements to manage interest rate risk exposure on its fixed rate debt. The interest rate swap agreements utilized by the Company effectively modified the Company's exposure to interest rate risk by converting \$125.0 million of the Company's fixed rate debt outstanding under its previously outstanding 8% senior notes to a variable rate equal to six-month LIBOR plus 2.95%, thus reducing the impact of interest rate changes on the fair value of the underlying fixed rate debt. These agreements involved the receipt of fixed rate amounts in exchange for variable rate interest payments through November 15, 2013, without an exchange of the underlying principal amount. The critical terms of the swap agreements mirrored the terms of the 8% senior notes. Therefore, the Company designated these interest rate swap agreements as fair value hedges. The counterparties, as permitted by the agreements, each opted to terminate its portion of the \$125.0 million swap agreement effective May 15, 2009. As stated in the agreement, the two counterparties each paid a \$2.5 million termination fee, plus accrued interest, to the Company on May 15, 2009. Prior to the redemption of the 8% senior notes in 2009, the Company amortized the resulting \$5.0 million gain on the swap agreements over the remaining term of the 8% senior notes using the effective interest method. As a result of the redemption of the 8% senior notes in 2009, the Company recognized the remaining unamortized gain on the swap agreement during the fourth quarter of 2009. During the nine months ended September 30, 2009, the Company recognized a loss on derivative of \$1.2 million and a gain on the related hedged fixed rate debt of \$1.2 million, both of which are recorded in interest expense, net of amounts capitalized, in the accompanying condensed consolidated statement of operations for the nine months ended September 30, 2009.

The fair value of the Company's derivative instruments based upon quotes, with appropriate adjustments for non-performance risk of the parties to the derivative contracts, at September 30, 2010 and December 31, 2009 is as follows (in thousands):

11. SUPPLEMENTAL CASH FLOW DISCLOSURES:

Net cash refunds of income tax payments for the nine months ended September 30, 2010 and 2009 were \$28.8 million and \$3.7 million, respectively (net of cash payments of income taxes of \$1.3 and \$1.6 million, respectively).

12. STOCK PLANS:

The Company's 2006 Omnibus Incentive Plan (the "Plan") permits the grant of stock options, restricted stock, and restricted stock units to its directors and employees for up to 2,690,000 shares of common stock. The Plan also provides that no more than 1,350,000 of those shares may be granted for awards other than options or stock appreciation rights. The Company records compensation expense equal to the fair value of each stock option award granted on a straight line basis over the option's vesting period unless the option award contains a market provision, in which case the Company records compensation expense equal to the fair value of each award on a straight line basis over the requisite service period for each separately vesting portion of the award. The fair value of each option award is estimated on the date of grant using the Black-Scholes-Merton option pricing formula. During the three months and nine months ended September 30, 2010, the Company granted 7,200 and 510,396 stock options, respectively, with a weighted-average grant-date fair value of \$13.29 and \$11.55, respectively. Including shares permitted under previous plans, at September 30, 2010 and December 31, 2009, there were 3,615,247 and 3,364,183 shares, respectively, of the Company's common stock reserved for future issuance pursuant to the exercise of outstanding stock options.

The Plan also provides for the award of restricted stock and restricted stock units ("Restricted Stock Awards"). The fair value of Restricted Stock Awards is determined based on the market price of the Company's stock at the date of grant. The Company records compensation expense equal to the fair value of each Restricted Stock Award granted over the vesting period. During the three months and nine months ended September 30, 2010, the Company granted 3,000 and 248,530 Restricted Stock Awards, respectively, with a weighted-average grant-date fair value of \$27.29 and \$21.25, respectively. At September 30, 2010 and December 31, 2009, Restricted Stock Awards of 460,705 and 318,768 shares, respectively, were outstanding.

Under its long term incentive plan for key executives ("LTIP") pursuant to the Plan, in February 2008, the Company granted selected executives and other key employees 449,500 restricted stock units ("LTIP Restricted Stock Units"), which initially vested to the extent performance criteria were satisfied at the end of their four-year term. On September 3, 2010, the Company and certain executives entered into amendments to certain of the LTIP Restricted Stock Unit award agreements. As amended, the LTIP Restricted Stock Units will vest as follows: 25% of the LTIP Restricted Stock Units vested on the date of amendment; some, all or none of the remaining 75% of the LTIP Restricted Stock Units will vest on February 4, 2012 based on the extent to which the performance criteria specified in the original award agreement are satisfied (consistent with the original terms of the award agreements); and 25% of the LTIP Restricted Stock Units will vest on December 31, 2012 provided that the recipient remains employed by the Company on such date (unless vested earlier on February 4, 2012 to the extent performance criteria are satisfied). The number of LTIP Restricted Stock Units

that ultimately vest will be determined based on the achievement of various company-wide performance goals. Based on current projections, the Company expects that portions of the performance goals will be achieved and, when coupled with the time-based portion of the awards, all of the LTIP Restricted Stock Units granted will vest. As a result of the amendments to the LTIP Restricted Stock Unit award agreements, the Company recorded additional compensation cost of \$2.5 million during the three months and nine months ended September 30, 2010. The Company is currently recording compensation expense equal to the fair value of all of the LTIP Restricted Stock Units granted on a straight-line basis over the vesting period. If there are changes in the expected achievement of the performance goals, the Company will adjust compensation expense accordingly. The fair value of the LTIP Restricted Stock Units was determined based on the market price of the Company's stock at the date of grant for the performance-based awards and based on the market price of the Company's stock at the date of the amendments for the time-based awards. At September 30, 2010 and December 31, 2009, LTIP Restricted Stock Units of 281,500 and 365,750 shares, respectively, were outstanding.

Under the LTIP, in February 2008, the Company also granted selected executives and other key employees 650,000 stock options ("LTIP Stock Options"), which vested two to four years from the date of grant and had a term of ten years. The LTIP Stock Options were granted with an exercise price of \$38.00, while the market price of the Company's common stock on the grant date was \$31.02. As a result of this market condition, prior to August 6, 2009, the Company recorded compensation expense equal to the fair value of each LTIP Stock Option granted on a straight-line basis over the requisite service period for each separately vesting portion of the award.

On August 6, 2009, the Company entered into Stock Option Cancellation Agreements with certain members of its management team, pursuant to which such individuals surrendered and cancelled 510,000 LTIP Stock Options with an exercise price of \$38.00 per share, as well as 472,200 stock options with exercise prices ranging from \$40.22 to \$56.14 per share, to purchase shares of the Company's common stock (the "Cancelled Stock Options"), in order to make additional shares available under the Company's 2006 Omnibus Incentive Plan for future equity grants to Company personnel. Pursuant to the terms of the Stock Option Cancellation Agreements, these individuals and the Company acknowledged and agreed that the surrender and cancellation of the Cancelled Stock Options was without any expectation to receive, and was without any obligation on the Company to pay or grant, any cash payment, equity awards or other consideration presently or in the future in regard to the cancellation of the Cancelled Stock Options. The Company determined that because the Cancelled Stock Options were cancelled without a concurrent grant of a replacement award, the cancellation should be accounted for as a settlement for no consideration. Therefore, the Company recorded the previously unrecognized compensation cost related to the Cancelled Stock Options of \$3.0 million during the three months and nine months ended September 30, 2009. At both September 30, 2010 and December 31, 2009, LTIP Stock Options of 76,666 shares were outstanding.

The compensation cost that has been charged against pre-tax income for all of the Company's stock-based compensation plans, including the additional compensation cost related to the amendments of the LTIP Restricted Stock Unit award agreements and the previously unrecognized compensation cost related to the Cancelled Stock Options described above, was \$4.4 million and \$4.6 million for the three months ended September 30, 2010 and 2009, respectively, and \$8.0 million and \$8.6 million for the nine months ended September 30, 2010 and 2009, respectively.

13. RETIREMENT AND POSTRETIREMENT BENEFITS OTHER THAN PENSION PLANS:

Net periodic pension expense reflected in the accompanying condensed consolidated statements of operations included the following components for the respective periods (in thousands):

14. INCOME TAXES:

The Company's effective tax rate as applied to pre-tax loss was 35% and 30% for the three months ended September 30, 2010 and 2009, respectively. The Company's increased effective tax rate during the 2010 period was due primarily to the effect of the change in the estimated annual effective rate as applied to prior quarters' income during the 2009 period.

The Company's effective tax rate as applied to pre-tax (loss) income was 32% and 61% for the nine months ended September 30, 2010 and 2009, respectively. Under the Patient Protection and Affordable Care Act, which became law on March 23, 2010, as amended by the Health Care and Education Reconciliation Act of 2010, which became law on March 30, 2010, the Company and other companies that receive a subsidy under Medicare Part D to provide retiree prescription drug coverage will no longer receive a Federal income tax deduction for the expenses incurred in connection with providing the subsidized coverage to the extent of the subsidy received. Because future anticipated retiree health care liabilities and related subsidies were already reflected in the Company's financial statements, this change required the Company to reduce the value of the related tax benefits recognized in its financial statements during the period the law was enacted. As a result, the Company recorded a one-time, non-cash tax charge of \$0.8 million during the nine months ended September 30, 2010 to reflect the impact of this change. This charge, as well as changes in the Company's valuation allowances in each period, resulted in the change to the effective tax rate noted above.

As of September 30, 2010, the Company had a current income tax receivable of \$36.5 million, which represented amounts receivable pursuant to the filing of the Company's 2009 federal income tax return, which included the casualty loss sustained for income tax purposes.

As of September 30, 2010 and December 31, 2009, the Company had \$16.0 million and \$16.1 million of unrecognized tax benefits, respectively, of which \$9.1 million and \$8.0 million, respectively, would affect the Company's effective tax rate if recognized. These liabilities are recorded in other long-term liabilities in the accompanying condensed consolidated balance sheets. It is expected that the unrecognized tax benefits will change in the next twelve months; however, the Company does not expect the change to have a significant impact on the results of operations or the financial position of the Company. As of September 30, 2010 and December 31, 2009, the Company had accrued \$1.6 million and \$1.1 million, respectively, of interest and \$0.1 million of penalties related to uncertain tax positions.

15. COMMITMENTS AND CONTINGENCIES:

As further discussed in Note 3, on May 3, 2010, Gaylord Opryland, the Grand Ole Opry, certain of the Company's Nashville-based attractions, and certain of the Company's corporate offices experienced significant damage as a result of the Nashville Flood. The Company plans to repair the damage to these facilities in order to reopen them at various dates during 2010. The Company has entered into several agreements with general contractors and other suppliers for the provision of certain remediation and construction services at the facilities damaged by the Nashville Flood. As of September 30, 2010, the Company had open commitments to pay \$79.5 million under those agreements. The Company currently estimates that the total cost of the project to remediate and rebuild the facilities damaged by the Nashville Flood will be approximately \$215-225 million, which includes the estimated costs for remediating and rebuilding the damaged facilities and capitalized interest, but excludes pre-opening costs. As of September 30, 2010, the Company has spent approximately \$99.5 million (including capitalized interest, but excluding preopening costs) on this project. The Company also has commitments for maintenance capital expenditures and other projects.

On September 3, 2008, the Company announced it had entered into a land purchase agreement with DMB Mesa Proving Grounds LLC, an affiliate of DMB Associates, Inc. ("DMB"), to create a resort and convention hotel at the Mesa Proving Grounds in Mesa, Arizona, which is located approximately 30 miles from downtown Phoenix. The DMB development is planned to host an urban environment that features a Gaylord resort property, a retail development, a golf course, office space, residential offerings and significant other mixed-use components. The Company's purchase agreement includes the purchase of 100 acres of real estate within the 3,200-acre Mesa Proving Grounds. The project is contingent on the finalization of entitlements and incentives, and final approval by the Company's board of directors. The Company made an initial deposit of a portion of the land purchase price upon execution of the agreement with DMB, and additional deposit amounts are due upon the occurrence of various development milestones, including required governmental approvals of the entitlements and incentives. These deposits are refundable to the Company upon a termination of the agreement with DMB during a specified due diligence period, except in the event of a breach of the agreement by the Company. The timing of this development is uncertain, and the Company has not made any financing plans or, except as described above, made any commitments in connection with the proposed development.

The Company is considering other potential hotel sites throughout the country. The timing and extent of any of these development projects is uncertain, and the Company has not made any commitments, received any government approvals or made any financing plans in connection with these development projects.

Through joint venture arrangements with two private real estate funds managed by DB Real Estate Opportunities Group, the Company holds minority ownership interests in two joint ventures which were formed to own and operate hotels in Hawaii. The Company owns a 19.9% ownership interest in RHAC Holdings, LLC, which it acquired in exchange for its initial capital contribution of \$4.7 million to RHAC Holdings, LLC in 2005. Through a wholly-owned subsidiary, RHAC, LLC, RHAC Holdings LLC owns the 716-room Aston Waikiki Beach Hotel and related assets located in Honolulu, Hawaii. The Company holds an 18.1% ownership interest in Waipouli Holdings, LLC, which it acquired in exchange for its initial capital contribution of \$3.8 million to Waipouli Holdings, LLC in 2006. Through a wholly-owned subsidiary, Waipouli Owner, LLC, Waipouli Holdings, LLC previously owned the 311-room ResortQuest Kauai Beach at Makaiwa Hotel and

related assets located in Kapaa, Hawaii (“the Kauai Hotel”). During October 2010, the mortgage lender directed the sale of the Kauai Hotel, which will not result in any proceeds to Waipouli Owner, LLC. As part of the joint venture arrangements, the Company entered into contribution agreements with the majority owners, which owners had guaranteed certain recourse liabilities under third-party loans to the joint ventures. The guarantees of the joint venture loans guaranteed each of the subsidiaries’ obligations under its third party loans for as long as those loans remain outstanding (i) in the event of certain types of fraud, breaches of environmental representations or warranties, or breaches of certain “special purpose entity” covenants by the subsidiaries, or (ii) in the event of bankruptcy or reorganization proceedings of the subsidiaries. The Company agreed that, in the event a majority owner is required to make any payments pursuant to the terms of these guarantees of joint venture loans, it will contribute to the majority owner an amount based on its proportional interest in the applicable joint venture. The Company estimates that the maximum potential amount for which the Company could be liable under the contribution agreements is \$23.8 million, which represents its pro rata share of the \$121.2 million of total debt that was subject to the guarantees prior to the sale of the Kauai Hotel. As of September 30, 2010, the Company had not recorded any liability in the condensed consolidated balance sheet associated with the contribution agreements. The Company has determined that Waipouli Holdings, LLC is a VIE, as the voting rights of the Company are not proportional to its right to receive the expected residual returns of the entity. The Company has determined that it is not the primary beneficiary of this VIE, as it does not have the power to direct the activities that most significantly impact the VIE’s economic performance.

On February 22, 2005, the Company concluded the settlement of litigation with Nashville Hockey Club Limited Partnership (“NHC”), which owned the Nashville Predators NHL hockey team, over (i) NHC’s obligation to redeem the Company’s ownership interest, and (ii) the Company’s obligations under the Nashville Arena Naming Rights Agreement dated November 24, 1999. Under the Naming Rights Agreement, which had a 20-year term through 2018, the Company was required to make annual payments to NHC, beginning at \$2,050,000 in 1999 and with a 5% escalation each year thereafter, and to purchase a minimum number of tickets to Predators games each year. At the closing of the settlement, NHC redeemed all of the Company’s outstanding limited partnership units in the Predators pursuant to a Purchase Agreement dated February 22, 2005, effectively terminating the Company’s ownership interest in the Predators. In addition, the Naming Rights Agreement was cancelled pursuant to the Acknowledgment of Termination of Naming Rights Agreement. As a part of the settlement, the Company made a one-time cash payment to NHC of \$4 million and issued to NHC a 5-year, \$5 million promissory note bearing interest at 6% per annum. The note is payable at \$1 million per year for 5 years and has an outstanding balance of \$1.0 million as of September 30, 2010. In addition, pursuant to a Consent Agreement among the Company, the National Hockey League and owners of NHC, the Company’s guaranty described below has been limited as described below.

In connection with the Company’s execution of an Agreement of Limited Partnership with NHC on June 25, 1997, the Company, its subsidiary CCK, Inc., Craig Leipold, Helen Johnson-Leipold (Mr. Leipold’s wife) and Samuel C. Johnson (Mr. Leipold’s father-in-law) entered into a guaranty agreement executed in favor of the National Hockey League (NHL). This agreement provides for a continuing guarantee of the following obligations for as long as either of these obligations remains outstanding: (i) all obligations under the expansion agreement between NHC and the NHL; and (ii) all operating expenses of NHC. The maximum potential amount which the Company and CCK, collectively, could be liable under the guaranty agreement is \$15.0 million, although the Company and CCK would have recourse against the other guarantors if required to make payments under the guarantee. In connection with the legal settlement with the Nashville Predators consummated on February 22, 2005, this guaranty has been limited so that the Company is not responsible for any debt, obligation or liability of NHC that arises from any act, omission or circumstance occurring after the date of the legal settlement. As of September 30, 2010, the Company had not recorded any liability in the condensed consolidated balance sheet associated with this guarantee.

The Company has purchased stop-loss coverage in order to limit its exposure to any significant levels of claims relating to workers’ compensation, employee medical benefits and general liability for which it is self-insured.

The Company has entered into employment agreements with certain officers, which provides for severance payments upon certain events, including certain terminations in connection with a change of control.

As of September 30, 2010, approximately 19% of the Company's employees were represented by labor unions and are working pursuant to the terms of the collective bargaining agreements which have been negotiated with the four unions representing these employees.

The Company, in the ordinary course of business, is involved in certain legal actions and claims on a variety of other matters. It is the opinion of management that such legal actions will not have a material effect on the results of operations, financial condition or liquidity of the Company.

16. FAIR VALUE MEASUREMENTS:

The Company uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

As of September 30, 2010, the Company held certain assets and liabilities that are required to be measured at fair value on a recurring basis. These included the Company's derivative instruments related to interest rates and natural gas prices and investments held in conjunction with the Company's non-qualified contributory deferred compensation plan.

The Company's interest rate and natural gas derivative instruments consist of over-the-counter swap contracts, which are not traded on a public exchange. See Note 10 for further information on the Company's derivative instruments and hedging activities. The Company determines the fair values of these swap contracts based on quotes, with appropriate adjustments for any significant impact of non-performance risk of the parties to the swap contracts. Therefore, the Company has categorized these swap contracts as Level 2. The Company has consistently applied these valuation techniques in all periods presented and believes it has obtained the most accurate information available for the types of derivative contracts it holds.

The investments held by the Company in connection with its deferred compensation plan consist of mutual funds traded in an active market. The Company determined the fair value of these mutual funds based on the net asset value per unit of the funds or the portfolio, which is based upon quoted market prices in an active market. Therefore, the Company has categorized these investments as Level 1. The Company has consistently applied these valuation techniques in all periods presented and believes it has obtained the most accurate information available for the types of investments it holds.

The Company's assets and liabilities measured at fair value on a recurring basis at September 30, 2010, were as follows (in thousands):

	September 30, 2010	Markets for Identical Assets (Level 1)	Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
Deferred compensation plan investments	\$ 11,895	\$ 11,895	\$ —	\$ —
Total assets measured at fair value	<u>\$ 11,895</u>	<u>\$ 11,895</u>	<u>\$ —</u>	<u>\$ —</u>
Variable to fixed natural gas swaps	\$ 460	\$ —	\$ 460	\$ —
Variable to fixed interest rate swaps	16,963	—	16,963	—
Total liabilities measured at fair value	<u>\$ 17,423</u>	<u>\$ —</u>	<u>\$ 17,423</u>	<u>\$ —</u>

The remainder of the assets and liabilities held by the Company at September 30, 2010 are not required to be measured at fair value. The carrying value of certain of these assets and liabilities do not approximate fair value, as described below.

As further discussed in Note 8, in connection with the development of Gaylord National, the Company received two notes receivable from Prince George's County, Maryland which had an aggregate carrying value of \$132.7 million as of September 30, 2010. The aggregate fair value of these notes receivable, based upon current market interest rates of notes receivable with comparable market ratings and current expectations about the timing of debt service payments under the notes, was approximately \$156 million as of September 30, 2010.

As more fully discussed in Note 9, the Company has \$700.0 million in borrowings outstanding under the \$1.0 Billion Credit Facility that accrue interest at a rate of LIBOR plus 2.50%. Because the margin of 2.50% is fixed, the carrying value of borrowings outstanding do not approximate fair value. The fair value of the \$700.0 million in borrowings outstanding under the \$1.0 Billion Credit Facility, based upon the present value of cash flows discounted at current market interest rates, was approximately \$670 million as of September 30, 2010.

As more fully discussed in Note 9, the Company has outstanding \$360.0 million in aggregate principal amount of Convertible Notes due 2014 that accrue interest at a fixed rate of 3.75%. The carrying value of these notes on September 30, 2010 was \$303.5 million, net of discount. The fair value of the Convertible Notes, based upon the present value of cash flows discounted at current market interest rates, was approximately \$331 million as of September 30, 2010.

As shown in Note 9, the Company has outstanding \$152.2 million in aggregate principal amount of senior notes due 2014 that accrue interest at a fixed rate of 6.75%. The fair value of these notes, based upon quoted market prices, was \$152.2 million as of September 30, 2010.

The carrying amount of short-term financial instruments (cash, short-term investments, trade receivables, accounts payable and accrued liabilities) approximates fair value due to the short maturity of those instruments. The concentration of credit risk on trade receivables is minimized by the large and diverse nature of the Company's customer base.

17. STOCKHOLDERS' EQUITY:

Shareholder Rights Plan

On August 12, 2008, the Company's Board of Directors adopted a shareholder rights plan, as set forth in the Rights Agreement dated as of August 12, 2008 (the "Original Rights Agreement"), by and between the Company and Computershare Trust Company, N.A., as rights agent ("Computershare"). Pursuant to the terms of the Original Rights Agreement, the Board of Directors declared a dividend of one preferred share purchase right (a "Right") for each outstanding share of common stock, par value \$.01 per share. The dividend was payable on August 25, 2008 to the shareholders of record as of the close of business on August 25, 2008. The Original Rights Agreement was amended on March 9, 2009.

The Rights initially trade with, and are inseparable from, the Company's common stock. The Rights are evidenced only by the balances indicated in the book-entry account system of the transfer agent for the Company's common stock or, in the case of certificated shares, the certificates that represent such shares of common stock. New Rights will accompany any new shares of common stock the Company issues after August 25, 2008 until the earlier of the Distribution Date, the redemption date or the final expiration date of the Original Rights Agreement, each as described below.

Each Right will allow its holder to purchase from the Company one one-hundredth of a share of Series A Junior Participating Preferred Stock ("Preferred Share") for \$95.00, once the Rights become exercisable. This portion of a Preferred Share will give the shareholder approximately the same dividend, voting, and liquidation rights as would one share of common stock. Prior to exercise, the Right does not give its holder any dividend, voting, or liquidation rights.

Based on the terms of the Original Rights Agreement, as amended, the Rights will not be exercisable until the earlier of the following (the "Distribution Date"):

- 10 days after the public announcement that a person or group has become an "Acquiring Person" by obtaining beneficial ownership of 22% or more of the Company's outstanding common stock; or
- 10 business days (or a later date determined by the Board before any person or group becomes an Acquiring Person) after a person or group begins a tender or exchange offer (other than a Qualified Offer as defined) which, if completed, would result in that person or group becoming an Acquiring Person.

After the Distribution Date, each Right will generally entitle the holder, except the Acquiring Person or any associate or affiliate thereof, to acquire, for the exercise price of \$95.00 per Right (subject to adjustment as provided in the Rights Agreement), shares of the Company's common stock (or, in certain circumstances, Preferred Shares) having a market value equal to twice the Right's then-current exercise price. In addition, if the Company is later acquired in a merger or similar transaction after the Distribution Date, each Right will generally entitle the holder, except the Acquiring Person or any associate or affiliate thereof, to acquire, for the exercise price of \$95.00 per Right (subject to adjustment as provided in the Rights Agreement), shares of the acquiring corporation having a market value equal to twice the Right's then-current exercise price.

Each one one-hundredth of a Preferred Share, if issued:

- will not be redeemable;
- will entitle holders to quarterly dividend payments of \$.01 per one one-hundredth of a share, or an amount equal to the dividend paid on one share of common stock, whichever is greater;
- will entitle holders upon liquidation either to receive \$1 per one one-hundredth of a share or an amount equal to the payment made on one share of common stock, whichever is greater;
- will have the same voting power as one share of common stock; and
- if shares of the Company's common stock are exchanged via merger, consolidation, or a similar transaction, will entitle holders to a per share payment equal to the payment made on one share of common stock.

The value of one one-hundredth of a Preferred Share will generally approximate the value of one share of common stock.

The Rights will expire on August 12, 2011, unless previously redeemed, or such later date as determined by the Board (so long as such determination is made prior to the earlier of the Distribution Date or August 12, 2011).

The Board may redeem the Rights for \$.001 per Right at any time prior to the Distribution Date. If the Board redeems any Rights, it must redeem all of the Rights. Once the Rights are redeemed, the only right of the holders of Rights will be to receive the redemption price of \$.001 per Right. The redemption price will be adjusted if the Company has a stock split or stock dividends of the Company's common stock.

After a person or group becomes an Acquiring Person, but before an Acquiring Person owns 50% or more of the Company's outstanding common stock, the Board may extinguish the Rights by exchanging one share of common stock or an equivalent security for each Right, other than Rights held by the Acquiring Person and its associates and affiliates.

Agreements with Stockholders

During the nine months ended September 30, 2009, the Company incurred various costs in connection with preparing for a proxy contest, reaching agreements with two of its larger stockholders, and reimbursing certain expenses pursuant to one of the agreements totaling \$1.0 million. In addition, the Company incurred costs of \$0.9 million in connection with the settlement of the Company's shareholder rights plan litigation. These costs are included in selling, general and administrative expense in the accompanying condensed consolidated statement of operations.

Treasury Stock

On December 18, 2008, following approval by the Human Resources Committee and the Board of Directors, the Company and the Company's Chairman of the Board of Directors and Chief Executive Officer ("Executive") entered into an amendment to Executive's employment agreement. The amendment provided Executive with the option of making an irrevocable election to invest his existing Supplemental Employee Retirement Plan ("SERP") benefit in Company common stock, which election Executive subsequently made. The investment was made by a rabbi trust in which, during January 2009, the independent trustee of the rabbi trust purchased shares of Company common stock in the open market in compliance with applicable law. Executive is only entitled to a distribution of the Company common stock held by the rabbi trust in satisfaction of his SERP benefit. As such, the Company believes that the ownership of shares of common stock by the rabbi trust and the distribution of those shares to Executive in satisfaction of his SERP benefit meets the requirements

necessary so that the Company will not recognize any increase or decrease in expense as a result of subsequent changes in the value of the Company common stock and the purchased shares are treated as treasury stock and the SERP benefit is included in additional paid-in capital in the Company's accompanying condensed consolidated financial statements.

18. EMPLOYEE SEVERANCE COSTS:

In the nine months ended September 30, 2010, as a result of the Nashville Flood, the Company temporarily eliminated approximately 1,700 employee positions at Gaylord Opryland. As a result, the Company recognized approximately \$2.3 million in severance costs in the nine months ended September 30, 2010. These costs are included in casualty loss in the accompanying condensed consolidated statement of operations. The Company has rehired the majority of these positions in preparation for the reopening of Gaylord Opryland.

In the nine months ended September 30, 2009, as part of the Company's cost containment initiative, the Company eliminated approximately 475 employee positions, which included positions in all segments of the organization. As a result, the Company recognized approximately \$7.3 million in severance costs in the nine months ended September 30, 2009. These costs are comprised of operating costs and selling, general and administrative costs of \$3.0 million and \$4.3 million, respectively, for the nine months ended September 30, 2009, in the accompanying condensed consolidated statements of operations.

19. FINANCIAL REPORTING BY BUSINESS SEGMENTS:

The Company's continuing operations are organized into three principal business segments:

- *Hospitality*, which includes the Gaylord Opryland Resort and Convention Center, the Gaylord Palms Resort and Convention Center, the Gaylord Texan Resort and Convention Center, the Gaylord National Resort and Convention Center and the Radisson Hotel at Opryland, as well as the Company's ownership interests in two joint ventures;
- *Opry and Attractions*, which includes the Grand Ole Opry, WSM-AM, and the Company's Nashville-based attractions; and
- *Corporate and Other*, which includes the Company's corporate expenses.

The following information from continuing operations is derived directly from the segments' internal financial reports used for corporate management purposes (amounts in thousands):

20. INFORMATION CONCERNING GUARANTOR AND NON-GUARANTOR SUBSIDIARIES:

Not all of the Company's subsidiaries have guaranteed the Company's Convertible Notes and 6.75% senior notes. The Company's Convertible Notes and 6.75% senior notes are guaranteed on a senior unsecured basis by generally all of the Company's active domestic subsidiaries (the "Guarantors"). The Company's investment in joint ventures and certain discontinued operations and inactive subsidiaries (the "Non-Guarantors") do not guarantee the Company's Convertible Notes and 6.75% senior notes.

The following condensed consolidating financial information includes certain allocations of revenues and expenses based on management's best estimates, which are not necessarily indicative of financial position, results of operations and cash flows that these entities would have achieved on a stand alone basis.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion and analysis should be read in conjunction with our condensed consolidated financial statements and related notes included elsewhere in this report and our audited consolidated financial statements and related notes for the year ended December 31, 2009, appearing in our Annual Report on Form 10-K that was filed with the Securities and Exchange Commission ("SEC") on February 26, 2010.

This quarterly report on Form 10-Q contains "forward-looking statements" intended to qualify for the safe harbor from liability established by the Private Securities Litigation Reform Act of 1995. You can identify these statements by the fact that they do not relate strictly to historical or current facts. These statements contain words such as "may," "will," "project," "might," "expect," "believe," "anticipate," "intend," "could," "would," "estimate," "continue" or "pursue," or the negative or other variations thereof or comparable terminology. In particular, they include statements relating to, among other things, future actions, new projects, strategies, future performance, the outcome of contingencies such as legal proceedings and future financial results. We have based these forward-looking statements on our current expectations and projections about future events.

We caution the reader that forward-looking statements involve risks and uncertainties that cannot be predicted or quantified and, consequently, actual results may differ materially from those expressed or implied by such forward-looking statements. Such risks and uncertainties include, but are not limited to, those factors described in our Annual Report on Form 10-K for the year ended December 31, 2009 and our Quarterly Reports on Form 10-Q for subsequent quarterly periods or described from time to time in our other reports filed with the SEC. These include the risks and uncertainties associated with the flood damage to Gaylord Opryland and our other Nashville-area Gaylord facilities, which include significant revenue losses and costs associated with the hotel closure and the rebuilding effort, which, in the aggregate, will exceed the coverage under the Company's insurance policies; risks inherent in the construction process, including significant financial commitments, the risk of fluctuations in the costs of materials and labor and diversion of management time and attention; effects of the hotel closure including the possible loss of experienced employees, the loss of customer goodwill, uncertainty of future hotel bookings and other negative factors yet to be determined, and risks associated with compliance with the Company's \$1.0 Billion Credit Facility; economic conditions affecting the hospitality business generally, rising labor and benefits costs, the timing of any new development projects, increased costs and other risks associated with building and developing new hotel facilities, the geographic concentration of our hotel properties, business levels at the Company's hotels, our ability to successfully operate our hotels and our ability to obtain financing for new developments. Any forward-looking statements are made pursuant to the Private Securities Litigation Reform Act of 1995 and, as such, speak only as of the date made. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

Overall Outlook

Our concentration in the hospitality industry, and in particular the large group meetings sector of the hospitality industry, exposes us to certain risks outside of our control. Recent recessionary conditions in the national economy have resulted in economic pressures on the hospitality industry generally, and on our Company's operations and expansion plans. In portions of 2008 and the first half of 2009, we experienced declines in hotel occupancy, weakness in future bookings by our core large group customers, lower spending levels by groups, increased cancellation levels, and increases in groups not fulfilling the minimum number of room nights originally contracted for, or rooms attrition. In recent quarters, we have begun to see stabilization in our industry and specifically in our business. We have seen increases in group travel, as well as growth in outside the room revenue, indicating that not only are our group customers beginning to travel again, they are spending more on food and beverage and entertainment when they reach our properties. Our attrition and cancellation levels have also decreased compared to 2009 levels. As a result of the higher levels of group business, we have experienced an increase in occupancy in recent quarters. In 2010, we have experienced improved bookings in future years, as

well as improvements in pricing for those bookings. While we continue to focus our sales and marketing efforts on booking rooms in 2010, in addition to later years, there can be no assurance that we can continue to achieve further improvements in occupancy and revenue levels. We cannot predict when or if hospitality demand and spending will return to historical levels, but we anticipate that our future financial results and growth will be harmed if the economic slowdown does not improve or becomes worse.

See Item 1A, "Risk Factors," in our Annual Report on Form 10-K for the year ended December 31, 2009, filed with the SEC on February 26, 2010, as well as Part II, Item 1A, "Risk Factors" below, for important information regarding forward-looking statements made in this report and risks and uncertainties we face.

Nashville Flood

As more fully described in Note 3 to the Condensed Consolidated Financial Statements for the three months and nine months ended September 30, 2010 included herewith, on May 3, 2010, the Gaylord Opryland Resort and Convention Center ("Gaylord Opryland"), the Grand Ole Opry, certain of our Nashville-based attractions, and certain of our corporate offices experienced significant flood damage as a result of the historic flooding of the Cumberland River (collectively, the "Nashville Flood"). Gaylord Opryland, the Grand Ole Opry, and certain of our corporate offices were protected by levees accredited by the Federal Emergency Management Agency ("FEMA") (which, according to FEMA, was based on information provided by us), and built to sustain a 100-year flood; however, the river rose to levels that over-topped the levees. We have segregated all costs and insurance proceeds related to the Nashville Flood from normal operations and reported those amounts as casualty loss or preopening costs in the accompanying condensed consolidated statements of operations. During the three months and nine months ended September 30, 2010, we recorded \$6.0 million and \$37.4 million, respectively, in casualty losses related to the flood, which includes \$6.0 million and \$87.4 million, respectively, in expenses, partially offset by \$0.0 million and \$50.0 million, respectively, in insurance proceeds. These amounts do not include lost profits from the interruption of the various businesses. During the three months and nine months ended September 30, 2010, we also recorded \$25.5 million and \$31.7 million, respectively, in preopening costs related to reopening the properties damaged by the flood.

We currently anticipate Gaylord Opryland to reopen November 15, 2010. While the Grand Ole Opry continued its schedule at alternative venues, including our Ryman Auditorium, the Grand Ole Opry House reopened September 28, 2010. Certain of our Nashville-based attractions were closed for a period of time, but reopened in June and July. Based on a full evaluation of all properties affected by the flood, our forecasted costs associated with the restoration process are as follows:

- Gross total remediation and budgeted rebuild costs will range from \$215-\$225 million, which includes approximately \$23-\$28 million in pre-flood planned enhancement projects at Gaylord Opryland.
- More specifically, the gross total remediation and budgeted rebuild costs include approximately \$165-\$172 million for Gaylord Opryland, \$16-\$17 million for the Grand Ole Opry, \$7-\$8 million for Nashville-based attractions, \$7-\$8 million for administrative buildings and \$20 million for contingencies.
- In addition to the project costs associated with the restoration of Gaylord Opryland, the Grand Ole Opry, our Nashville-based attractions and administrative buildings, it is estimated that the Company will incur approximately \$57-\$62 million in costs associated with maintaining these assets and re-launching them. These costs, which will be included in either casualty loss or preopening costs, include the initial eight-week carrying period for all labor at the hotel as well as the anticipated labor for security, engineering, horticulture, reservations, sales, accounting and management during the restoration. The labor associated with re-launching the assets and the restocking of operating supplies prior to re-opening are also included and will be included in preopening costs.

- Offsetting these costs are insurance proceeds of \$50 million and an estimated federal income tax refund of approximately \$36 million related to the casualty loss sustained for income tax purposes. As the hotel is located in a Federal Disaster Area, we can elect to deduct the casualty loss in the taxable year immediately preceding the taxable year in which the disaster occurred. Therefore, we are permitted to take the deduction on our 2009 federal tax return, which can be carried back to the 2007 tax year for a refund. Additionally, we continue to work with the state and local government on other potential tax relief.
- The estimated net cash impact of the flood, including all project costs, offsetting items, and contingencies, is approximately \$169-\$179 million. This excludes the cost of pre-flood planned enhancement projects.
- In addition, for the three months and nine months ended September 30, 2010, we incurred a non-cash write-off of \$1.2 million and \$42.7 million, respectively, associated with the impairment of certain assets as a result of sustained flood damage, as further described in Note 3 to our condensed consolidated financial statements for the three months and nine months ended September 30, 2010 included herewith.
- We believe that we have ample liquidity for the restoration and plan to fund the project through the use of a combination of cash on-hand, available borrowings and cash flow generated by our other hotel assets. As of September 30, 2010, we had \$135.9 million in unrestricted cash and \$291.4 million of borrowing availability under our credit facility.
- We currently anticipate Gaylord Opryland to reopen November 15, 2010, and we have begun accepting reservations from that point forward.

Other Recent Events

Repurchase of Senior Notes. During the nine months ended September 30, 2010, we repurchased \$28.5 million in aggregate principal amount of our outstanding 6.75% senior notes for \$27.0 million. After adjusting for deferred financing costs and other costs, we recorded a pretax gain of \$1.3 million as a result of the repurchases, which is recorded as a net gain on extinguishment of debt in the accompanying financial information. We used available cash to finance the purchases and intend to consider additional repurchases of our senior notes from time to time depending on market conditions.

Labor Union Activity. As of September 30, 2010, approximately 1,480 employees at Gaylord National were represented by labor unions, and are working pursuant to the terms of the collective bargaining agreements which have been negotiated with the four unions representing these employees. As a result, we are experiencing an increase in labor and benefit costs in 2010.

Development Update

We invested heavily in our operations during 2007 and 2008, primarily in connection with continued improvements of Gaylord Opryland, and the construction of Gaylord National beginning in 2005 and continuing through 2008. Our investments in 2009 consisted primarily of ongoing maintenance capital expenditures for our existing properties. Our investments in 2010 are also expected to consist primarily of ongoing maintenance capital expenditures for our existing properties and capital expenditures associated with the flood damage and reopening of Gaylord Opryland and the Grand Ole Opry House, as described above in "Nashville Flood".

As described above in Note 15 to our condensed consolidated financial statements for the three months and nine months ended September 30, 2010 and 2009 included herewith, we have entered into a land purchase agreement with respect to a potential hotel development in Mesa, Arizona.

We are also considering expansions at Gaylord Texan and Gaylord Palms, as well as other potential hotel sites throughout the country. In addition, we are reevaluating our prior considerations regarding a possible expansion at Gaylord Opryland. We have made no commitments to construct expansions of our current facilities or to build new facilities. We are closely monitoring the condition of the economy, the availability of attractive financing, and the restoration needs of Gaylord Opryland. We are unable to predict at this time when we might make such commitments or commence construction of these proposed expansion projects.

Our Current Operations

Our ongoing operations are organized into three principal business segments:

- Hospitality, consisting of our Gaylord Opryland, our Gaylord Palms Resort and Convention Center (“Gaylord Palms”), our Gaylord Texan Resort and Convention Center (“Gaylord Texan”), our Gaylord National Resort and Convention Center (“Gaylord National”) and our Radisson Hotel at Opryland (“Radisson Hotel”), as well as our ownership interest in two joint ventures.
- Opry and Attractions, consisting of our Grand Ole Opry assets, WSM-AM and our Nashville attractions.
- Corporate and Other, consisting of our corporate expenses.

For the three months and nine months ended September 30, 2010 and 2009, our total revenues were divided among these business segments as follows:

Segment	Three months ended September 30,		Nine months ended September 30,	
	2010	2009	2010	2009
Hospitality	93.0%	91.7%	94.1%	93.1%
Opry and Attractions	7.0%	8.3%	5.9%	6.9%
Corporate and Other	0.0%	0.0%	0.0%	0.0%

We generate a significant portion of our revenues from our Hospitality segment. We believe that we are the only hospitality company whose stated primary focus is on the large group meetings and conventions sector of the lodging market. Our strategy is to continue this focus by concentrating on our “All-in-One-Place” self-contained service offerings and by emphasizing customer rotation among our convention properties, while also offering additional entertainment opportunities to guests and target customers.

Key Performance Indicators

The operating results of our Hospitality segment are highly dependent on the volume of customers at our hotels and the quality of the customer mix at our hotels. These factors impact the price we can charge for our hotel rooms and other amenities, such as food and beverage and meeting space. Key performance indicators related to revenue are:

- hotel occupancy (volume indicator);
- average daily rate (“ADR”) (price indicator);

- Revenue per Available Room (“RevPAR”) (a summary measure of hotel results calculated by dividing room sales by room nights available to guests for the period);
- Total Revenue per Available Room (“Total RevPAR”) (a summary measure of hotel results calculated by dividing the sum of room, food and beverage and other ancillary service revenue by room nights available to guests for the period); and
- Net Definite Room Nights Booked (a volume indicator which represents the total number of definite bookings for future room nights at Gaylord hotels confirmed during the applicable period, net of cancellations).

We recognize Hospitality segment revenue from rooms as earned on the close of business each day and from concessions and food and beverage sales at the time of sale. Attrition fees, which are charged to groups when they do not fulfill the minimum number of room nights or minimum food and beverage spending requirements originally contracted for, as well as cancellation fees, are recognized as revenue in the period they are collected. Almost all of our Hospitality segment revenues are either cash-based or, for meeting and convention groups meeting our credit criteria, billed and collected on a short-term receivables basis. Our industry is capital intensive, and we rely on the ability of our hotels to generate operating cash flow to repay debt financing, fund maintenance capital expenditures and provide excess cash flow for future development.

The results of operations of our Hospitality segment are affected by the number and type of group meetings and conventions scheduled to attend our hotels in a given period. We attempt to offset any identified shortfalls in occupancy by creating special events at our hotels or offering incentives to groups in order to attract increased business during this period. A variety of factors can affect the results of any interim period, including the nature and quality of the group meetings and conventions attending our hotels during such period, which meetings and conventions have often been contracted for several years in advance, the level of attrition we experience, and the level of transient business at our hotels during such period.

Total Revenues

The decrease in our total revenues for the three months ended September 30, 2010, as compared to the same period in 2009, is attributable to a decrease in our Hospitality segment revenues of \$34.8 million for the 2010 period and a decrease in our Opry and Attractions segment revenue of \$5.5 million for the 2010 period, as discussed more fully below. The decrease in revenues in our Hospitality segment is attributable to a \$54.5 million decrease in revenues at Gaylord Opryland as a result of being closed due to the Nashville Flood, partially offset by a \$19.7 million increase at our other hotel properties. Total Hospitality revenues in the 2010 period include \$1.7 million in attrition and cancellation fee collections, a \$2.6 million decrease from the 2009 period.

The decrease in our total revenues for the nine months ended September 30, 2010, as compared to the same period in 2009, is attributable to a decrease in our Hospitality segment revenues of \$59.3 million for the 2010 period and a decrease in our Opry and Attractions segment revenue of \$10.3 million for the 2010 period, as discussed more fully below. The decrease in revenues in our Hospitality segment is attributable to an \$88.7 million decrease in revenues at Gaylord Opryland as a result of being closed due to the Nashville Flood, partially offset by a \$29.4 million increase at our other hotel properties. Total Hospitality revenues in the 2010 period include \$7.1 million in attrition and cancellation fee collections, a \$13.0 million decrease from the 2009 period.

Total Operating Expenses

The decrease in our total operating expenses for the three months ended September 30, 2010, as compared to the same period in 2009, is primarily due to a decrease during the 2010 period of \$40.2 million and \$2.8 million in operating expenses at Gaylord Opryland and our Opry and Attractions segment, respectively, primarily as a result of these properties being closed due to the Nashville Flood, as well as a \$4.3 million decrease in depreciation during the 2010 period, partially offset by the 2010 period including \$6.0 million in net casualty loss and \$25.5 million in preopening costs associated with the Nashville Flood, as well as a \$12.2 million increase in operating expenses at our hotels other than Gaylord Opryland associated with higher occupancy, as discussed more fully below.

The increase in our total operating expenses for the nine months ended September 30, 2010, as compared to the same period in 2009, is primarily due to the 2010 period including \$37.4 million in casualty loss and \$31.7 million in preopening costs associated with the Nashville Flood, as well as a \$20.7 million increase in operating expenses at our hotels other than Gaylord Opryland associated with higher occupancy, partially offset by \$70.6 million and \$7.7 million reductions in operating expenses at Gaylord Opryland and our Opry and Attractions segment, respectively, primarily as a result of these properties being closed due to the Nashville Flood, as discussed more fully below.

Operating (Loss) Income

The decrease in our operating income for the three months and nine months ended September 30, 2010, as compared to the same periods in 2009, was due primarily to the effect of the Nashville Flood during 2010, as more fully described below.

Net (Loss) Income

Our net loss of \$31.8 million for the three months ended September 30, 2010, as compared to a net loss of \$12.9 million for the same period in 2009, was due primarily to the decrease in our operating income described above, partially offset by the following factors:

- An increase in the benefit for income taxes of \$14.7 million during the 2010 period, described more fully below.
- A \$6.7 million increase in our income from discontinued operations for the 2010 period, as compared to the 2009 period, due primarily to the 2009 period including the impairment of goodwill associated with our Corporate Magic business, described more fully below.

Our net loss of \$56.4 million for the nine months ended September 30, 2010, as compared to net income of \$0.6 million for the same period in 2009, was due primarily to the decrease in our operating income described above, partially offset by the following factors:

- A benefit for income taxes of \$28.1 million during the 2010 period, as compared to a provision for income taxes of \$11.8 million during the 2009 period, described more fully below.
- A \$23.4 million decrease in the net gain on the extinguishment of debt for the 2010 period, as compared to the 2009 period, relating to the repurchase of a portion of our senior notes, described more fully below.
- A \$10.4 million increase in our income from discontinued operations for the 2010 period, as compared to the 2009 period, due primarily to the 2009 period including the impairment of goodwill associated with our Corporate Magic business, as well as the 2010 period including the gain on sale, and the related income tax benefit, of our Corporate Magic business, described more fully below.
- A \$5.4 million increase in our interest expense, net of amounts capitalized, for the nine months ended September 30, 2010, as compared to the same period in 2009, due primarily to interest incurred on our convertible senior notes, partially offset by decreased interest incurred on our 8% senior notes and 6.75% senior notes as a result of the repurchase of portions of those notes, as described more fully below.
- The receipt of \$3.6 million under a tax increment financing arrangement related to the Ryman Auditorium during the 2009 period that did not recur in the 2010 period, described more fully below.

Factors and Trends Contributing to Operating Performance

The most important factors and trends contributing to our operating performance during the periods described herein have been:

- The Nashville Flood during the 2010 periods, specifically, \$6.0 million and \$37.4 million, respectively, in net casualty loss and \$25.5 million and \$31.7 million, respectively, in preopening costs incurred in the three months and nine months ended September 30, 2010, as well as the negative impact of the affected properties being closed and the cash flow impact of remediation and rebuild costs.
- Increased occupancy levels at our hotels other than Gaylord Opryland (an increase of 8.5 percentage points of occupancy and 7.2 percentage points of occupancy for the three months and nine months ended September 30, 2010, respectively, as compared to the same periods in 2009) resulting from increased levels of group business during the periods, partially offset by lower ADR at our hotels other than Gaylord Opryland during the periods (a decrease of 1.6% and 5.5% for the three months and nine months ended September 30, 2010, respectively, as compared to the same periods in 2009), due primarily to continued pressure on room rates. These factors, when combined with increased outside-the-room spending, resulted in increased RevPAR and increased Total RevPAR at our hotels other than Gaylord Opryland for the three months and nine months ended September 30, 2010, as compared to the same periods in 2009.
- Decreased attrition and cancellation levels for the three months and nine months ended September 30, 2010, as compared to the same periods in 2009, which increased our revenue, operating income, RevPAR and Total RevPAR at our hotels other than Gaylord Opryland. Attrition at our hotels other than Gaylord Opryland for the three months and nine months ended September 30, 2010 was 12.0% and 11.9% of bookings, respectively, compared to 14.7% and 17.5%, respectively, for the 2009 periods. Cancellations at our hotels other than Gaylord Opryland for the three months and nine months ended September 30, 2010 decreased 46.8% and 35.8%, respectively, as compared to the 2009 periods. Attrition at Gaylord Opryland for the nine months ended September 30, 2010, for the period that the hotel was open, was 10.2% of bookings, compared to 11.7% for the 2009 period. In the nine months ended September 30, 2010 Gaylord Opryland experienced approximately 283,000 cancellations due to the closure of the property.

- (1) Hospitality results and performance metrics include the results of our Gaylord Hotels and our Radisson Hotel for all periods presented. Performance metrics include Gaylord Opryland through May 2, 2010, the date the hotel closed due to the Nashville Flood.
- (2) Hospitality operating income does not include the effect of casualty loss and preopening costs. See the discussion of casualty loss and preopening costs set forth below.
- (3) We calculate Hospitality RevPAR by dividing room sales by room nights available to guests for the period. Hospitality RevPAR is not comparable to similarly titled measures such as revenues. Gaylord Opryland room nights available are not included in room nights available to guests while Gaylord Opryland is closed.
- (4) We calculate Hospitality Total RevPAR by dividing the sum of room sales, food and beverage, and other ancillary services (which equals Hospitality segment revenue) by room nights available to guests for the period. Hospitality Total RevPAR is not comparable to similarly titled measures such as revenues. Gaylord Opryland room nights available are not included in room nights available to guests while Gaylord Opryland is closed.
- (5) Gaylord Opryland net definite room nights booked for the nine months ended September 30, 2010 includes approximately 283,000 cancellations due to the closure of the property.

The decrease in total Hospitality segment revenue in the three months and nine months ended September 30, 2010, as compared to the same periods in 2009, is primarily due to decreases of \$54.5 million and \$88.7 million, respectively, at Gaylord Opryland as a result of being closed due to the Nashville Flood, partially offset by increases of \$19.7 million and \$29.4 million, respectively, at our other hotel properties as a result of increased occupancy rates and increased outside-the-room spending resulting from higher levels of group business during the 2010 periods. Total Hospitality revenues were negatively impacted by declines of \$2.6

million and \$13.0 million in attrition and cancellation fee collections during the three months and nine months ended September 30, 2010, respectively.

The percentage of group versus transient business based on rooms sold for our hospitality segment for the periods presented was approximately as follows:

	Three months ended September 30,		Nine months ended September 30,	
	2010	2009	2010	2009
Group	82.7%	79.5%	82.3%	80.2%
Transient	17.3%	20.5%	17.7%	19.8%

The increase in group business during the 2010 periods is primarily the result of the macroeconomic factors discussed above, specifically, increases in group travel and decreases in groups cancelling or experiencing attrition during the 2010 periods as compared to the 2009 periods.

Total Hospitality segment operating expenses consist of direct operating costs, selling, general and administrative expenses, and depreciation and amortization expense. The decrease in Hospitality operating expenses in the three months and nine months ended September 30, 2010, as compared to the same periods in 2009, is primarily attributable to decreases of \$40.2 million and \$70.6 million, respectively, at Gaylord Opryland as a result of being closed due to the Nashville Flood, partially offset by an increase in operating expenses at Gaylord National, Gaylord Palms and Gaylord Texan, as described below.

Total Hospitality segment operating costs, which consist of direct costs associated with the daily operations of our hotels (primarily room, food and beverage and convention costs), decreased in the three months and nine months ended September 30, 2010, as compared to the same periods in 2009, primarily as a result of a decrease of \$32.5 million and \$56.8 million, respectively, at Gaylord Opryland as a result of being closed due to the Nashville flood, partially offset by an increase in operating costs at Gaylord National, Gaylord Texan and Gaylord Palms, as described below.

Total Hospitality segment selling, general and administrative expenses, consisting of administrative and overhead costs, decreased in the three months and nine months ended September 30, 2010, as compared to the same periods in 2009 primarily as a result of a decrease of \$7.7 million and \$13.9 million at Gaylord Opryland as a result of being closed due to the Nashville flood, as described below.

Total Hospitality segment depreciation and amortization expense decreased in the three months and nine months ended September 30, 2010, as compared to the same periods in 2009, primarily as a result of a decrease at Gaylord Palms due to the initial furniture, fixtures and equipment placed in service at the hotel's opening in 2002 becoming fully depreciated during the 2010 period, as well as a decrease at Gaylord Opryland as a result of the Nashville Flood.

Property-Level Results. The following presents the property-level financial results of our Hospitality segment for the three months and nine months ended September 30, 2010 and 2009.

(1) Gaylord Opryland results and performance do not include the effect of casualty loss and preopening costs and are through May 2, 2010, the date the hotel closed due to the Nashville Flood. See the discussion of casualty loss and preopening costs set forth below.

Total revenue decreased at Gaylord Opryland in the nine months ended September 30, 2010, as compared to the same period in 2009, as a result of the hotel closing on May 2, 2010 due to the Nashville Flood. During the nine months ended September 30, 2010, for the period that the hotel was open, occupancy, RevPAR and Total RevPAR increased due to a combination of increased corporate groups customers and increased outside-the-room spending, partially offset by lower ADR, primarily due to continued pressure on room rates, and lower collection of attrition and cancellation fees.

Operating costs at Gaylord Opryland in the nine months ended September 30, 2010, as compared to the same period in 2009, decreased due to the hotel closing on May 2, 2010 as a result of the Nashville Flood. In addition, the 2009 period included severance costs associated with the Company's cost containment initiative that did not recur in 2010. Selling, general and administrative expenses at Gaylord Opryland decreased in the nine months ended September 30, 2010, as compared to the same period in 2009, due to the hotel closing on May 2, 2010 as a result of the Nashville Flood, as well as overall expense reductions associated with the Company's cost containment initiative.

Gaylord Palms Results. The results of Gaylord Palms for the three months and nine months ended September 30, 2010 and 2009 are as follows (in thousands, except percentages and performance metrics):

	Three Months Ended September 30,			Nine Months Ended September 30,

Total RevPAR	\$ 265.00	\$ 234.75	12.9%	\$ 300.73	\$ 300.89	-0.1%

The increase in Gaylord Palms revenue, RevPAR and Total RevPAR in the three months ended September 30, 2010, as compared to the same period in 2009, was primarily due to increased occupancy and outside the room spend, largely driven by an increase in group business during the period, as well as the transfer of rooms from Gaylord Opryland as a result of the Nashville Flood partially offset by a lower ADR, primarily due to a recent increase in room supply in the Orlando, Florida market that has seen slow absorption due to the challenging economic environment, as well as the impact of the rooms transferred from Gaylord Opryland, which were honored at the price originally contracted for, which was less than the Orlando market rate. Gaylord Palms revenue and Total RevPAR were stable in the nine months ended September 30, 2010, while RevPAR decreased slightly as a result of lower ADR. Revenue and Total RevPAR were also negatively impacted by a decrease in collections of attrition and cancellation fees during the 2010 periods.

Operating costs at Gaylord Palms in the three months ended September 30, 2010 increased as compared to the same period in 2009, primarily due to higher variable costs associated with the increase in occupancy and revenue. Gaylord Palms operating costs remained stable in the nine months ended September 30, 2010 as compared to the same period in 2009. Selling, general and administrative expenses increased during the three months and nine months ended September 30, 2010, as compared to the same periods in 2009, primarily due to increased incentive compensation expense.

Gaylord Texan Results. The results of Gaylord Texan for the three months and nine months ended September 30, 2010 and 2009 are as follows (in thousands, except percentages and performance metrics):

	Three Months Ended September 30,			Nine Months Ended September 30,		
	2010	2009	% Change	2010	2009	% Change

Total RevPAR	\$ 317.34	\$ 284.38	11.6%	\$ 330.66	\$ 299.37	10.5%

The increase in Gaylord Texan revenue, RevPAR and Total RevPAR in the three months ended September 30, 2010, as compared to the same period in 2009, was primarily due to higher ADR and increased outside the room spend during the 2010 period. The increase in Gaylord Texan revenue, RevPAR and Total RevPAR in the nine months ended September 30, 2010, as compared to the same period in 2009, was primarily due to higher occupancy, partially offset by lower ADR during the 2010 period. The increase in occupancy also led to increases in banquet, catering and other outside-the-room spending at the hotel, which increased the hotel's Total RevPAR for the period. Revenue and Total RevPAR were negatively impacted by a decrease in collections of attrition and cancellation fees during the 2010 period.

Operating costs at Gaylord Texan in the three months and nine months ended September 30, 2010, as compared to the same periods in 2009, increased primarily due to increased variable operating costs associated with the higher revenue and outside-the-room spending at the hotel, partially offset by lower utility costs and lower property taxes during the 2010 periods. Selling, general and administrative expenses increased during the three months and nine months ended September 30, 2010, as compared to the same periods in 2009, primarily due to increased incentive compensation expense.

Gaylord National Results. The results of Gaylord National for the three months and nine months ended September 30, 2010 and 2009 are as follows (in thousands, except percentages and performance metrics):

	Three Months Ended September 30,			Nine Months Ended September 30,

Total RevPAR	\$ 365.29	\$ 305.05	19.7%	\$ 351.24	\$ 320.40	9.6%

Gaylord National revenue, RevPAR and Total RevPAR increased in the three months and the nine months ended September 30, 2010, as compared to the same periods in 2009, primarily as a result of higher occupancy and higher outside-the-room spending during the 2010 periods, primarily due to an increase in associations and corporate groups, as well as the transfer of rooms from Gaylord Opryland as a result of the Nashville Flood. Gaylord National ADR decreased during the 2010 periods, primarily due to continued pressure on room rates, as well as the impact of the rooms transferred from Gaylord Opryland, which were honored at the price originally contracted for, which was less than the Washington D.C. market rate. The 2010 decrease in ADR for the nine month period was also impacted by comparison to a higher ADR during 2009 due to the presidential inauguration. Revenue and Total RevPAR were negatively impacted by a decrease in collections of attrition and cancellation fees during the 2010 periods.

Operating costs at Gaylord National in the three months and nine months ended September 30, 2010, as compared to the same periods in 2009, increased primarily due to increased variable operating costs associated with the increase in occupancy, as well as higher employment costs as a result of new collective bargaining agreements. Selling, general and administrative expenses increased slightly during the three months and nine months ended September 30, 2010, as compared to the same periods in 2009, primarily due to an increase in incentive compensation expense.

(1) Opry and Attractions segment results do not include the effect of casualty loss and preopening costs. See the discussion of casualty loss and preopening costs set forth below.

The decrease in revenues in the Opry and Attractions segment for the three months and nine months ended September 30, 2010, as compared to the same periods in 2009, is primarily due to decreases in each of the businesses that were closed as a result of the Nashville Flood.

The decrease in Opry and Attractions operating costs and selling, general and administrative costs in the three months and nine months ended September 30, 2010, as compared to the same periods in 2009, was due primarily to the decrease in each of the businesses that are or have been closed as a result of the Nashville Flood.

Corporate and Other Segment

Total Segment Results. The following presents the financial results of our Corporate and Other segment for the three months and nine months ended September 30, 2010 and 2009 (in thousands, except percentages):

(1) Corporate and Other segment results do not include the effect of casualty loss. See the discussion of casualty loss set forth below.

Corporate and Other segment revenue consists of rental income and corporate sponsorships.

Corporate and Other operating costs, which consist primarily of costs associated with information technology, increased in the three months and nine months ended September 30, 2010, as compared to the 2009 periods, due primarily to higher employment costs.

Corporate and Other selling, general and administrative expenses, which consist of senior management salaries and benefits, legal, human resources, accounting, pension and other administrative costs, increased in the three months ended September 30, 2010, as compared to 2009 period, due primarily to higher incentive compensation costs, including a \$2.5 million non-cash charge related to amendments to certain executives' restricted stock unit agreements in the 2010 period, which was partially offset by the 2009 period including a \$3.0 million non-cash charge to recognize compensation expense related to the surrender of certain executives' stock options. Corporate and Other selling, general and administrative costs decreased in the nine months ended September 30, 2010, as compared to the 2009 period, primarily due to the 2009 period including the \$3.0 million non-cash stock option charge noted above, as well as \$3.5 million in severance costs associated with our cost containment initiative and \$1.9 million in expenses incurred associated with preparing for a proxy contest and settlement of the Company's shareholder rights plan litigation, which were not incurred in the 2010 period. These decreases were partially offset by an increase in incentive compensation expense, including the \$2.5 million non-cash restricted stock unit charge noted above, and consulting costs in the 2010 period.

Corporate and Other depreciation and amortization expense remained stable in the three months and six months ended September 30, 2010 as compared with the 2009 periods.

Operating Results — Casualty Loss

As a result of the Nashville Flood discussed above, during the three months and nine months ended September 30, 2010, we recorded \$6.0 million and \$87.4 million, respectively, of expense and \$0.0 million and \$50.0 million, respectively, of insurance proceeds related to the Nashville Flood as casualty loss as follows (in thousands):

Lost profits from the interruption of the various businesses are not reflected in the above table.

See Note 3 to our condensed consolidated financial statements for the three months and nine months ended September 30, 2010 for a further discussion of the components of these costs.

Insurance Proceeds

At May 3, 2010, we had in effect a policy of insurance with a per occurrence flood limit of \$50.0 million at the affected properties. During the nine months ended September 30, 2010, we received \$50.0 million in insurance proceeds and have recorded these insurance proceeds as an offset to the net casualty loss in the accompanying condensed consolidated statement of operations. Effective July 1, 2010, we increased this per occurrence flood insurance to \$100.0 million, and effective August 19, 2010, we increased this per occurrence flood insurance to \$150.0 million.

Operating Results — Preopening Costs

We expense the costs associated with start-up activities and organization costs as incurred. As a result of the extensive damage to Gaylord Opryland and the Grand Ole Opry House and the extended period in which these properties were or will be closed, we have and will continue to incur costs associated with the reopening of these facilities through the date of reopening. We have included all costs directly related to redeveloping and reopening the affected properties, as well as all continuing operating costs not directly related to remediating the flooded properties other than depreciation and amortization incurred since June 10, 2010 (the date at which we determined that the remediation was substantially complete), as preopening costs. During the three months and nine months ended September 30, 2010, we incurred \$25.5 million and \$31.7 million, respectively, in preopening costs. The majority of the costs classified as preopening costs during the three month period ended September 30, 2010 include employment costs (\$14.5 million), facility costs (\$2.0 million), property and other taxes (\$1.5 million), supplies (\$1.5 million), equipment and facility rental (\$1.2 million), and insurance costs (\$0.8 million). The majority of the costs classified as preopening costs during the nine month period ended September 30, 2010 include employment costs (\$18.0 million), facility costs (\$2.2 million), property and other taxes (\$2.0 million), supplies (\$2.0 million), equipment and facility rental (\$1.3 million), and insurance costs (\$0.9 million).

Non-Operating Results Affecting Net (Loss) Income

General

The following table summarizes the other factors which affected our net (loss) income for the three months and nine months ended September 30, 2010 and 2009 (in thousands, except percentages):

Interest Expense, Net of Amounts Capitalized

Interest expense, net of amounts capitalized, increased \$1.7 million to \$20.3 million (net of capitalized interest of \$0.5 million) during the three months ended September 30, 2010, as compared to the same period in 2009. Interest expense, net of amounts capitalized, increased \$5.4 million to \$60.9 million (net of capitalized interest of \$0.8 million) during the nine months ended September 30, 2010, as compared to the same period in 2009. The increase in both periods is due primarily to an increase in interest expense associated with our 3.75% Convertible Senior Notes (the "Convertible Notes") issued in the third quarter of 2009, partially offset by a decrease in interest expense associated with our remaining outstanding senior notes as a result of the repurchase of a portion of these notes during 2009 and 2010.

Our weighted average interest rate on our borrowings, excluding the write-off of deferred financing costs during the period, was 6.8% and 6.3% for the three months and 6.8% and 6.1% for the nine months ended September 30, 2010 and 2009, respectively.

Interest Income

The decrease in interest income during the three months and nine months ended September 30, 2010, as compared to the same periods in 2009, was primarily due to the discount on a portion of the notes receivable that were received in connection with the development of Gaylord National becoming fully amortized into interest income during 2009.

Income from Unconsolidated Companies

We account for our investments in RHAC Holdings, LLC (the joint venture entity which owns the Aston Waikiki Beach Hotel) and Waipouli Holdings, LLC (the joint venture entity which previously owned the ResortQuest Kauai Beach at Makaiwa Hotel) under the equity method of accounting. During 2008, we wrote off our investment in Waipouli Holdings, LLC. As we do not expect to make future contributions to the joint venture entity, we have not reduced the carrying value of our investment in Waipouli Holdings, LLC below zero or recognized our share of gains or losses of the joint venture for the three months and nine months ended September 30, 2010 and 2009. Income (loss) from unconsolidated companies for the three months and nine months ended September 30, 2010 and 2009 consisted of equity method income from these investments as follows (in thousands, except percentages):

	Three Months Ended September 30,			Nine Months Ended September 30,		
	2010	2009	% Change	2010	2009	% Change
RHAC Holdings, LLC	\$ —	\$ 30	-100.0%	\$ 117	\$ 147	-20.4%
Waipouli Holdings, LLC	—	—	0.0%	—	—	0.0%
Total:	\$ —	\$ 30	-100.0%	\$ 117	\$ 147	-20.4%

Net Gain on Extinguishment of Debt

During the nine months ended September 30, 2010, we repurchased \$28.5 million in aggregate principal amount of our outstanding 6.75% senior notes for \$27.0 million. After adjusting for deferred financing costs and other costs, we recorded a pretax gain of \$1.3 million as a result of the repurchases.

During the nine months ended September 30, 2009, we repurchased \$88.6 million, respectively, in aggregate principal amount of our outstanding senior notes (\$61.6 million of 8% senior notes and \$27.0 million of 6.75% senior notes) for \$62.5 million. After adjusting for deferred financing costs and other costs, we recorded a pretax gain of \$24.7 million as a result of the repurchases.

Other Gains and (Losses)

Other gains and (losses) for the three months and nine months ended September 30, 2010 primarily consisted of miscellaneous income and expense. Other gains and (losses) for the nine months ended September 30, 2009 primarily consisted of the receipt of \$3.6 million under a tax increment financing arrangement related to the Ryman Auditorium.

(Benefit) Provision for Income Taxes

The effective tax rate as applied to pretax income from continuing operations differed from the statutory federal rate due to the following (as of September 30, 2010):

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2010	2009	2010	2009
U.S. Federal statutory rate	35%	35%	35%	35%
State taxes (net of federal tax benefit and change in valuation allowance)	1	3	(2)	24
Change in treatment of Medicare Part D subsidies	—	—	(1)	—
Other	(1)	(8)	—	2
Effective tax rate	35%	30%	32%	61%

The Company's increased effective tax rate during the three months ended September 30, 2010 as compared to the same period in 2009 was due primarily to the effect of the change in the estimated annual effective rate as applied to prior quarters' income during the 2009 period.

Under the Patient Protection and Affordable Care Act, which became law on March 23, 2010, as amended by the Health Care and Education Reconciliation Act of 2010, which became law on March 30, 2010, the Company and other companies that receive a subsidy under Medicare Part D to provide retiree prescription drug coverage will no longer receive a Federal income tax deduction for the expenses incurred in connection with providing the subsidized coverage to the extent of the subsidy received. Because future anticipated retiree health care liabilities and related subsidies were already reflected in the Company's financial statements, this change required the Company to reduce the value of the related tax benefits recognized in its financial statements during the period the law was enacted. As a result, the Company recorded a one-time, non-cash tax charge of \$0.8 million during the nine months ended September 30, 2010 to reflect the impact of this change. This charge, as well as changes in the Company's valuation allowances in each period, resulted in a decreased effective tax rate for the nine months ended September 30, 2010 as compared to the 2009 period.

Income (Loss) from Discontinued Operations, Net of Taxes

We reflect the following businesses as discontinued operations in our financial results. The results of operations, net of taxes (prior to their disposal where applicable), and the estimated fair value of the assets and liabilities of these businesses have been reflected in our consolidated financial statements as discontinued operations for all periods presented.

During the second quarter of 2010, in a continued effort to focus on our core Gaylord Hotels and Opry and Attractions businesses, we committed to a plan of disposal of our Corporate Magic business. On June 1, 2010, we completed the sale of Corporate Magic through the transfer of all of our equity interests in Corporate Magic, Inc. to the president of Corporate Magic who, prior to the transaction, was employed by us. In exchange for our equity interests in Corporate Magic, we received, prior to giving effect to a purchase price adjustment based on the working capital of Corporate Magic as of the closing, a note receivable, which terms provide for a quarterly payment from the purchaser, beginning in the second quarter of 2011 through the first quarter of 2017. We recorded this note receivable at its fair value of \$0.4 million, based on the expected cash receipts under the note, discounted at a discount rate that reflects management's assessment of a market participant's view of risks associated with the projected cash flows of Corporate Magic. We recognized a pretax gain of \$0.6 million related to the sale of Corporate Magic during the nine months ended September 30, 2010.

The following table reflects the results of operations of businesses accounted for as discontinued operations for the respective periods:

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2010	2009	2010	2009
Operating income (loss):				
Corporate Magic	\$ (20)	\$ (7,079)	\$ (713)	\$ (7,499)
Other	118	174	242	(137)
 Total operating income (loss)	 98	 (6,905)	 (471)	 (7,636)
Interest expense	—	—	—	(1)
Interest income	13	—	18	—
Other gains and (losses):				
Corporate Magic	(38)	—	618	—
Other	—	74	45	119
 Income (loss) before (provision) benefit for income taxes	 73	 (6,831)	 210	 (7,518)
(Provision) benefit for income taxes	(27)	203	3,115	446
 Income (loss) from discontinued operations	 <u>\$ 46</u>	 <u>\$ (6,628)</u>	 <u>\$ 3,325</u>	 <u>\$ (7,072)</u>

The benefit for income taxes for the nine months ended September 30, 2010 primarily relates to a permanent tax benefit recognized on the sale of the stock of Corporate Magic. The full benefit on the sale was recorded during the second quarter of 2010, as opposed to being allocated over the year, as we believe it more accurately reflects our operations.

Liquidity and Capital Resources

Cash Flows From Operating Activities. Cash flow from operating activities is the principal source of cash used to fund our operating expenses, interest payments on debt, and maintenance capital expenditures. During the nine months ended September 30, 2010, our net cash flows provided by operating activities — continuing operations were \$88.0 million, reflecting primarily our loss from continuing operations before non-cash depreciation expense, amortization expense, income tax provision, stock-based compensation expense, excess tax benefits from stock-based compensation, income from unconsolidated companies, net gain on extinguishment of debt, losses on assets damaged in flood, and losses on the disposals of certain fixed assets of approximately \$92.8 million, partially offset by unfavorable changes in working capital of approximately \$4.8 million. The unfavorable changes in working capital primarily resulted from an increase in income taxes receivable, primarily due to the estimated federal tax refund related to the casualty loss sustained from the Nashville Flood for income tax purposes, partially offset by the collection of federal tax refunds related to 2008 and 2009, and an increase in prepaid expenses associated with our holiday programs, partially offset by an increase in accrued compensation and increased accrued interest on our Convertible Notes and 6.75% senior notes.

During the nine months ended September 30, 2009, our net cash flows provided by operating activities — continuing operations were \$78.5 million, reflecting primarily our income from continuing operations before non-cash depreciation expense, amortization expense, income tax provision, stock-based compensation expense, income from unconsolidated companies, net gain on extinguishment of debt, and losses on the disposals of certain fixed assets of approximately \$104.6 million, partially offset by unfavorable changes in working capital of approximately \$26.1 million. The unfavorable changes in working capital primarily resulted from a decrease in accrued expenses primarily related to the timing of accrued property taxes, accrued compensation, and accrued expenses associated with our hotel holiday programs, an increase in the interest receivable related to the bonds that were received in connection with the development of Gaylord National, an increase in income taxes

receivable, and an increase in prepaid property taxes and prepaid expenses associated with our holiday programs, partially offset by an increase in deferred revenues due to increased receipts of deposits on advanced bookings of hotel rooms at Gaylord Opryland and Gaylord National and an increase in interest payable, attributed to interest accrued on our senior notes.

Cash Flows From Investing Activities. During the nine months ended September 30, 2010, our primary uses of funds for investing activities were purchases of property and equipment, which totaled \$109.9 million, partially offset by the receipt of a \$3.8 million principal payment on the bonds that were received in April 2008 in connection with the development of Gaylord National. Our capital expenditures during the nine months ended September 30, 2010 primarily included the rebuilding of Gaylord Opryland and the Grand Ole Opry House, as well as ongoing maintenance capital expenditures for our existing properties.

During the nine months ended September 30, 2009, our primary uses of funds and investing activities were purchases of property and equipment, which totaled \$44.0 million, partially offset by the receipt of a \$17.1 million payment on the bonds that were received in April 2008 in connection with the development of Gaylord National. Our capital expenditures during the nine months ended September 30, 2009 primarily included ongoing maintenance capital expenditures for our existing properties.

Cash Flows From Financing Activities. Our cash flows from financing activities reflect primarily the incurrence of debt and the repayment of long-term debt. During the nine months ended September 30, 2010, our net cash flows used in financing activities were approximately \$25.6 million, primarily reflecting the payment of \$27.0 million to repurchase portions of our 6.75% senior notes.

During the nine months ended September 30, 2009, our net cash flows provided by financing activities were approximately \$416.0 million, primarily reflecting \$358.1 million in proceeds from the issuance of our Convertible Notes, net of equity-related issuance costs, \$169.0 million in proceeds from the issuance of common stock and warrants, net of issuance costs, \$38.0 million in net borrowings under our credit facility and \$5.0 million received from the termination of the interest rate swap agreements associated with our senior notes, partially offset by the payment of \$76.7 million to purchase a convertible note hedge associated with the Convertible Notes, the payment of \$64.5 million to repurchase portions of our senior notes, the payment of \$8.1 million in deferred financing costs associated with the Convertible Notes and the payment of \$4.6 million to purchase shares of our common stock to fund a supplemental employee retirement plan.

Liquidity

As discussed above, Gaylord Opryland is currently closed as a result of extensive flood damage. The Company's \$1.0 Billion Credit Facility, as defined below under "Principal Debt Agreements," contains covenants regarding the continuance of business and the prompt repair of property damage. Effective May 19, 2010, the Company, certain subsidiaries of the Company party thereto, the lenders party thereto and Bank of America, N.A., as administrative agent, entered into a Conditional Waiver (the "Waiver") which waived, subject to the terms and conditions of the Waiver, any default under Section 9.01(l) of the \$1.0 Billion Credit Facility as a result of the cessation of operations with respect to Gaylord Opryland due to recent flood damage. The Waiver will expire on December 31, 2010 unless (a) we have substantially completed the restoration and/or rebuilding of the Gaylord Opryland and reopened the Gaylord Opryland for business and (b) all proceeds used to restore or rebuild the Nashville Opryland come from insurance proceeds, cash on hand and/or availability under our revolving line of credit provided for in the \$1.0 Billion Credit Facility.

The \$1.0 Billion Credit Facility also contains financial covenants at levels that assume that all of its properties are operational. See "Management's Discussion and Analysis of Financial Condition and Results of Operations — Liquidity" in our Annual Report on Form 10-K for the year ended December 31, 2009 for a description of the financial covenants.

As further described above, during September 2009, we issued \$360 million in Convertible Notes and offered and sold six million shares of our common stock. Our total proceeds of these offerings, after deducting discounts, commissions, expenses and the cost of convertible note hedge transactions, was approximately \$442.4 million. We used the majority of these proceeds, together with cash on hand, to purchase, redeem or otherwise acquire all of our 8% senior notes due 2013. The remaining balance of the net proceeds may be used for general corporate purposes, which may include acquisitions, future development opportunities for new hotel properties, capital expenditures associated with repairing the flood damage and reopening of Gaylord Opryland, the Grand Ole Opry House and the other properties affected by the Nashville Flood, potential expansions or ongoing maintenance of Gaylord Palms and Gaylord Texan, investments, or the repayment or refinancing of all or a portion of any of our outstanding indebtedness. We will continue to evaluate these possibilities in light of economic conditions and other factors. We are unable to predict at this time if or when acquisition opportunities may present themselves. In addition, we are unable to predict at this time when we might make commitments or commence construction related to the proposed development in Mesa, Arizona or our proposed expansions. Furthermore, we do not anticipate making significant capital expenditures on the development in Mesa, Arizona or the proposed expansions of Gaylord Palms and Gaylord Texan during 2010, but will incur capital expenditures, to the extent not covered by insurance proceeds, to repair the flood damage and reopen Gaylord Opryland. We do not expect any liquidity issues given our insurance proceeds, cash on hand, cash flow from our other operations and available borrowing capacity.

Principal Debt Agreements

\$1.0 Billion Credit Facility. On July 25, 2008, we refinanced our previous \$1.0 billion credit facility by entering into a Second Amended and Restated Credit Agreement (the “\$1.0 Billion Credit Facility”) by and among the Company, certain subsidiaries of the Company party thereto, as guarantors, the lenders party thereto and Bank of America, N.A., as administrative agent. The \$1.0 Billion Credit Facility consists of the following components: (a) a \$300.0 million senior secured revolving credit facility, which includes a \$50.0 million letter of credit sublimit and a \$30.0 million sublimit for swingline loans, and (b) a \$700.0 million senior secured term loan facility. The term loan facility was fully funded at closing. The \$1.0 Billion Credit Facility also includes an accordion feature that will allow us to increase the \$1.0 Billion Credit Facility by a total of up to \$400.0 million in no more than three occasions, subject to securing additional commitments from existing lenders or new lending institutions. The revolving loan, letters of credit, and term loan mature on July 25, 2012. At our election, the revolving loans and the term loans will bear interest at an annual rate of LIBOR plus 2.50% or a base rate (the higher of the lead bank’s prime rate and the federal funds rate) plus 0.50%. We entered into interest rate swaps with respect to \$500.0 million aggregate principal amount of borrowings under the term loan portion to convert the variable rate on those borrowings to a fixed weighted average interest rate of 3.94% plus the applicable margin on these borrowings during the term of the swap agreements. Interest on our borrowings is payable quarterly, in arrears, for base rate loans and at the end of each interest rate period for LIBOR rate-based loans. Principal is payable in full at maturity. We will be required to pay a commitment fee of 0.25% per year of the average unused portion of the \$1.0 Billion Credit Facility.

The \$1.0 Billion Credit Facility is (i) secured by a first mortgage and lien on the real property and related personal and intellectual property of our Gaylord Opryland hotel, Gaylord Texan hotel, Gaylord Palms hotel and Gaylord National hotel, and pledges of equity interests in the entities that own such properties and (ii) guaranteed by each of the four wholly owned subsidiaries that own the four hotels. Advances are subject to a 55% borrowing base, based on the appraisal value of the hotel properties (reduced to 50% in the event a hotel property is sold).

As of September 30, 2010, \$700.0 million of borrowings were outstanding under the \$1.0 Billion Credit Facility, and the lending banks had issued \$8.6 million of letters of credit under the facility for us, which left \$291.4 million of availability under the credit facility (subject to the satisfaction of debt incurrence tests under the indentures governing our senior notes).

We will have to refinance or amend the \$1.0 Billion Credit Facility before its maturity on July 25, 2012, in order to finance our ongoing capital needs. While we believe that the strength of our cash flows, the quality of our assets and the long-term prospects of our business all provide a sound basis on which we can obtain capital, there is no assurance that we will be able to refinance the \$1.0 Billion Credit Facility on acceptable terms.

3.75% Convertible Senior Notes. During September 2009, we issued \$360 million, including the exercise of an over-allotment option, of the Convertible Notes. The Convertible Notes have a maturity date of October 1, 2014, and interest is payable semiannually in cash in arrears on April 1 and October 1, beginning April 1, 2010. The Convertible Notes are convertible, under certain circumstances as described below, at the holder's option, into shares of our common stock, at an initial conversion rate of 36.6972 shares of common stock per \$1,000 principal amount of the Convertible Notes, which is equivalent to an initial conversion price of approximately \$27.25 per share. We may elect, at our option, to deliver shares of our common stock, cash or a combination of cash and shares of our common stock in satisfaction of our obligations upon conversion of the Convertible Notes.

The Convertible Notes are convertible under any of the following circumstances: (1) during any calendar quarter ending after September 30, 2009 (and only during such calendar quarter), if the closing price of our common stock for at least 20 trading days during the 30 consecutive trading day period ending on the last trading day of the immediately preceding calendar quarter exceeds 120% of the applicable conversion price per share of common stock on the last trading day of such preceding calendar quarter; (2) during the ten business day period after any five consecutive trading day period in which the Trading Price (as defined in the Indenture) per \$1,000 principal amount of the Convertible Notes, as determined following a request by a Convertible Note holder, for each day in such five consecutive trading day period was less than 98% of the product of the last reported sale price of our common stock and the applicable conversion rate, subject to certain procedures; (3) if specified corporate transactions or events occur; or (4) at any time on or after July 1, 2014, until the second scheduled trading day immediately preceding October 1, 2014. As of September 30, 2010, none of the conditions permitting conversion had been satisfied.

The Convertible Notes are general unsecured and unsubordinated obligations and rank equal in right of payment with all of our existing and future senior unsecured indebtedness, including our 6.75% senior notes due 2014, and senior in right of payment to all of our future subordinated indebtedness, if any. The Convertible Notes will be effectively subordinated to any of our secured indebtedness to the extent of the value of the assets securing such indebtedness.

The Convertible Notes are guaranteed, jointly and severally, on an unsecured unsubordinated basis by generally all of our active domestic subsidiaries. Each guarantee will rank equally in right of payment with such subsidiary guarantor's existing and future senior unsecured indebtedness and senior in right of payment to all future subordinated indebtedness, if any, of such subsidiary guarantor. The Convertible Notes will be effectively subordinated to any secured indebtedness and effectively subordinated to all indebtedness and other obligations of our subsidiaries that do not guarantee the Convertible Notes.

Upon a Fundamental Change (as defined), holders may require us to repurchase all or a portion of their Convertible Notes at a purchase price equal to 100% of the principal amount of the Convertible Notes to be repurchased, plus any accrued and unpaid interest, if any, thereon to (but excluding) the Fundamental Change Repurchase Date (as defined). The Convertible Notes are not redeemable at our option prior to maturity.

We do not intend to file a registration statement for the resale of the Convertible Notes or any common stock issuable upon conversion of the Convertible Notes. As a result, holders may only resell the Convertible Notes or common stock issued upon conversion of the Convertible Notes, if any, pursuant to an exemption from the registration requirements of the Securities Act of 1933 and other applicable securities laws.

6.75% Senior Notes. On November 30, 2004, we completed our offering of \$225 million in aggregate principal amount of senior notes bearing an interest rate of 6.75% (the “6.75% Senior Notes”). The 6.75% Senior Notes, which mature on November 15, 2014, bear interest semi-annually in cash in arrears on May 15 and November 15 of each year, starting on May 15, 2005. The 6.75% Senior Notes are redeemable, in whole or in part, at any time on or after November 15, 2009 at a designated redemption amount, plus accrued and unpaid interest. The 6.75% Senior Notes rank equally in right of payment with our other unsecured unsubordinated debt, but are effectively subordinated to all of our secured debt to the extent of the assets securing such debt. The 6.75% Senior Notes are fully and unconditionally guaranteed, jointly and severally, on a senior unsecured basis by generally all of our active domestic subsidiaries. In addition, the 6.75% Senior Notes indenture contains certain covenants which, among other things, limit the incurrence of additional indebtedness (including additional indebtedness under the term loan portion of our senior secured credit facility), investments, dividends, transactions with affiliates, asset sales, capital expenditures, mergers and consolidations, liens and encumbrances and other matters customarily restricted in such agreements. The 6.75% Senior Notes are cross-defaulted to our other indebtedness.

During the nine months ended September 30, 2010, we repurchased \$28.5 million in aggregate principal amount of our outstanding 6.75% senior notes for \$27.0 million. After adjusting for deferred financing costs and other costs, we recorded a pretax gain of \$1.3 million as a result of the repurchases. We used available cash to finance the purchases and intend to consider additional repurchases of our 6.75% Senior Notes from time to time depending on market conditions.

Giving effect to the waiver under our credit facility further described above, as of September 30, 2010, we were in compliance with all of our covenants related to our debt.

Future Developments

As described in “Development Update” above, we are considering other potential hotel sites throughout the country, including Mesa, Arizona.

Off-Balance Sheet Arrangements

As described in Note 15 to our condensed consolidated financial statements included herein, we made investments in two unconsolidated entities, each of which purchased a hotel located in Hawaii. Our joint venture partner in each of these unconsolidated entities has guaranteed certain loans made to wholly-owned subsidiaries of each of these entities, and we have agreed to contribute to these joint venture partners our pro rata share of any payments under such guarantees required to be made by such joint venture partners. In addition, we enter into commitments under letters of credit, primarily for the purpose of securing our deductible obligations with our workers’ compensation insurers, and lending banks under our credit facility had issued \$8.6 million of letters of credit as of September 30, 2010 for us. Except as set forth above, we do not have any off-balance sheet arrangements.

Commitments and Contractual Obligations

The following table summarizes our significant contractual obligations as of September 30, 2010, including long-term debt and operating and capital lease commitments (amounts in thousands):

Contractual obligations	Total amounts committed	Less than 1 year	1-3 years	3-5 years	More than 5 years
Long-term debt	\$ 1,212,180	\$ —	\$ 700,000	\$ 512,180	\$ —
Capital leases	575	222	334	19	—
Promissory note payable to Nashville Predators	1,000	1,000	—	—	—
Construction commitments	115,762	115,762	—	—	—
Operating leases (1)	657,145	6,658	11,265	8,685	630,537
Total contractual obligations	\$1,986,662	\$ 123,642	\$ 711,599	\$ 520,884	\$ 630,537

- (1) The total operating lease commitments of \$657.1 million above includes the 75-year operating lease agreement we entered into during 1999 for 65.3 acres of land located in Osceola County, Florida where Gaylord Palms is located.

The cash obligations in the table above do not include future cash obligations for interest associated with our outstanding long-term debt, capital lease obligations and promissory note payable to the Nashville Predators. See Note 11 to our condensed consolidated financial statements included herewith for a discussion of the interest we paid during the three months and nine months ended September 30, 2010 and 2009.

Due to the uncertainty with respect to the timing of future cash flows associated with our unrecognized tax benefits at September 30, 2010, we cannot make reasonably certain estimates of the period of cash settlement, if any, with the respective taxing authority. Therefore, \$16.0 million of unrecognized tax benefits have been excluded from the contractual obligations table above.

Critical Accounting Policies and Estimates

We prepare our condensed consolidated financial statements in conformity with accounting principles generally accepted in the United States. Certain of our accounting policies, including those related to revenue recognition, impairment of long-lived assets and goodwill, stock-based compensation, derivative financial instruments, income taxes, retirement and postretirement benefits other than pension plans, and legal contingencies, require that we apply significant judgment in defining the appropriate assumptions for calculating financial estimates. By their nature, these judgments are subject to an inherent degree of uncertainty. Our judgments are based on our historical experience, our observance of trends in the industry, information provided by our customers and information available from other outside sources, as appropriate. There can be no assurance that actual results will not differ from our estimates. For a discussion of our critical accounting policies and estimates, please refer to Management's Discussion and Analysis of Financial Condition and Results of Operations and Notes to Consolidated Financial Statements presented in our Annual Report on Form 10-K for the year ended December 31, 2009. There were no newly identified critical accounting policies in the first, second or third quarter of 2010 nor were there any material changes to the critical accounting policies and estimates discussed in our Annual Report on Form 10-K for the year ended December 31, 2009.

Recently Issued Accounting Standards

For a discussion of recently issued accounting standards, see Note 2 to our condensed consolidated financial statements for the three months and nine months ended September 30, 2010 and 2009 included herewith.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Market risk is the risk of loss arising from adverse changes in market rates and prices, such as interest rates, foreign currency exchange rates and commodity prices. Our primary exposures to market risk are from changes in interest rates, natural gas prices and equity prices and changes in asset values of investments that fund our pension plan.

Risk Related to Changes in Interest Rates

Borrowings outstanding under our \$1.0 Billion Credit Facility bear interest at an annual rate at our election of either LIBOR plus 2.50% or a base rate (the higher of the lead bank's prime rate and the federal funds rate) plus 0.50%. In connection with the refinancing of our \$1.0 billion credit facility, we entered into a new series of forward-starting interest rate swaps to effectively convert the variable rate on \$500.0 million aggregate principal amount of borrowings under the term loan portion of our \$1.0 Billion Credit Facility to a fixed rate. These interest rate swaps, which expire on various dates through July 25, 2011, effectively adjust the variable interest rate on those borrowings to a fixed weighted average interest rate of 3.94% plus the applicable margin on these borrowings during the term of the swap agreements. These interest rate swaps are deemed effective and therefore the hedges have been treated as effective cash flow hedges.

If LIBOR were to increase by 100 basis points, our annual interest cost on the remaining \$200.0 million in borrowings outstanding under our \$1.0 Billion Credit Facility as of September 30, 2010 would increase by approximately \$2.0 million.

Certain of our outstanding cash balances are occasionally invested overnight with high credit quality financial institutions. We do not have significant exposure to changing interest rates on invested cash at September 30, 2010. As a result, the interest rate market risk implicit in these investments at September 30, 2010, if any, is low.

Risk Related to Changes in Natural Gas Prices

As of September 30, 2010, we held 27 variable to fixed natural gas price swaps with respect to the purchase of 798,750 dekatherms of natural gas in order to fix the prices at which we purchase that volume of natural gas for our hotels. These natural gas price swaps, which have remaining terms of up to fifteen months, effectively adjust the price on that volume of purchases of natural gas to a weighted average price of \$4.94 per dekatherm. These natural gas swaps are deemed effective, and, therefore, the hedges have been treated as an effective cash flow hedge. If the forward price of natural gas futures contracts for delivery at the Henry Hub as of September 30, 2010 as quoted on the New York Mercantile Exchange was to increase or decrease by 10%, the net derivative liability associated with the fair value of our natural gas swaps outstanding as of September 30, 2010 would have decreased or increased by \$0.3 million.

Risk Related to Changes in Equity Prices

The \$360 million aggregate principal amount of Convertible Notes we issued in September 2009 may be converted prior to maturity, at the holder's option, into shares of our common stock under certain circumstances as described in Note 9 to our condensed consolidated financial statements included herein. The initial conversion price is approximately \$27.25 per share. Upon conversion, we may elect, at our option, to deliver shares of our common stock, cash or a combination of cash and shares of our common stock in satisfaction of our obligations upon conversion of the Convertible Notes. As such, the fair value of the Convertible Notes will generally increase as our share price increases and decrease as the share price declines.

Concurrently with the issuance of the Convertible Notes, we entered into convertible note hedge transactions intended to reduce the potential dilution upon conversion of the Convertible Notes in the event that the market

value per share of our common stock, as measured under the Convertible Notes, at the time of exercise is greater than the conversion price of the Convertible Notes. The convertible note hedge transactions involved us purchasing from four counterparties options to purchase approximately 13.2 million shares of our common stock at a price per share equal to the initial conversion price of the Convertible Notes. Separately we sold warrants to the same counterparties whereby they have the option to purchase approximately 13.2 million shares of our common stock at a price of \$32.70 per share. As a result of the convertible note hedge transactions and related warrants, the Convertible Notes will not have a dilutive impact on shares outstanding if the share price of our common stock is below \$32.70. For every \$1 increase in the share price of our common stock above \$32.70, we will be required to deliver, upon the exercise of the warrants, the equivalent of \$13.2 million in shares of our common stock (at the relevant share price).

Risk Related to Changes in Asset Values that Fund our Pension Plans

The expected rates of return on the assets that fund our defined benefit pension plan are based on the asset allocation of the plan and the long-term projected return on those assets, which represent a diversified mix of equity securities, fixed income securities and cash. As of September 30, 2010, the value of the investments in the pension fund was \$63.9 million, and an immediate 10% decrease in the value of the investments in the fund would have reduced the value of the fund by approximately \$6.4 million.

ITEM 4. CONTROLS AND PROCEDURES.

The Company maintains disclosure controls and procedures, as defined in Rule 13a-15(e) promulgated under the Securities Exchange Act of 1934 (the "Exchange Act"), that are designed to ensure that information required to be disclosed by us in the reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure. The Company carried out an evaluation under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures as of the end of the period covered by this report. Based on the evaluation of these disclosure controls and procedures, the Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective as of the end of the period covered by this report. There have been no changes in our internal control over financial reporting that occurred during the period covered by this report that materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II — OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS.

The Company is a party to certain litigation, as described in Note 15 to our condensed consolidated financial statements included herein and which is incorporated herein by reference.

ITEM 1A. RISK FACTORS.

The following risk factors should be considered in addition to the risk factors set forth in our Annual Report on Form 10-K for the year ended December 31, 2009.

The flood damage and rebuilding of Gaylord Opryland pose risks to the Company and its financial condition.

In May 2010, as previously announced, Gaylord Opryland suffered severe flood damage as a result of flooding in Davidson County, Tennessee, and the hotel is expected to be closed until November 15, 2010. Therefore, the financial results of Gaylord Opryland and the Company were negatively affected for the second and third quarters of 2010 and will be negatively affected for at least the fourth quarter of 2010. The Company carried insurance associated with flood damage with an aggregate limit of \$50 million and is incurring significant revenue losses and costs associated with the hotel closure and the rebuilding effort, which, in the aggregate, have exceeded the coverage under the Company's insurance policies. In addition, the Company is subject to risks inherent in the construction and reopening process, including the risk of fluctuations in the costs of materials and labor and diversion of management time and attention. The Company has disclosed amounts spent and amounts projected to be spent in connection with the rebuilding effort, but there can be no assurance that additional expenses will not be incurred. Other associated effects of the hotel closure may be the loss of experienced employees, the loss of customer goodwill, uncertainty of future hotel bookings and other negative factors yet to be determined. The Company's \$1.0 Billion Credit Facility contains covenants regarding the continuance of business and the prompt repair of property damage and also contains financial covenants at levels that assume that all of its properties are operational. See "Management's Discussion and Analysis of Financial Condition and Results of Operations — Liquidity" in our Annual Report on Form 10-K for the year ended December 31, 2009 for a description of the financial covenants. Effective May 19, 2010, the Company obtained a waiver of certain covenants to its \$1.0 Billion Credit Facility, but there can be no assurance that additional waivers will not be required.

Recent healthcare legislation could adversely affect our results of operations.

In March 2010, the Patient Protection and Affordable Care Act, as amended by the Health Care and Education Reconciliation Act of 2010 (collectively, the "Health Reform Law"), was enacted. Among other things, the Health Reform Law contains provisions that will affect employer-sponsored health plans, impose excise taxes on certain plans, and reduce the tax benefits available to employers that receive the Medicare Part D subsidy. These provisions may significantly raise our employee health benefits costs and/or alter the benefits we are required to provide. In the first quarter of 2010 we recorded a one-time, non-cash tax charge of \$0.8 million to reflect the impact of the reduced tax benefits available to employers that receive the Medicare Part D subsidy. We are currently reviewing provisions of the Health Reform Law and their impact on our company-sponsored plans. Costs associated with compliance with the Health Reform Law are currently difficult to estimate, but we anticipate increased expenses relating to our company-sponsored plans. If we are not able to limit or offset future cost increases, those costs could have an adverse affect on our results of operations.

ITEM 2. UNREGISTERED SALES OF EQUITY SECURITIES AND USE OF PROCEEDS.

The following table sets forth information with respect to purchases of shares of the Company's common stock made during the three months ended September 30, 2010 by or on behalf of the Company or any "affiliated purchaser," as defined by Rule 10b-18 of the Exchange Act:

Each Borrowing of, conversion to or continuation of Eurodollar Rate Loans shall be in a principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof. Except as provided in Sections 2.03(c) and 2.04(c), each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof. Each Committed Loan Notice (whether telephonic or written) shall specify (i) whether the Borrower is requesting a Committed Borrowing, a conversion of Committed Loans from one Type to the other, or a continuation of Eurodollar Rate Loans, (ii) the requested date of the

Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Committed Loans to be borrowed, converted or continued, (iv) the Type of Committed Loans to be borrowed or to which existing Committed Loans are to be converted, and (v) if applicable, the duration of the Interest Period with respect thereto. If the Borrower fails to specify a Type of Committed Loan in a Committed Loan Notice or if the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Committed Loans shall be made as, or converted to, Base Rate Loans. Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurodollar Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurodollar Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month. Notwithstanding anything to the contrary herein, a Swing Line Loan may not be converted to a Eurodollar Rate Loan.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Applicable Percentage of the applicable Committed Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans described in the preceding subsection. In the case of a Committed Borrowing, each Lender shall make the amount of its Committed Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than 1:00 p.m. on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 5.02 (and, if such Borrowing is the initial Credit Extension, Section 5.01), the Administrative Agent shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent either by (i) crediting the account of the Borrower on the books of Bank of America with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower; provided, however, that if, on the date a Committed Loan Notice with respect to a Borrowing consisting of Revolving Loans is given by the Borrower, there are L/C Borrowings outstanding, then the proceeds of such Borrowing first shall be applied to the payment in full of any such L/C Borrowings, and second, shall be made available to the Borrower as provided above.

(c) Subject to Section 3.05, a Eurodollar Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurodollar Rate Loan. During the existence of a Default, no Loans may be requested as, converted to or continued as Eurodollar Rate Loans having Interest Periods greater than one month without the consent of the Required Lenders. During the existence of an Event of Default, no Loans may be converted to or continued as Eurodollar Rate Loans without the consent of the Required Lenders.

(d) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurodollar Rate Loans upon determination of such interest rate. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrower and the Lenders of any change in Bank of America's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Committed Borrowings, all conversions of Committed Loans from one Type to the other, and all continuations of Committed Loans as the same Type, there shall not be more than (i) ten (10) Interest Periods in effect with respect to Revolving Loans, and (ii) ten (10) Interest Periods in effect with respect to the Term Loan.

2.03 Letters of Credit.

(a) The Letter of Credit Commitment.

(i) Subject to the terms and conditions set forth herein, (A) the L/C Issuer agrees, in reliance upon the agreements of the Lenders set forth in this Section 2.03, (1) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit denominated in Dollars for the account of the Borrower or its Subsidiaries, and to amend or extend Letters of Credit previously issued by it, in accordance with subsection (b) below, and (2) to honor drawings under the Letters of Credit; and (B) the Lenders holding Revolving Commitments and Revolving Loans severally agree to participate in Letters of Credit issued for the account of the Borrower or its

Subsidiaries and any drawings thereunder (based on their respective Applicable Percentages of the Aggregate Revolving Commitments); provided that after giving effect to any L/C Credit Extension with respect to any Letter of Credit, (w) the Total Facility Outstandings shall not exceed the Borrowing Base, (x) the Total Revolving Outstandings shall not exceed the Aggregate Revolving Commitments, (y) the aggregate Outstanding Amount of the Revolving Loans of any Lender, plus such Lender's Applicable Percentage of the Outstanding Amount of all L/C Obligations, plus such Lender's Applicable Percentage of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender's Revolving Commitment, and (z) the Outstanding Amount of the L/C Obligations shall not exceed the Letter of Credit Sublimit. Each request by the Borrower for the issuance or amendment of a Letter of Credit shall be deemed to be a representation by the Borrower that the L/C Credit Extension so requested complies with the conditions set forth in the proviso to the preceding sentence. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. All Existing Letters of Credit shall be deemed to have been issued pursuant hereto, and from and after the Closing Date shall be subject to and governed by the terms and conditions hereof.

(ii) The L/C Issuer shall not issue any Letter of Credit if, subject to Section 2.03(b)(iii), the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last extension, unless the Required Revolver Lenders have approved such expiry date; or the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless all the Lenders holding Revolving Commitments have approved such expiry date.

(iii) The L/C Issuer shall not be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the L/C Issuer from issuing such Letter of Credit, or any Law applicable to the L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the L/C Issuer shall prohibit, or request that the L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the L/C Issuer in good faith deems material to it;

(B) the issuance of such Letter of Credit would violate one or more policies of the L/C Issuer; or

(C) except as otherwise agreed by the Administrative Agent and the L/C Issuer, such Letter of Credit is in an initial stated amount less than \$250,000.

(D) such Letter of Credit is to be denominated in a currency other than Dollars;

(E) such Letter of Credit contains any provision for automatic reinstatement of the stated amount after any drawing thereunder; or

(F) a default of any Lender's obligations to fund under Section 2.03(c) exists or any Lender is at such time a Defaulting Lender hereunder, unless the L/C Issuer has entered into satisfactory arrangements with the Borrower or such Lender to eliminate the L/C Issuer's risk with respect to such Lender.

(iv) The L/C Issuer shall not amend any Letter of Credit if the L/C Issuer would not be permitted at such time to issue such Letter of Credit in its amended form under the terms hereof.

(v) The L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) the L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(vi) The L/C Issuer shall act on behalf of the Lenders holding Revolving Commitments with respect to any Letters of Credit issued by it and the documents associated therewith, and the L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article X with respect to any acts taken or omissions suffered by the L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article X included the L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to the L/C Issuer.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit .

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to the L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Application must be received by the L/C Issuer and the Administrative Agent not later than 11:00 a.m. at least two Business Days (or such later date and time as the Administrative Agent and the L/C Issuer may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail satisfactory to the L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) the purpose and nature of such Letter of Credit and (H) such other matters as the L/C Issuer may require. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail satisfactory to the L/C Issuer (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the L/C Issuer may require. Additionally, the Borrower shall furnish to the L/C Issuer and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as the L/C Issuer or the Administrative Agent may require.

(ii) Promptly after receipt of any Letter of Credit Application, the L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, the L/C Issuer will provide the Administrative Agent with a copy thereof. Unless the L/C Issuer has received written notice from any Lender, the Administrative Agent or any Loan Party, at least one Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit , that one or more of the applicable conditions contained in Article V shall not then be satisfied, the L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower (or the applicable Subsidiary) or enter into the applicable amendment, as the case may be, in each case in accordance with the L/C Issuer's usual and customary business practices. Immediately upon the issuance of each Letter of Credit, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Lender's Applicable Percentage times the amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Application, the L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit must permit the L/C Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be

agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the L/C Issuer, the Borrower shall not be required to make a specific request to the L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; provided, however, that the L/C Issuer shall not permit any such extension if (A) the L/C Issuer has determined that it would not be permitted, or would have no obligation at such time to issue such Letter of Credit in its revised form under the terms hereof (by reason of the provisions of clause (ii) or (iii) of Section 2.03(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five Business Days before the Non-Extension Notice Date (1) from the Administrative Agent that the Required Lenders have elected not to permit such extension or (2) from the Administrative Agent, any Lender or any Loan Party that one or more of the applicable conditions specified in Section 5.02 is not then satisfied, and in each case directing the L/C Issuer not to permit such extension.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the L/C Issuer will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the L/C Issuer shall notify the Borrower and the Administrative Agent thereof. Not later than 11:00 a.m. on the date of any payment by the L/C Issuer under a Letter of Credit (each such date, an “Honor Date”), the Borrower shall reimburse the L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing. If the Borrower fails to so reimburse the L/C Issuer by such time, the Administrative Agent shall promptly notify each Lender holding a Revolving Commitment of the Honor Date, the amount of the unreimbursed drawing (the “Unreimbursed Amount”), and the amount of such Lender’s Applicable Percentage thereof (which shall be based on such Lender’s Applicable Percentage of the Revolving Commitments). In such event, the Borrower shall be deemed to have requested a Borrowing of Base Rate Revolving Loans to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans, but subject to the amount of the unutilized portion of the Aggregate Revolving Commitments and the conditions set forth in Section 5.02 (other than the delivery of a Committed Loan Notice). Any notice given by the L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(i) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Lender holding a Revolving Commitment shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent for the account of the L/C Issuer at the Administrative Agent’s Office in an amount equal to its Applicable Percentage (with respect to the Revolving Commitments) of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(c)(iii), each Lender that so makes funds available shall be deemed to have made a Base Rate Revolving Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the L/C Issuer.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Borrowing of Base Rate Revolving Loans because the conditions set forth in Section 5.02 (other than delivery of a Committed Loan Notice) cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Lender’s payment to the Administrative Agent for the account of the L/C Issuer pursuant to Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each applicable Lender funds its Revolving Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Applicable Percentage of such amount shall be solely for the account of the L/C Issuer.

(v) Each applicable Lender's obligation to make Revolving Loans or L/C Advances to reimburse the L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the L/C Issuer, the Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lender's obligation to make Revolving Loans (but not to reimburse the L/C Issuer for any L/C Advance in the event the Borrower fails to do so) pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 5.02 (other than delivery by the Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the L/C Issuer for the amount of any payment made by the L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any applicable Lender fails to make available to the Administrative Agent for the account of the L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), the L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the L/C Issuer at a rate per annum equal to the Federal Funds Rate from time to time in effect. A certificate of the L/C Issuer submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (vi) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) At any time after the L/C Issuer has made a payment under any Letter of Credit and has received from any Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(c), if the Administrative Agent receives for the account of the L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Applicable Percentage thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of the L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 11.06 (including pursuant to any settlement entered into by the L/C Issuer in its discretion), each Lender shall pay to the Administrative Agent for the account of the L/C Issuer its Applicable Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Rate from time to time in effect.

(e) Obligations Absolute. The obligation of the Borrower to reimburse the L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Loan Document;

(ii) the existence of any claim, counterclaim, set-off, defense or other right that the Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law; or

(v) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower or any Subsidiary.

The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity, the Borrower will immediately notify the L/C Issuer. The Borrower shall be conclusively deemed to have waived any such claim against the L/C Issuer and its correspondents unless such notice is given as aforesaid.

(f) Role of L/C Issuer. Each Lender holding a Revolving Commitment and the Borrower agree that, in paying any drawing under a Letter of Credit, the L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuer, any Agent-Related Person nor any of the respective correspondents, participants or assignees of the L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Required Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuer, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of the L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (v) of Section 2.03(e); provided, however, that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against the L/C Issuer, and the L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which the Borrower proves were caused by the L/C Issuer's willful misconduct or gross negligence or the L/C Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(g) Cash Collateral. Upon the request of the Administrative Agent, (i) if the L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in an L/C Borrowing, or (ii) if, as of the Letter of Credit Expiration Date, any Letter of Credit for any reason remains outstanding and

partially or wholly undrawn, the Borrower shall immediately Cash Collateralize the then Outstanding Amount of all L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such L/C Borrowing or the Letter of Credit Expiration Date, as the case may be). Sections 2.05 and 9.02(c) set forth certain additional requirements to deliver Cash Collateral hereunder. For purposes of this Section 2.03, Section 2.05 and Section 9.02(c), “Cash Collateralize” means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the L/C Issuer and the Lenders holding Revolving Commitments, as collateral for the L/C Obligations, cash or deposit account balances pursuant to documentation in form and substance satisfactory to the Administrative Agent and the L/C Issuer (which documents are hereby consented to by the Lenders). Derivatives of such term have corresponding meanings. The Borrower hereby grants to the Administrative Agent, for the benefit of the L/C Issuer and the applicable Lenders, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Cash Collateral shall be maintained in blocked, non-interest bearing deposit accounts at Bank of America.

(h) Applicability of ISP. Unless otherwise expressly agreed by the L/C Issuer and the Borrower when a Letter of Credit is issued (including any such agreement applicable to an Existing Letter of Credit), the rules of the ISP shall apply to each Letter of Credit.

(i) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent for the account of each Lender holding a Revolving Commitment in accordance with its Applicable Percentage (based on the respective Lenders’ Revolving Commitments/Loans) a Letter of Credit fee (the “Letter of Credit Fee”) for each Letter of Credit equal to the Applicable Margin times the daily amount available to be drawn under such Letter of Credit. For the purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.06. Letter of Credit Fees shall be (i) computed on a quarterly basis in arrears, and (ii) due and payable on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Margin during any quarter, the daily amount available to be drawn under each Letter of Credit shall be computed and multiplied by the Applicable Margin separately for each period during such quarter that such Applicable Margin was in effect. Notwithstanding anything to the contrary contained herein, while any Event of Default exists, all Letter of Credit Fees shall accrue at the Default Rate.

(j) Fronting Fee and Processing Charges Payable to L/C Issuer. The Borrower shall, in connection with the issuance or extension (whether or not pursuant to an automatic extension) of each Letter of Credit, pay directly to the L/C Issuer for its own account a fronting fee for each Letter of Credit equal to the greater of (i) \$1,500.00 and (ii) 0.125% times the maximum amount available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect with respect to such Letter of Credit). Such fronting fee shall be payable upon issuance or extension of the applicable Letter of Credit. For the purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.06. In addition to the foregoing, the Borrower shall pay directly to the L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of the L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable on demand and are nonrefundable.

(k) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Documents, the terms hereof shall control.

(l) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the Borrower shall be obligated to reimburse the L/C Issuer hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries inures to the benefit of the Borrower, and that the Borrower’s business derives substantial benefits from the businesses of such Subsidiaries.

2.04 Swing Line Loans.

(a) The Swing Line. Subject to the terms and conditions set forth herein, the Swing Line Lender agrees, in reliance upon the agreements of the other Lenders holding Revolving Commitments as set forth in this Section 2.04, to make loans (each such loan, a “Swing Line Loan”) to the Borrower from time to time on any Business Day during the Availability Period in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Applicable Percentage of the Outstanding Amount of Committed Loans and L/C Obligations of the Lender acting as Swing Line Lender, may exceed the amount of such Lender’s Revolving Commitment; provided, however, that after giving effect to any Swing Line Loan, (i) the Total Outstandings shall not exceed the Aggregate Commitments, and (ii) the aggregate Outstanding Amount of the Revolving Loans of any Lender, plus such Lender’s Applicable Percentage of the Outstanding Amount of all L/C Obligations, plus such Lender’s Applicable Percentage of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender’s Revolving Commitment, and provided, further, that the Borrower shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan shall be a Base Rate Loan. Immediately upon the making of a Swing Line Loan, each Lender holding a Revolving Commitment shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender’s Applicable Percentage (with respect to such Lender’s Revolving Commitment) times the amount of such Swing Line Loan.

(b) Borrowing Procedures. Each Swing Line Borrowing shall be made upon the Borrower’s irrevocable notice to the Swing Line Lender and the Administrative Agent, which may be given by telephone. Each such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of \$250,000, and (ii) the requested borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender and the Administrative Agent of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Promptly after receipt by the Swing Line Lender of any telephonic Swing Line Loan Notice, the Swing Line Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swing Line Loan Notice and, if not, the Swing Line Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swing Line Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Lender) prior to 2:00 p.m. on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the first proviso to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Article IV is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will, not later than 3:00 p.m. on the borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the Borrower.

(c) Refinancing of Swing Line Loans.

(i) The Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Borrower (which hereby irrevocably authorizes the Swing Line Lender to so request on its behalf), that each Lender with a Revolving Commitment make a Base Rate Revolving Loan in an amount equal to such Lender’s Applicable Percentage (with respect to such Lender’s Revolving Commitment) of the amount of Swing Line Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the Aggregate Revolving Commitments and the conditions set forth in Section 5.02. The Swing Line Lender shall furnish the Borrower with a copy of the applicable Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Lender shall make an amount equal to its Applicable Percentage (with respect to such Lender’s Revolving Commitment) of the amount specified in such Committed Loan Notice available to the Administrative Agent in immediately available funds for the account of the Swing Line Lender at the Administrative Agent’s Office not later than 1:00 p.m. on the day specified in such Committed Loan Notice, whereupon, subject to Section 2.04(c)(ii), each Lender that so makes funds

available shall be deemed to have made a Base Rate Revolving Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Committed Borrowing in accordance with Section 2.04(c)(i), the request for Base Rate Revolving Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Lenders fund its risk participation in the relevant Swing Line Loan and each Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the greater of the Federal Funds Rate and a rate determined by the Swing Line Lender in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Swing Line Lender in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Committed Loan included in the relevant Committed Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Lender's obligation to make Committed Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lender's obligation to make Committed Loans pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 5.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay Swing Line Loans, together with interest as provided herein.

(d) Repayment of Participations.

(i) At any time after any Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Lender its Applicable Percentage (with respect to such Lender's Revolving Commitment) thereof in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 10.05 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Lender shall pay to the Swing Line Lender its Applicable Percentage (with respect to such Lender's Revolving Commitment) thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Federal Funds Rate. The Administrative Agent will make such demand upon the request of the Swing Line Lender. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Interest for Account of Swing Line Lender. The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Lender funds its Base Rate Committed Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Applicable Percentage (with respect to such Lender's Revolving Commitment) of any Swing Line Loan, interest in respect of such Applicable Percentage shall be solely for the account of the Swing Line Lender.

(f) Payments Directly to Swing Line Lender. The Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

2.05 Prepayments.

(a) Voluntary Prepayments of Loans.

(i) The Borrower may, upon notice to the Administrative Agent, at any time or from time to time (A) voluntarily prepay Base Rate Loans in whole or in part without premium or penalty, and (B) subject to Section 3.05 hereof, voluntarily prepay Eurodollar Rate Loans in whole or in part on the last day of the applicable Interest Period without premium or penalty; provided that (1) such notice must be received by the Administrative Agent not later than 11:00 a.m. (x) three Business Days prior to any date of prepayment of Eurodollar Rate Loans and (y) on the date of prepayment of Base Rate Loans; (2) any prepayment of Eurodollar Rate Loans shall be in a principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof (or, if less, the entire principal amount thereof then outstanding); (3) any prepayment of Base Rate Loans shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof (or, if less, the entire principal amount thereof then outstanding); and (4) any prepayment of the Term Loan shall be applied ratably to the Term Loan. Each such notice shall specify the date and amount of such prepayment and the Type(s) of Committed Loans to be prepaid. The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's Applicable Percentage of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurodollar Rate Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 3.05. Each such prepayment shall be applied to the Committed Loans of the Lenders in accordance with their respective Applicable Percentages.

(ii) The Borrower may, upon notice to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans in whole or in part without premium or penalty; provided that (A) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the date of the prepayment, and (B) any such prepayment shall be in a minimum principal amount of \$100,000. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(b) Mandatory Prepayments.

(i) Aggregate Revolving Commitments. If for any reason the Total Revolving Outstandings at any time exceed the Aggregate Revolving Commitments then in effect, the Borrower shall immediately prepay Revolving Loans or Swing Line Loans and/or Cash Collateralize the L/C Obligations in an aggregate amount equal to such excess; provided, however, that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(b)(i) unless after the prepayment in full of the Revolving Loans and Swing Line Loans the Total Revolving Outstandings exceed the Letter of Credit Sublimit.

(ii) Maximum Term Loan Amount Exceeded. If for any reason (A) the Total Term Loan Outstandings plus the aggregate amount of Aggregate TL Principal Payments as of any date of determination exceed (B) the Aggregate TL Commitments plus the Aggregate TL Borrowings as of such date, the Borrower shall immediately prepay the Term Loans in an aggregate amount equal to such excess.

(iii) Total Facility Outstandings. If for any reason the Total Facility Outstandings as of any date of determination exceed the Borrowing Base as of such date, the Borrower shall immediately prepay the Term Loans, Revolving Loans or Swing Line Loans and/or Cash Collateralize the L/C Obligations in an aggregate amount equal to such excess; provided, however, that the Borrower shall not be required to Cash

Collateralize the L/C Obligations pursuant to this Section 2.05(b)(iii) unless after the prepayment in full of the Term Loans, Revolving Loans and Swing Line Loans the remaining L/C Obligations exceed the Letter of Credit Sublimit.

(iv) Borrowing Base Property Dispositions.

(A) Upon the Disposition of any Borrowing Base Property, the Borrower shall, immediately upon the receipt of the Net Cash Proceeds related thereto (and, in any case, not later than the day following the date on which an applicable Disposition occurs) prepay the Term Loans, Revolving Loans or Swing Line Loans and/or Cash Collateralize the L/C Obligations in an aggregate amount equal to the lesser of (1) 100.0% of such Net Cash Proceeds and (2) the amount of the prepayment required to cause the Total Facility Outstandings as of the date of such prepayment to be equal to or less than fifty percent (50.0%) of the then-applicable BBP Value. Notwithstanding anything to the contrary contained herein, upon the first occurrence of any such Disposition of a Borrowing Base Property, the percentage referenced in clause (b) of the definition of the term "Borrowing Base" contained in Section 1.01 shall, immediately upon the consummation of such Disposition, be irrevocably reduced from fifty-five percent (55.0%) to fifty percent (50.0%). Further, all Dispositions of Borrowing Base Properties hereunder remain subject to the terms and conditions set forth in Section 8.05 (including, without limitation, the timely delivery by the Borrower of a Pro Forma Compliance Certificate giving Pro Forma Effect to such Disposition). The Administrative Agent shall, in connection with any assertion or claim by the Borrower that it is entitled to prepay an amount that is less than 100% of the Net Cash Proceeds with respect to any Disposition of a Borrowing Base Property, have the right to obtain, at the expense of the Borrower, a new appraisal with respect to any one or more of the remaining Borrowing Base Properties as of such date for recalculation of the Appraised Values associated therewith (such appraisal to be in form and substance acceptable to the Administrative Agent, in its discretion). The Borrower shall, pending the completion of such re-appraisals, deposit 100.0% of the Net Cash Proceeds related to such Disposition in an account controlled by the Administrative Agent to be held in escrow pending the final determination of the new Appraised Values for the remaining Borrowing Base Properties and shall execute any and all other documents, instruments or agreements requested by Administrative Agent in connection with such account or to establish Administrative Agent's rights with respect thereto. Upon the final determination of the new Appraised Values for the remaining Borrowing Base Properties, the Administrative Agent shall release any amount of such Net Cash Proceeds to which the Borrower may be entitled pursuant to the proviso set forth above.

(B) In addition to any prepayments required pursuant to item (A) above, to the extent any Net Cash Proceeds from the Disposition of a Borrowing Base Property are applied to pay down any Indebtedness of any Loan Party or any of their Subsidiaries, such Net Cash Proceeds shall be applied to discharge or otherwise prepay the Obligations prior to any payment being made against any Indebtedness evidenced by or related to any Senior Note Indenture.

(v) Casualty and Condemnation Events Related to Borrowing Base Properties. The Borrower shall deliver to the Administrative Agent the Net Cash Proceeds related to any Involuntary Disposition with respect to any Borrowing Base Property immediately upon the receipt of such Net Cash Proceeds. Such Net Cash Proceeds will be held in escrow by the Administrative Agent subject to the terms of Section 7.07 hereof. If the Borrower and Loan Parties elect, pursuant to Section 7.07 hereof, not to fully rebuild, reconstruct and otherwise restore the applicable Borrowing Base Property with such Net Cash Proceeds, such Net Cash Proceeds will, following the sixty (60) day decision period provided the Borrower in such Section 7.07 or upon the written direction of the Borrower, be applied to the Obligations in the manner described in subsection (vi) below except to the extent that (A) such prepayment would be in an amount that would necessarily result in a paydown of the principal balance of the Term Loans (assuming the Borrower's election to cause such proceeds to be first applied to the Revolving Loans and the Cash Collateralization of the L/C Obligations); (B) the Borrower delivers to the Administrative Agent, prior to the end of such sixty (60) day period and prior to its delivery of any written direction for application of the funds against the Obligations, a request for the re-appraisal of such Borrowing Base Property (which such appraisal shall constitute an appraisal obtained in connection with a casualty or condemnation event pursuant to Section 7.12 hereof) and return of any Net Cash

Proceeds held by the Administrative Agent which would otherwise necessarily be used for the prepayment of the Term Loans; (C) there exists, at the time of the Borrower's written request and upon receipt of such new appraisal, no Default or Event of Default hereunder; (D) the Borrowing Base, once calculated taking into account such new appraisal, is sufficient to cover the Total Facility Outstandings as of the date on which such new appraisal is obtained. If Borrower provides a request pursuant to item (B) above, the Net Cash Proceeds held in escrow by the Administrative Agent (1) shall, upon the receipt of the Borrower's request pursuant to item (B) above, be applied, to the extent possible, to the outstanding Swing Line Loans and Revolving Loans and to the Cash Collateralization of the L/C Obligations; and (2) if items (A) — (D) are fully satisfied, the excess proceeds remaining after application to the Revolving Loans and to the Cash Collateralization of the L/C Obligations shall be returned to the Borrower. To the extent the Borrower delivers a request pursuant to item (B) above and the new appraisal obtained shows that the Borrowing Base is not sufficient to cover the Total Facility Outstandings, the remaining amount held by the Administrative Agent in escrow shall be immediately applied to the Obligations in accordance with subclause (vi) below. The parties hereto each acknowledge and agree that the funds held by the Administrative Agent in escrow shall, at all times prior to application to the Obligations or return to the Borrower, be subject to a first priority security interest in favor of the Administrative Agent for the benefit of the Secured Parties.

(vi) Application of Mandatory Prepayments. All amounts required to be paid pursuant to this Section 2.05(b) shall be applied as follows:

(A) with respect to all amounts prepaid pursuant to Section 2.05(b)(i), to Swing Line Loans and Revolving Loans and (after all Revolving Loans and Swing Line Loans have been repaid) to Cash Collateralize L/C Obligations;

(B) with respect to all amounts prepaid pursuant to Section 2.05(b)(ii), to Term Loans; and

(C) with respect to all amounts prepaid pursuant to Sections 2.05(b)(iii), (iv) or (v), to Term Loans, Revolving Loans or Swing Line Loans (at the option and written direction of the Borrower delivered concurrently with such prepayment) and (after all Term Loans, Revolving Loans and Swing Line Loans have been repaid) to Cash Collateralize L/C Obligations; provided, that to the extent no direction is given by Borrower with respect to the application of any such prepayments, such prepayments shall be applied first, to the Swing Line Loans, second, to the Revolving Loans and, third, to the Term Loans.

Within the parameters of the applications set forth above, prepayments shall be applied first to Base Rate Loans and then to Eurodollar Rate Loans in direct order of Interest Period maturities. All prepayments under this Section 2.05(b) shall be subject to Section 3.05, but otherwise without premium or penalty, and shall be accompanied by interest on the principal amount prepaid through the date of prepayment.

(vii) Prepayment Account. If the Borrower is required to make a mandatory prepayment of Eurodollar Rate Loans under this Section 2.05(b), the Borrower shall have the right, in lieu of making such prepayment in full, to deposit an amount equal to such mandatory prepayment with the Administrative Agent in a cash collateral account maintained (pursuant to documentation reasonably satisfactory to the Administrative Agent) by and in the sole dominion and control of the Administrative Agent. Any amounts so deposited shall be held by the Administrative Agent as collateral for the prepayment of such Eurodollar Rate Loans and shall be applied to the prepayment of the applicable Eurodollar Rate Loans at the end of the current Interest Periods applicable thereto. At the request of the Borrower, amounts so deposited shall be invested by the Administrative Agent in Cash Equivalents maturing prior to the date or dates on which it is anticipated that such amounts will be applied to prepay such Eurodollar Rate Loans; any interest earned on such Cash Equivalents will be for the account of the Borrower and the Borrower will deposit with the Administrative Agent the amount of any loss on any such Cash Equivalents to the extent necessary in order that the amount of the prepayment to be made with the deposited amounts may not be reduced.

(viii) Availability. Without limiting the provisions contained in Section 2.05(b)(iv) relating to the reduction of the percentages used in determining the Borrowing Base, prepayments of the Revolving

Loans or Swing Line Loans made pursuant to this Section 2.05(b) shall not be deemed to permanently reduce the Revolving Commitments.

2.06 Termination, Reduction or Increase of Commitments.

(a) Voluntary and Mandatory Reductions.

(i) The Borrower may, upon notice to the Administrative Agent, terminate the Aggregate Revolving Commitments or the remaining Aggregate TL Commitments, or from time to time permanently reduce the Aggregate Revolving Commitments or Aggregate TL Commitments; provided that (i) any such notice shall be received by the Administrative Agent not later than 11:00 a.m. five Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of \$10,000,000 or any whole multiple of \$1,000,000 in excess thereof, (iii) the Borrower shall not terminate or reduce the Aggregate Revolving Commitments or Aggregate TL Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, (A) with respect to the termination or reduction of any of the Aggregate Revolving Commitments, the Total Revolving Outstandings would exceed the Aggregate Revolving Commitments, or (B) with respect to any Commitment reduction or termination, the Total Facility Outstandings would exceed the Borrowing Base, and (iv) if, after giving effect to any reduction of the Aggregate Revolving Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit exceeds the amount of the Aggregate Revolving Commitments, such Sublimit shall be automatically reduced by the amount of such excess.

(ii) The Aggregate Revolving Commitments shall automatically be reduced to zero (\$0) upon the termination or expiration of the Availability Period.

(b) Voluntary Increases. Following the Closing Date, the Aggregate Revolving Commitments or the Aggregate TL Commitments may, at the option of the Borrower, be increased by an aggregate amount of up to \$400,000,000.00 (with the total amount of such increase (up to a total of \$400,000,000.00 across the Aggregate Revolving Commitments and Aggregate TL Commitments) and the allocation of such increase between the Aggregate Revolving Commitments and Aggregate TL Commitments to be at the option of the Borrower; provided, however, that notwithstanding the foregoing, the amount of any requested increase under this clause (b) shall be equal to or in excess of \$10,000,000 or \$500,000 increments in excess thereof) if:

(i) to the extent it desires to increase one or both of the Aggregate Revolving Commitments or the Aggregate TL Commitments, the Borrower, on or before the date occurring one year prior to the Maturity Date, shall request such increase in writing to the Administrative Agent and shall specify therein its desired allocation of such increase between the Aggregate Revolving Commitments and Aggregate TL Commitments;

(ii) BAS is able, within ninety (90) days of receiving an increase request pursuant to subclause (i) above, to syndicate the amount of such increase (A) to one or more Lenders or one or more financial institutions qualifying as an Eligible Assignee and otherwise acceptable to the Borrower, Administrative Agent and BAS and (B) in a manner otherwise in accordance with the terms and conditions set forth in the Fee Letter; provided, that the Borrower shall pay all fees, costs and expenses due and owing pursuant to the terms of the Fee Letter regardless of whether BAS is able to syndicate the amount of the requested increase;

(iii) such increase does not increase the amount of the Revolving Commitment or Term Loan Commitment of any Lender without the written consent of such Lender;

(iv) the Borrower executes a signature page to this Agreement and/or new Notes reflecting the increase in the Aggregate Revolving Commitments and/or Aggregate TL Commitments (in each case, to the extent requested by the Administrative Agent or any Lender in connection with the documentation of such increase) and executes such other amendments to the Loan Documents as are reasonably deemed necessary by the Administrative Agent;

(v) no Default or Event of Default exists as of the date of such request or as of the date on which such increase is to occur;

(vi) the Borrower pays to BAS (or such other parties entitled thereto) all fees required in connection with such increase in the Aggregate Revolving Commitments and/or Aggregate TL Commitments (including those set forth in the Fee Letter and any other fees agreed to between the Borrower and BAS) and all costs and expenses (including attorneys' costs and fees) incurred by the Administrative Agent in documenting or implementing such increase; and

(vii) the Borrowing Base Leverage Ratio as of the date of any increase in the amount of the Aggregate Revolving Commitments and/or the Aggregate TL Commitments under this Section 2.06(b), after giving effect to any new Borrowings as of the date of such increase in such Aggregate Revolving Commitments and/or Aggregate TL Commitments, is not greater than 55.0%.

Notwithstanding anything contained herein to the contrary, the Borrower may make a request for increase (whether with respect to the Aggregate Revolving Commitments, the Aggregate TL Commitments or both) pursuant to this Section 2.06(b) not more than three (3) occasions during the term of this Agreement (with the total increase in the Aggregate Revolving Commitments and Aggregate TL Commitments resulting from such requests subject, in all cases, to the \$400,000,000 limitation and the other terms and conditions set forth above).

Upon the effectiveness of any increase in the Aggregate Revolving Commitments or the Aggregate TL Commitments pursuant to this section, all of the terms and conditions of the Loan Documents shall apply to the such increased amounts as if such amounts were in effect as of the date hereof. Each Lender that may be a party hereto from time to time hereby acknowledges that the Aggregate Revolving Commitments or the Aggregate TL Commitments may be increased pursuant to this Section 2.06(b) regardless of whether such Lender approves such increase or increases its Revolving Commitment or Aggregate TL Commitments hereunder.

(c) General. The Administrative Agent will promptly notify the Lenders of any such notice of termination, reduction or increase of the Aggregate Revolving Commitments or Aggregate TL Commitments (as applicable). Any reduction of the Aggregate Revolving Commitments shall be applied to the Revolving Commitment of each Lender according to its Applicable Percentage and any reduction of the Aggregate TL Commitments shall be applied to the Term Loan Commitment of each Lender according to its Applicable Percentage. All Unused Fees accrued until the effective date of any termination of the Aggregate Revolving Commitments or Aggregate TL Commitments shall be paid on the effective date of such termination. To the extent the Aggregate Revolving Commitments or the Aggregate TL Commitments are increased pursuant to clause (b) above, all Lenders (including both previously-existing and new Lenders) shall receive new Notes reflecting their respective Commitments and new Lenders shall, to the extent necessary to cause the outstanding principal amount of the Obligations allocable to each Lender to equal each such Lender's Applicable Percentage, fund Term Loans or Revolving Loans (as applicable) directly to the other Lenders, as directed by the Administrative Agent. The Loan Parties hereby agree to execute and deliver any new Notes required pursuant to this Section 2.05 to evidence the Loans made by the Lenders and acknowledge, consent and agree to the funding by any new Lenders of Term Loans or Revolving Loans pursuant to the previous sentence for the purpose of causing the Outstanding Amount thereof to equal each Lender's Applicable Percentage.

2.07 Repayment of Loans.

(a) Revolving Loans. The Borrower shall repay to the Lenders on the Maturity Date the aggregate principal amount of Revolving Loans outstanding on such date.

(b) Term Loans. The Borrower shall repay to the Lenders on the Maturity Date the aggregate principal amount of the Term Loans outstanding on such date.

(c) Swing Line Loans. The Borrower shall repay each Swing Line Loan on the earlier to occur of (i) the date fifteen (15) Business Days after such Swing Line Loan is made and (ii) the Maturity Date.

2.08 Interest.

(a) Subject to the provisions of subsection (b) below, (i) each Eurodollar Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurodollar Rate

for such Interest Period plus the Applicable Margin; (ii) each Base Rate Loan and each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Margin.

(b) (i) If any amount of principal of any Loan is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(ii) If any amount (other than principal of any Loan) payable by the Borrower under any Loan Document is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, then, unless otherwise agreed to by the Required Lenders, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(iii) Upon the request of the Required Lenders, while any Event of Default (other than an Event of Default predicated on the failure of the Borrower to pay amounts due under the Loan Documents, as addressed in subclauses (i) and (ii) above) exists, the Borrower shall pay interest on the principal amount of all outstanding Obligations hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(iv) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.09 Fees.

In addition to certain fees described in subsections (i) and (j) of Section 2.03:

(a) Revolver Unused Fees. The Borrower shall, for each day during the term of this Agreement on which there exist any Revolving Commitments, pay to the Administrative Agent for the account of each Lender holding a Revolving Commitment (in accordance with such Lender's Applicable Percentage thereof), an unused fee (the "Revolver Unused Fee") equal to the Unused Rate times the actual daily amount by which the Aggregate Revolving Commitments exceed the Total Revolver Outstandings (less the amount of any outstanding Swing Line Loans) as of such date. The Revolver Unused Fee shall accrue at all times during the term of this Agreement on which there exist any Revolving Commitments, including at any time during which one or more of the conditions in Article V is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing on September 30, 2008 (with such initial payment to include such fees commencing from the Closing Date), and on the Maturity Date. The Revolver Unused Fee shall be calculated quarterly in arrears, based on the applicable daily Unused Rates during each day of such quarter.

(b) Term Loan Unused Fees. The Borrower shall, for each day during the term of this Agreement on which there exist any Aggregate TL Commitments, pay to the Administrative Agent for the account of each Lender holding a Term Loan Commitment (in accordance with such Lender's Applicable Percentage thereof), an unused fee (the "TL Unused Fee") equal to the Unused Rate times the actual daily amount of the Aggregate TL Commitments as of such date. The TL Unused Fee shall accrue at all times during the term of this Agreement on which there exist any Term Loan Commitments, including at any time during which one or more of the conditions in Article V is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing on September 30, 2008 (with such initial payment to include such fees commencing from the Closing Date), and on the Maturity Date. The TL Unused Fee shall be calculated quarterly in arrears, based on the daily Unused Rate during each day of such quarter.

(c) Other Fees. The Borrower shall pay to BAS and the Administrative Agent for their own respective accounts fees in the amounts and at the times specified in the Fee Letter (without duplication of fees otherwise referenced herein). Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

2.10 Computation of Interest and Fees; Retroactive Adjustment of Applicable Margin .

(a) All computations of interest for Base Rate Loans when the Base Rate is determined by Bank of America's "prime rate" shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(b) [Intentionally omitted].

2.11 Evidence of Debt.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a promissory note which shall evidence such Lender's Loans in addition to such accounts or records. Each such promissory note shall (i) in the case of Revolving Loans, be in the form of Exhibit D-1 (a "Revolving Note"), and (ii) in the case of the Term Loan, be in the form of Exhibit D-2 (a "Term Note"). Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in subsection (a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

2.12 Payments Generally; Administrative Agent's Clawback .

(a) General. All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in immediately available funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) Fundings and Payments; Presumptions by Administrative Agent .

(i) Funding by Lenders. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Committed Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Committed Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Committed Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation and (B) in the case of a payment to be made by the Borrower, the interest rate applicable to Base Rate Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Committed Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Committed Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrower. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the L/C Issuer hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the L/C Issuer, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the L/C Issuer, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or the L/C Issuer, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article V are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Committed Loans and to fund participations in Letters of Credit and Swing Line Loans and to make payments pursuant to Section 11.04(c) are several and not joint. The failure of any Lender to make any Committed Loan, to fund any such participation or to make any payment under Section 11.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Committed Loan, purchase its participation or make its payment pursuant to Section 11.04(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

2.13 Sharing of Payments by Lenders.

If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Committed Loans made by it, or the participations in L/C Obligations or in Swing Line Loans held by it resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Committed Loans or participations and accrued interest thereon greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and subparticipations in L/C Obligations and Swing Line Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Committed Loans and other amounts owing them, provided that:

(i) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section shall not be construed to apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Committed Loans or subparticipations in L/C Obligations or Swing Line Loans to any assignee or participant, other than to the Borrower or any Subsidiary thereof (as to which the provisions of this Section shall apply).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation.

ARTICLE III TAXES, YIELD PROTECTION AND ILLEGALITY

3.01 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower hereunder or under any other Loan Document shall be made free and clear of and without reduction or withholding for any Indemnified Taxes or Other Taxes, provided that if the Borrower shall be required by applicable law to deduct any Indemnified Taxes (including any Other Taxes) from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent, Lender or L/C Issuer, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions and (iii) the Borrower shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) Payment of Other Taxes by the Borrower. Without limiting the provisions of subsection (a) above, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Indemnification by the Borrower. The Borrower shall indemnify the Administrative Agent, each Lender and the L/C Issuer, within 10 days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable

under this Section) paid by the Administrative Agent, such Lender or the L/C Issuer, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender or the L/C Issuer (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender or the L/C Issuer, shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders. Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the Borrower is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

Without limiting the generality of the foregoing, in the event that the Borrower is resident for tax purposes in the United States, any Foreign Lender shall deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

(i) duly completed copies of Internal Revenue Service Form W-8BEN claiming eligibility for benefits of an income tax treaty to which the United States is a party,

(ii) duly completed copies of Internal Revenue Service Form W-8ECI,

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not (A) a "bank" within the meaning of section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in section 881(c)(3)(C) of the Code and (y) duly completed copies of Internal Revenue Service Form W-8BEN, or

(iv) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States Federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower to determine the withholding or deduction required to be made.

(f) Treatment of Certain Refunds. If the Administrative Agent, any Lender or the L/C Issuer determines, in its sole discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section, it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent, such Lender or the L/C Issuer, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Borrower, upon the request of the Administrative Agent, such Lender

or the L/C Issuer, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent, such Lender or the L/C Issuer in the event the Administrative Agent, such Lender or the L/C Issuer is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require the Administrative Agent, any Lender or the L/C Issuer to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person.

3.02 Illegality.

If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurodollar Rate Loans, or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Base Rate Loans to Eurodollar Rate Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

3.03 Inability to Determine Rates.

If the Required Lenders determine that for any reason in connection with any request for a Eurodollar Rate Loan or a conversion to or continuation thereof that (a) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan, (b) adequate and reasonable means do not exist for determining the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan, or (c) the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

3.04 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement contemplated by Section 3.04(e)) or the L/C Issuer;

(ii) subject any Lender or the L/C Issuer to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any Eurodollar Loan made by it, or change the basis of taxation of payments to such Lender or the L/C Issuer in respect thereof (except for Indemnified Taxes or Other Taxes covered by Section 3.01 and the imposition of, or any change in the rate of, any Excluded Tax payable by such Lender or the L/C Issuer); or

(iii) impose on any Lender or the L/C Issuer or the London interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Loan (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender or the L/C Issuer of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or the L/C Issuer hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or the L/C Issuer, the Borrower will pay to such Lender or the L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or the L/C Issuer, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or the L/C Issuer determines that any Change in Law affecting such Lender or the L/C Issuer or any Lending Office of such Lender or such Lender's or the L/C Issuer's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's or the L/C Issuer's capital or on the capital of such Lender's or the L/C Issuer's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by the L/C Issuer, to a level below that which such Lender or the L/C Issuer or such Lender's or the L/C Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or the L/C Issuer's policies and the policies of such Lender's or the L/C Issuer's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender or the L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or the L/C Issuer or such Lender's or the L/C Issuer's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or the L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or the L/C Issuer or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender or the L/C Issuer, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or the L/C Issuer to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of such Lender's or the L/C Issuer's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender or the L/C Issuer pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender or the L/C Issuer, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the L/C Issuer's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Reserves on Eurodollar Rate Loans. The Borrower shall pay to each Lender, as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as "Eurocurrency liabilities"), additional interest on the unpaid principal amount of each Eurodollar Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive), which shall be due and payable on each date on which interest is payable on such Loan, provided the Borrower shall have received at least 10 days' prior notice (with a copy to the Administrative Agent) of such additional interest from such Lender. If a Lender fails to give notice 10 days prior to the relevant Interest Payment Date, such additional interest shall be due and payable 10 days from receipt of such notice.

3.05 Compensation for Losses.

Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

- (a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);
- (b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Borrower; or
- (c) any assignment or other termination of a Eurodollar Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 11.13 or in connection with Section 2.06(b);

including any loss of anticipated profits and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. The Borrower shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each Eurodollar Rate Loan made by it at the Eurodollar Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Eurodollar Rate Loan was in fact so funded.

3.06 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, the Borrower may replace such Lender in accordance with Section 11.13.

3.07 Survival.

All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Revolving Commitments and repayment of all other Obligations hereunder.

ARTICLE IV GUARANTY

4.01 The Guaranty.

Each of the Guarantors hereby jointly and severally guarantees to each Lender, each Affiliate of a Lender that enters into a Swap Contract, and the Administrative Agent as hereinafter provided, as primary obligor and not as surety, the prompt payment of the Obligations in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) strictly in accordance with the terms thereof. The Guarantors hereby further agree that if any of the Obligations are not paid in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise), the Guarantors will, jointly and severally, promptly pay the same, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Obligations, the same will be promptly paid in full when due (whether at extended maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) in accordance with the terms of such extension or renewal.

Notwithstanding any provision to the contrary contained herein or in any other of the Loan Documents or Swap Contracts, the obligations of each Guarantor under this Agreement and the other Loan Documents shall be limited to an aggregate amount equal to the largest amount that would not render such obligations subject to avoidance under the Debtor Relief Laws, any comparable provisions of any applicable state Law or any applicable corporate or other organizational Laws relating to the ability of an entity to approve and authorize Guarantees or Indebtedness (or the effectiveness of any such approval or authorization) in excess of an amount that would render such entity insolvent or such other amount as may be established by such Law.

4.02 Obligations Unconditional.

The obligations of the Guarantors under Section 4.01 are joint and several, absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of any of the Loan Documents or Swap Contracts, or any other agreement or instrument referred to therein, or any substitution, release, impairment or exchange of any other guarantee of or security for any of the Obligations, and, to the fullest extent permitted by applicable law, irrespective of any other circumstance whatsoever which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 4.02 that the obligations of the Guarantors hereunder shall be absolute and unconditional under any and all circumstances. Each Guarantor agrees that such Guarantor shall have no right of subrogation, indemnity, reimbursement or contribution against the Borrower or any other Guarantor for amounts paid under this Article IV until such time as the Obligations have been Fully Satisfied. Without limiting the generality of the foregoing, it is agreed that, to the fullest extent permitted by law, the occurrence of any one or more of the following shall not alter or impair the liability of any Guarantor hereunder which shall remain absolute and unconditional as described above:

- (a) at any time or from time to time, without notice to any Guarantor, the time for any performance of or compliance with any of the Obligations shall be extended, or such performance or compliance shall be waived;
- (b) any of the acts mentioned in any of the provisions of any of the Loan Documents, any Swap Contract between any Consolidated Party and any Lender, or any Affiliate of a Lender, or any other agreement or instrument referred to in the Loan Documents or such Swap Contracts shall be done or omitted;
- (c) the maturity of any of the Obligations shall be accelerated, or any of the Obligations shall be modified, supplemented or amended in any respect, or any right under any of the Loan Documents, any Swap Contract between any Consolidated Party and any Lender, or any Affiliate of a Lender, or any other agreement or instrument referred to in the Loan Documents or such Swap Contracts shall be waived or any other guarantee of any of the Obligations or any security therefor shall be released, impaired or exchanged in whole or in part or otherwise dealt with;
- (d) any Lien granted to, or in favor of, the Administrative Agent or any Lender or Lenders as security for any of the Obligations shall fail to attach or be perfected; or

(e) any of the Obligations shall be determined to be void or voidable (including, without limitation, for the benefit of any creditor of any Guarantor) or shall be subordinated to the claims of any Person (including, without limitation, any creditor of any Guarantor).

With respect to its obligations hereunder, each Guarantor hereby expressly waives diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that the Administrative Agent or any Lender exhaust any right, power or remedy or proceed against any Person under any of the Loan Documents, any Swap Contract between any Consolidated Party and any Lender, or any Affiliate of a Lender, or any other agreement or instrument referred to in the Loan Documents or such Swap Contracts, or against any other Person under any other guarantee of, or security for, any of the Obligations.

4.03 Reinstatement.

The obligations of the Guarantors under this Article IV shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Person in respect of the Obligations is rescinded or must be otherwise restored by any holder of any of the Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise, and each Guarantor agrees that it will indemnify the Administrative Agent and each Lender on demand for all reasonable costs and expenses (including, without limitation, fees and expenses of counsel) incurred by the Administrative Agent or such Lender in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any bankruptcy, insolvency or similar law.

4.04 Certain Additional Waivers.

Each Guarantor agrees that such Guarantor shall have no right of recourse to security for the Obligations, except through the exercise of rights of subrogation pursuant to Section 4.02 and through the exercise of rights of contribution pursuant to Section 4.06.

4.05 Remedies.

The Guarantors agree that, to the fullest extent permitted by law, as between the Guarantors, on the one hand, and the Administrative Agent and the Lenders, on the other hand, the Obligations may be declared to be forthwith due and payable as provided in Section 9.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in said Section 9.02) for purposes of Section 4.01 notwithstanding any stay, injunction or other prohibition preventing such declaration (or preventing the Obligations from becoming automatically due and payable) as against any other Person and that, in the event of such declaration (or the Obligations being deemed to have become automatically due and payable), the Obligations (whether or not due and payable by any other Person) shall forthwith become due and payable by the Guarantors for purposes of Section 4.01. The Guarantors acknowledge and agree that their obligations hereunder are secured in accordance with the terms of the Collateral Documents and that the Lenders may exercise their remedies thereunder in accordance with the terms thereof.

4.06 Rights of Contribution.

The Guarantors hereby agree as among themselves that, in connection with payments made hereunder, each Guarantor shall have a right of contribution from each other Guarantor in accordance with applicable Law. Such contribution rights shall be subordinate and subject in right of payment to the Obligations until such time as the Obligations have been Fully Satisfied, and none of the Guarantors shall exercise any such contribution rights until the Obligations have been Fully Satisfied.

4.07 Guarantee of Payment; Continuing Guarantee.

The guarantee in this Article IV is a guaranty of payment and not of collection, is a continuing guarantee, and shall apply to all Obligations whenever arising.

ARTICLE V
CONDITIONS PRECEDENT TO CREDIT EXTENSIONS

5.01 Conditions of Closing Date and Initial Credit Extension.

The occurrence of the Closing Date, the effectiveness of this Agreement and the obligation of the L/C Issuer and each Lender to make its initial Credit Extension hereunder is subject to satisfaction of the following conditions precedent:

(a) Loan Documents, Organization Documents, Etc. The Administrative Agent's receipt of the following, each of which shall be originals or telecopies (followed promptly by originals) unless otherwise specified, each properly executed by a Responsible Officer of the signing Loan Party, each dated the Closing Date (or, in the case of certificates of governmental officials, a recent date before the Closing Date) or such other date as specified herein and each in form and substance satisfactory to the Administrative Agent and each of the Lenders:

(i) executed counterparts of this Agreement and the other Loan Documents (provided, that with respect to the Mortgage Instruments, the originals thereof and the amendments executed in connection with this Agreement shall have been delivered to title agents or other parties acceptable to the Administrative Agent for recording in the land records of the applicable jurisdictions in which the Borrowing Base Properties are located (or, if acceptable to the Administrative Agent, shall have been executed, delivered and recorded in such jurisdictions in connection with the closing related to the Existing Credit Agreement) and the Administrative Agent shall have received fully executed copies of same);

(ii) Notes executed by the Borrower in favor of each Lender requesting same;

(iii) copies of the Organization Documents of each Loan Party certified to be true and complete as of a recent date by the appropriate Governmental Authority of the state or other jurisdiction of its incorporation or organization, where applicable, and certified by a secretary or assistant secretary of such Loan Party to be true and correct as of the Closing Date;

(iv) such certificates of resolutions or other action, incumbency certificates and/or other certificates of Responsible Officers of each Loan Party as the Administrative Agent may require evidencing the identity, authority and capacity of each Responsible Officer thereof authorized to act as a Responsible Officer in connection with this Agreement and the other Loan Documents to which such Loan Party is a party; and

(v) such documents and certifications as the Administrative Agent may reasonably require to evidence that each Loan Party is duly organized or formed, and is validly existing, in good standing and qualified to engage in business in (A) the jurisdiction of its incorporation or organization and (B) each jurisdiction where its ownership, lease or operation of properties or the conduct of its business requires such qualification, except to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect.

(b) Opinions of Counsel. The Administrative Agent shall have received, in each case dated as of the Closing Date and in form and substance reasonably satisfactory to the Administrative Agent:

(i) a legal opinion of Bass, Berry & Sims, PLC, general counsel for the Loan Parties;

(b) If any loss occurs at any time when any applicable Loan Party has failed to perform any of the covenants and agreements set forth in this Section 7.07 with respect to any insurance payable because of loss sustained to any part of the Borrowing Base Properties or the Property related thereto, whether or not such insurance is required by Administrative Agent, Administrative Agent shall (for the benefit of the Secured Parties) nevertheless be entitled to the benefit of all insurance covering the loss and held by or for any such Loan Party, to the same extent as if it had been made payable to Administrative Agent. Upon any foreclosure hereof or transfer of title to any Borrowing Base Property in extinguishment of the whole or any part of the Obligations, all of the applicable Loan Party's right, title and interest in and to the insurance policies referred to in this Agreement (including unearned premiums) and all proceeds payable thereunder shall thereupon vest in the purchaser at foreclosure or other such transferee, to the extent permissible under such policies. Insurance proceeds from any loss with respect to any Borrowing Base Property (or the Property related thereto) shall also be subject to the following terms and conditions:

(i) Administrative Agent shall (for the benefit of the Secured Parties) have the right (but not the obligation) to make proof of loss for, settle and adjust any claim under, and receive the proceeds of, all insurance for loss of or damage to the Borrowing Base Properties or the Property related thereto regardless of whether or not such insurance policies are required by Administrative Agent, and the expenses incurred by Administrative Agent in the adjustment and collection of insurance proceeds shall be a part of the Obligations and shall be due and payable to Administrative Agent in accordance with Section 11.04 hereof. Administrative Agent shall not be, under any circumstances, liable or responsible for failure to collect or exercise diligence in the collection of any of such proceeds or for the obtaining, maintaining or adequacy of any insurance or for failure to see to the proper application of any amount paid over to any Loan Party.

(ii) To the extent any of the proceeds related to insurance coverage with respect to any of the Borrowing Base Properties or the Property related thereto (the "BBP Insurance Proceeds") are delivered to or otherwise obtained by the Borrower or any other Loan Party and are (A) in the aggregate, in a gross amount in excess of \$50,000,000 (the applicable casualty constituting, in such case, a "Substantial Casualty") or (B) the Borrower and Loan Parties do not intend to use such BBP Insurance Proceeds for the purpose of restoring or rebuilding the applicable Borrowing Base Property or the Property related thereto, such proceeds shall be immediately delivered to the Administrative Agent to be held or applied in

accordance with the provisions of this Section 7.07(b). Prior to any required delivery of BBP Insurance Proceeds by the Loan Parties to the Administrative Agent, such BBP Insurance Proceeds shall be held in escrow by the applicable Loan Party(ies) for the account and benefit of the Administrative Agent and the Secured Parties.

(iii) Any BBP Insurance Proceeds received by Administrative Agent (whether from the applicable insurer or from a Loan Party pursuant to subclause (ii) above) shall, after deduction therefrom of all reasonable expenses actually incurred by Administrative Agent in the collection of the same, including attorneys' fees, be (A) held by the Administrative Agent in escrow in a cash collateral account subject to a first priority security interest in favor of the Administrative Agent (for the benefit of the Secured Parties), to the extent such BBP Insurance Proceeds relate to a Substantial Casualty and the Borrower has elected to fully rebuild, reconstruct and restore the Property pursuant to and in accordance with the terms of this Section 7.07(b); (B) applied by the Administrative Agent to the Obligations in the priority set forth in Section 2.05(b)(vi), to the extent the Borrower has elected not to fully rebuild, reconstruct and restore the Property pursuant to and in accordance with the terms of this Section 7.07(b) (provided, that the Borrower will have a period of sixty (60) days following the delivery of such proceeds to the Administrative Agent in which to deliver written notice to the Administrative Agent stating whether it intends to rebuild, reconstruct and restore the Property or cause such proceeds to be applied to the Obligations and provided, further, that any failure to deliver any such notice shall evidence the Borrower's election to cause such proceeds to be applied to the Obligations in accordance with this subclause (iii)(B)); or (C) delivered to the Borrower or any Loan Party designated by the Borrower for the purpose of financing the rebuilding, reconstruction and restoration of the applicable Property, to the extent such BBP Insurance Proceeds do not relate to a Substantial Casualty and the Borrower has elected to fully rebuild, reconstruct and restore the Property pursuant to and in accordance with the terms of this Section 7.07(b); provided, that if (1) the BBP Insurance Proceeds paid in connection with any given casualty event are in excess of the amount that is spent on the reconstruction, rebuilding or restoration of the applicable Borrowing Base Property, (2) the Borrower requests in writing the return of such funds following the completion of such rebuilding, reconstruction and restoration and (3) there is no then-continuing Default or Event of Default, the Administrative Agent shall return such excess funds to the Borrower. The Borrower and each Loan Party hereby assigns to, and grants Administrative Agent a security interest in, all BBP Insurance Proceeds (prior to application thereof) and to any escrow account established pursuant to the terms of this Section 7.07(b) and in the funds held therein to secure the payment and performance of the Obligations.

(iv) In the event that the Borrower elects to cause the full rebuilding, restoration and reconstruction of any Borrowing Base Property or the Property related thereto following any casualty resulting in BBP Insurance Proceeds, the Borrower and Loan Parties shall (A) if such BBP Insurance Proceeds relate to a Substantial Casualty, (1) certify to the Administrative Agent that, in its good faith judgment, such casualty event is covered by the insurance held by the Borrower or the applicable Loan Party; (2) deliver all information required by the applicable insurer for processing of the applicable claim within thirty (30) days of the occurrence of such event (or, to the extent delivery within such time frame is not reasonably possible, as soon as reasonably practicable following such event); (3) upon receipt of the applicable BBP Insurance Proceeds or, if earlier, upon receipt of the applicable insurer's confirmation of the approved amounts thereof, deliver evidence to the Administrative Agent (in form and substance reasonably acceptable to the Administrative Agent) that there are sufficient funds from such BBP Insurance Proceeds (or prospective BBP Insurance Proceeds) and from cash and Cash Equivalents available to the applicable Loan Party, if needed, to completely restore or repair the applicable Property to its use, value and condition immediately prior to the casualty as well as to maintain compliance with the financial and other covenants set forth herein; and (4) proceed to use commercially reasonable good faith efforts to pursue and resolve such claim with the applicable insurer as expeditiously as is reasonably possible without compromising any material rights of the Borrower or any other Loan Party with respect to such claim; (B) diligently commence to (1) prepare (or cause to be prepared) all plans and specifications with respect to the full rebuilding, reconstruction and restoration of the applicable Property (to the extent necessary in connection with such rebuilding, reconstruction and/or restoration), such plans and specifications to be, in the case of a Substantial Casualty, in all material respects acceptable to the Administrative Agent in its reasonable discretion, and (2) enter into any necessary engineering, architects and construction contracts required to fully complete such rebuilding, reconstruction and restoration on reasonable market-based terms

and conditions; provided that the Borrower shall, in the case of a Substantial Casualty, complete items (1) and (2) of this subclause (iv)(B) within twelve (12) months following the applicable casualty event in a manner that is satisfactory to the Administrative Agent, in its reasonable discretion and shall, within (6) months following the applicable casualty, provide preliminary plans and specifications and a summary budget with respect to the applicable restoration; (C) in the case of any Substantial Casualty, deposit into the escrow account being maintained by the Administrative Agent pursuant to clause (iii) above any amount of cash and Cash Equivalents (in addition to the BBP Insurance Proceeds held therein), which, in the reasonable judgment of Administrative Agent, is necessary and sufficient to fund the full rebuilding, reconstruction and restoration of the applicable Property to its use, value and condition immediately prior to the casualty; provided, that the Administrative Agent shall be entitled, at the expense of the Loan Parties, to consult such professionals as Administrative Agent may deem necessary, in its sole discretion, to determine the total costs of restoring the applicable Property; (D) cause the applicable rebuilding, reconstruction and restoration to be diligently completed in a workmanlike manner under, if necessary for such rebuilding, reconstruction and restoration, the supervision of an architect and/or engineer selected and paid for by the Borrower or the Loan Parties but, in the case of a Substantial Casualty, approved in advance by the Administrative Agent in its reasonable discretion, and, in the case of a Substantial Casualty, by a general contractor who must be acceptable in all material respects to Administrative Agent, in its reasonable discretion and who shall have, if required by the Administrative Agent, obtained (1) payment and performance bonds from a corporate surety reasonably acceptable to Administrative Agent and naming Administrative Agent as dual obligee or (2) such other protections concerning performance of the applicable contractor as may be reasonably satisfactory to the Administrative Agent; and (E) have otherwise complied with any of the terms, conditions or restrictions set forth herein or in any Mortgage Instrument or other Loan Document with respect to the consummation of such rebuilding, reconstruction and restoration. If any of the foregoing conditions are not satisfied, Administrative Agent may, in its sole discretion (subject to the direction of the Required Lenders), apply all BBP Insurance Proceeds held by it to the payment of the Obligations in accordance with the priorities established pursuant to Section 2.05(b)(vi).

(v) With respect to BBP Insurance Proceeds held by the Administrative Agent pursuant to the terms of this Section 7.07(b) in connection with any Substantial Casualty, the Administrative Agent shall, following the satisfaction of the conditions set forth in subclauses (iv)(B)(1) and (2), disburse such BBP Insurance Proceeds to the Borrower or any Loan Party for the payment of invoices related to the rebuilding, reconstruction or restoration of the applicable Property (A) to the extent the Administrative Agent will not incur any liability to any other person as a result of such use or release of such BBP Insurance Proceeds; (B) subject to such holdbacks and other terms, conditions and restrictions as may be in accordance with the construction lending practices of the Administrative Agent and (C) to the extent no Default or Event of Default is then-continuing.

(vi) Notwithstanding anything contained in the foregoing to the contrary, (1) immediately upon the occurrence and during the continuance of any Default, Administrative Agent may cease the distribution of any amounts related to the BBP Insurance Proceeds or otherwise held in the escrow account related thereto until such Default is cured or waived by the Lenders in accordance with the terms hereof; (2) immediately upon the occurrence and during the continuance of any Event of Default, Administrative Agent may apply all BBP Insurance Proceeds and any other sums deposited with Administrative Agent pursuant to the terms of this Section 7.07(b) to the repayment of the Obligations in accordance with the priorities established pursuant to Section 2.05(b)(vi); and (3) Administrative Agent may apply all BBP Insurance Proceeds and any other sums deposited with Administrative Agent pursuant to the terms of this Section 7.07(b) and held by Administrative Agent as of the Maturity Date to the repayment of the Obligations in accordance with the priorities established pursuant to Section 2.05(b)(vi).

The Loan Parties shall at all times comply with the requirements of the insurance policies required hereunder and of the issuers of such policies and of any board of underwriters or similar body as applicable to or affecting the Borrowing Base Properties or the Property related thereto.

(c) The Borrower shall notify Administrative Agent immediately of any threatened or pending proceeding for condemnation affecting any Borrowing Base Property or the Property related thereto or arising out of damage to any Borrowing Base Property or the Property related thereto, and Borrower shall, at Borrower's expense, diligently prosecute any such proceedings. (i) Administrative Agent shall be entitled to receive all sums which may be awarded or become payable to any Loan Party for the condemnation of any Borrowing Base Property or the Property related thereto, or any part thereof, for public or quasi-public use, or by virtue of private sale in lieu thereof (such proceeds constituting the "BBP Condemnation Proceeds"). The applicable Loan Party(ies) shall, promptly upon request of Administrative Agent, execute such additional assignments and other documents as may be necessary from time to time to permit such participation and to enable Administrative Agent to collect and receive any such BBP Condemnation Proceeds. Administrative Agent shall not be, under any circumstances, liable or responsible for failure to collect or to exercise diligence in the collection of any BBP Condemnation Proceeds or for failure to see to the proper application of any amount paid over to any Loan Party. Administrative Agent is hereby authorized, in the name of any applicable Loan Party, to execute and deliver valid acquittances for, and to appeal from, any award, judgment or decree constituting BBP Condemnation Proceeds. Prior to any required delivery of BBP Condemnation Proceeds by the Loan Parties to the Administrative Agent, such BBP Condemnation Proceeds shall be held in escrow by the applicable Loan Party(ies) for the account and benefit of the Administrative Agent and the Secured Parties.

(iii) Any BBP Condemnation Proceeds received by Administrative Agent (whether from the applicable Governmental Authority or from a Loan Party pursuant to subclause (ii) above) shall, after deduction therefrom of all reasonable expenses actually incurred by Administrative Agent in the collection of the same, including attorneys' fees, be (A) held by the Administrative Agent in escrow in a cash collateral account subject to a first priority security interest in favor of the Administrative Agent (for the benefit of the Secured Parties), to the extent such BBP Condemnation Proceeds relate to a Substantial Condemnation and the Borrower has elected to fully rebuild, reconstruct and restore the Property pursuant to and in accordance with the terms of this Section 7.07(c); (B) applied by the Administrative Agent to the Obligations in the priority set forth in Section 2.05(b)(vi), to the extent the Borrower has elected not to fully rebuild, reconstruct and restore the Property pursuant to and in accordance with the terms of this Section 7.07(c) (provided, that the Borrower will have a period of sixty (60) days following the delivery of such proceeds to the Administrative Agent in which to deliver written notice to the Administrative Agent stating whether it intends to rebuild, reconstruct and restore the Property or cause such proceeds to be applied to the Obligations and provided, further, that any failure to deliver any such notice shall evidence the Borrower's election to cause such proceeds to be applied to the Obligations in accordance with this subclause (iii)(B)); or (C) delivered to the Borrower or any Loan Party designated by the Borrower for the purpose of financing the rebuilding, reconstruction and restoration of the applicable Property, to the extent such BBP Condemnation Proceeds do not relate to a Substantial Condemnation and the Borrower has elected to fully rebuild, reconstruct and restore the Property pursuant to and in accordance with the terms of this Section 7.07(c); provided, that if (1) the BBP Condemnation Proceeds paid in connection with any given condemnation event are in excess of the amount that is spent on the reconstruction, rebuilding or

restoration of the applicable Borrowing Base Property, (2) the Borrower requests in writing the return of such funds following the completion of such rebuilding, reconstruction and restoration and (3) there is no then-continuing Default or Event of Default, the Administrative Agent shall return such excess funds to the Borrower. The Borrower and each Loan Party hereby assigns to, and grants Administrative Agent a security interest in, all BBP Condemnation Proceeds (prior to application thereof) and to any escrow account established pursuant to the terms of this Section 7.07(c) and in the funds held therein to secure the payment and performance of the Obligations.

(c) require that the Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof); and

(d) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents;

provided, however, that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code of the United States, the obligation of each Lender to make Loans and any obligation of the L/C Issuer to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

9.03 Application of Funds.

After the acceleration of the Obligations as provided for in Section 9.02(b) (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 9.02), any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including Attorney Costs and amounts payable under Article III) payable to the Administrative Agent in its capacity as such;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans, L/C Borrowings and other Obligations, ratably among the Lenders and the L/C Issuer in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans, L/C Borrowings and Swap Contracts between any Loan Party and any Lender or Affiliate of any Lender and to Cash Collateralize the undrawn amounts of Letters of Credit, ratably among the Lenders and the L/C Issuer in proportion to the respective amounts described in this clause Fourth held by them;

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Borrower or as otherwise required by Law.

Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fourth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above.

that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11.01 and 9.02) or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the L/C Issuer, the Administrative Agent may presume that such condition is satisfactory to such Lender or the L/C Issuer unless the Administrative Agent shall have received notice to the contrary from such Lender or the L/C Issuer prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

10.05 Delegation of Duties.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

10.06 Resignation/Removal of Administrative Agent.

The Administrative Agent may at any time give notice of its resignation to the Lenders, the L/C Issuer and the Borrower. In addition, the Administrative Agent may be removed at the written direction of the Required

Lenders to the extent the Administrative Agent is shown to be grossly negligent in the performance of its material obligations and/or duties hereunder or to have engaged in willful misconduct in the performance of such obligations and/or duties; provided that any such removal of an Administrative Agent shall also constitute its removal as L/C Issuer. Upon receipt of any such notice of resignation or upon any removal of the Administrative Agent by the Required Lenders, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. In the case of a retiring Administrative Agent, if no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may on behalf of the Lenders and the L/C Issuer, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that if the Administrative Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the L/C Issuer under any of the Loan Documents, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and the L/C Issuer directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section. In the case of the removal of an Administrative Agent by the Required Lenders, such removal shall constitute the immediate termination of such Administrative Agent's position hereunder and (1) the removed Administrative Agent shall be immediately discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the L/C Issuer under any of the Loan Documents, the removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and the L/C Issuer directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) or removed Administrative Agent, and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 10.04 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

Any resignation by or removal of an Administrative Agent pursuant to this Section shall also constitute its resignation or removal as L/C Issuer and Swing Line Lender. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer and Swing Line Lender, (b) the retiring or removed L/C Issuer and Swing Line Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (c) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangement satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

10.07 Non-Reliance on Administrative Agent and Other Lenders .

Each Lender and the L/C Issuer acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and the L/C Issuer also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and

information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

10.08 No Other Duties, Etc..

Anything herein to the contrary notwithstanding, none of the Bookrunners, Arrangers, Syndication Agents or Co-Documentation Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or the L/C Issuer hereunder.

10.09 Administrative Agent May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuer and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuer and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuer and the Administrative Agent under Sections 2.03(i) and (j), 2.08 and 11.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the L/C Issuer to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuer, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.08 and 11.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or the L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

10.10 Collateral and Guaranty Matters.

The Lenders and the L/C Issuer irrevocably authorize the Administrative Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon termination of the Aggregate Revolving Commitments and the Aggregate TL Commitments and payment in full of all Obligations (other than contingent indemnification obligations) and the expiration or termination of all Letters of Credit, (ii) that is transferred or to be transferred as part of or in connection with any Disposition permitted hereunder or under any other Loan Document (provided, that in the case of any transfer of a Borrowing Base Property, such transfer shall be accompanied by the prepayment (if any) of the Obligations required pursuant to Section 2.05(b)), or (iii) subject to Section 11.01, if approved, authorized or ratified in writing by the Required Lenders; and

(b) to release, upon the written request of Borrower, any Guarantor from its obligations under the Guaranty if (i) such Person ceases to be a Subsidiary of the Borrower as a result of a transaction permitted hereunder or (ii) such Person (or all of its assets) are otherwise sold, transferred or disposed of by the Borrower or another applicable Loan Party and, after giving effect to such sale, transfer or disposition, (A) Borrower, on a Pro Forma Basis, is in compliance with all financial covenants contained herein (including, without limitation, the covenants set forth in Sections 8.02(f) and 8.11), (B) no Defaults or Events of Default exist as of the date of the requested release and (C) Borrower certifies in writing to the satisfaction of the above-noted conditions.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of Property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 10.11.

ARTICLE XI MISCELLANEOUS

11.01 Amendments, Etc.

No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 9.02) without the written consent of such Lender (it being understood and agreed that a waiver of any condition precedent set forth in Section 5.02 or of any Default or Event of Default or mandatory reduction in the Commitments shall not constitute a change in the terms of any Commitment of any Lender); provided, however, that this clause shall not be deemed to prevent the Required Lenders and Loan Parties from approving (i) any increase in the aggregate Commitments of the Lenders hereunder (to the extent such increase does not increase the Commitment of any individual Lender without such Lender's written consent); and/or (ii) the addition of one or more borrowing tranches to this Agreement and providing for the ratable sharing of the benefits of this Agreement and the other Loan Documents with the other then-outstanding Obligations in respect of the extensions of credit from time to time outstanding under such additional borrowing tranche(s) and the accrued interest and fees in respect thereof; and/or (iii) the inclusion of such lenders under any additional borrowing tranches in the determination of the "Required Lenders" or "Lenders" hereunder and/or consent rights in favor of such Persons under any or all of subsections (b) — (j) of this Section 11.01 corresponding to the consent rights of the other Lenders thereunder;

(b) postpone any date fixed by this Agreement or any other Loan Document for any payment (excluding mandatory prepayments) of principal, interest, fees or other amounts due to the Lenders (or any of them) hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby;

(c) reduce the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest or Letter of Credit Fees at the Default Rate;

(d) change Section 2.12 or Section 9.03 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender;

(e) change any provision of this Section or the definition of “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender;

(f) (i) except as the result of or in connection with a Disposition not prohibited by Section 8.05, release all or substantially all of the Collateral and (ii) except as otherwise provided in Section 10.10, release any Guarantor, in each case, without the written consent of each Lender;

(g) except as the result of or in connection with a dissolution, merger or disposition of a Loan Party not prohibited by Section 8.04 or Section 8.05, release the Borrower or substantially all of the other Loan Parties from its or their obligations under the Loan Documents without the written consent of each Lender;

(h) without the consent of Lenders (other than Defaulting Lenders) holding in the aggregate at least a majority of the Revolving Commitments (or if the Revolving Commitments have been terminated, the outstanding Revolving Loans (and participations in any L/C Obligations)), waive any Default or Event of Default for purposes of the funding of a Revolving Loan under Section 5.02(b);

(i) without the consent of Lenders (other than Defaulting Lenders) holding in the aggregate at least a majority of the Aggregate TL Commitments, waive any Default or Event of Default for purposes of the funding of a Term Loan under Section 5.02(b);

(j) without the consent of each Agent Lender, modify the provisions of Section 8.11(d) or increase the percentage multiplier set forth in the definition of “Borrowing Base”;

(k) without the express written approval of each of the Lenders, permit the addition of any Property to the list set forth on Schedule 1.01(b) or otherwise permit any additional Property to be treated as a “Borrowing Base Property” for purposes of this Agreement; provided, that this provision shall not be deemed to restrict the removal of Properties from Schedule 1.01(b) to the extent otherwise permitted herein; or

(l) without the written consent of (i) Lenders holding a majority of the Revolving Commitments (or if the Revolving Commitments have been terminated, the outstanding Revolving Loans and participations in any L/C Obligations) and (ii) Lenders holding a majority of the outstanding Term Loan (and participations therein), impose any greater restriction on the ability of any Lender to assign any of its rights or obligations hereunder. For purposes of this clause, the aggregate amount of each Lender’s risk participation and funded participation in L/C Obligations shall be deemed to be held by such Lender.

and, provided further, that (i) no amendment, waiver or consent shall, unless in writing and signed by the L/C Issuer in addition to the Lenders required above, affect the rights or duties of the L/C Issuer under this Agreement or any Issuer Document relating to any Letter of Credit issued or to be issued by it (including, without limitation, the priority of any payments, indemnities or reimbursements due to the L/C Issuer hereunder); (ii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document (including, without limitation, the priority of any payments, indemnities or reimbursements due to the Administrative Agent); (iii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, affect the rights or duties of the Swing Line Lender under this Agreement; and (iv) the Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended without the consent of such Lender.

Notwithstanding the fact that the consent of all the Lenders is required in certain circumstances as set forth above, (x) each Lender is entitled to vote as such Lender sees fit on any bankruptcy reorganization plan that affects the Loans, and each Lender acknowledges that the provisions of Section 1126(c) of the Bankruptcy Code supersedes the

unanimous consent provisions set forth herein and (y) the Required Lenders shall determine whether or not to allow a Loan Party to use cash collateral in the context of a bankruptcy or insolvency proceeding and such determination shall be binding on all of the Lenders.

11.02 Notices. Effectiveness of Electronic Communications.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower, the Administrative Agent, the L/C Issuer or the Swing Line Lender, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 11.02; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders and the L/C Issuer hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender or the L/C Issuer pursuant to Article II if such Lender or the L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) Change of Address, Etc. Each of the Borrower, the Administrative Agent, Swing Line Lender and the L/C Issuer may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent, Swing Line Lender and the L/C Issuer. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available

through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(d) Reliance by Administrative Agent, L/C Issuer and Lenders. The Administrative Agent, the L/C Issuer, the Swing Line Lender and the other Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices and Swing Line Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, the L/C Issuer, the Swing Line Lender, each other Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

(e) Delivery of Documents to Lenders. Promptly upon any Lender’s reasonable request, the Administrative Agent shall deliver to such Lender any materials or information delivered by any Loan Party to it in its capacity as Administrative Agent hereunder. In addition, the Administrative Agent shall promptly deliver to the Lenders any notices or other materials received by it indicating the occurrence or continuance of any Default or Event of Default hereunder, in each case, to the extent such notices or materials are clearly marked as a “Notice of Default/Event of Default” or Administrative Agent has actual knowledge that such notices or other materials contain such information.

11.03 No Waiver; Cumulative Remedies.

No failure by any Lender, the L/C Issuer or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

11.04 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Borrower shall pay (without duplication of other amounts required to be paid by Borrower hereunder): (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent and its Affiliates (including the reasonable fees, charges and disbursements of counsel for the Administrative Agent), in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable out-of-pocket expenses incurred by the L/C Issuer in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all out-of-pocket expenses incurred by the Administrative Agent, the L/C Issuer or, during the continuance of an Event of Default, the Lenders (including the fees, charges and disbursements of any counsel for the Administrative Agent, any Lender or the L/C Issuer), and shall pay all fees and time charges for attorneys who may be employees of the Administrative Agent, the L/C Issuer or, during the continuance of any Event of Default, any Lender, in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section, or (B) in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) Indemnification by the Borrower. The Borrower shall indemnify the Administrative Agent (and any sub-agent thereof), each Agent Lender (in their respective agent capacities), each Lender and the L/C Issuer, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee), and shall indemnify and hold harmless each Indemnitee from all fees and time charges and disbursements for attorneys who may be employees of any Indemnitee, incurred by any Indemnitee or asserted against any Indemnitee by any third party or by the Borrower or

any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to the Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party, and regardless of whether any Indemnitee is a party thereto, **IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF THE INDEMNITEE**; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by the Borrower or any other Loan Party against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Borrower or such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction.

(c) Reimbursement by Lenders. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under subsection (a) or (b) of this Section to be paid by it to the Administrative Agent (or any sub-agent thereof), the L/C Issuer or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), the L/C Issuer or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) or the L/C Issuer in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or L/C Issuer in connection with such capacity. The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.12(d).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in subsection (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) Payments. All amounts due under this Section shall be payable not later than ten Business Days after demand therefor.

(f) Survival. The agreements in this Section shall survive the resignation of the Administrative Agent, the L/C Issuer and the Swing Line Lender, the replacement of any Lender, the termination of the Aggregate Revolving Commitments and the repayment, satisfaction or discharge of all the other Obligations.

11.05 Payments Set Aside.

To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent, the L/C Issuer or any Lender, or the Administrative Agent, the L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent,

the L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and the L/C Issuer severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders and the L/C Issuer under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

11.06 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of subsection (b) of this Section, (ii) by way of participation in accordance with the provisions of subsection (d) of this Section, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of subsection (f) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the L/C Issuer and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this subsection (b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Revolving Commitments are not then in effect, the outstanding principal balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$5,000,000 unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (ii) shall not (A) apply to the Swing Line Lender's rights and obligations in respect of Swing Line Loans or (B) prohibit any Lender from assigning all or a portion of its rights and obligations among the Revolving Loan Commitments and Term Loan Commitments on a non-pro rata basis;

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default has occurred and is continuing at the time of such assignment or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of such Lender or an Approved Fund with respect to such Lender;

(C) the consent of the L/C Issuer (such consent not to be unreasonably withheld or delayed) shall be required for any assignment that increases the obligation of the assignee to participate in exposure under one or more Letters of Credit (whether or not then outstanding); and

(D) the consent of the Swing Line Lender (such consent not to be unreasonably withheld or delayed) shall be required for any assignment of a Revolving Commitment.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of \$3,500; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) No Assignment to Borrower. No such assignment shall be made to the Borrower or any of the Borrower's Affiliates or Subsidiaries.

(vi) No Assignment to Natural Persons. No such assignment shall be made to a natural person.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, and 11.04 with respect to facts and circumstances occurring prior to the effective date of such assignment. Upon request, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section.

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swing Line Loans) owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent, the Lenders and the L/C Issuer shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 11.01 that affects such Participant. Subject to subsection (e) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01 or 3.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 3.01 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 3.01(e) as though it were a Lender.

(f) Certain Pledges. Any Lender may, without the consent of, or notice to, the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(h) Intentionally Omitted.

(i) Resignation as L/C Issuer or Swing Line Lender after Assignment. Notwithstanding anything to the contrary contained herein, if at any time Bank of America assigns all of its Revolving Commitment and Revolving Loans pursuant to subsection (b) above, Bank of America may, (i) upon 30 days' notice to the Borrower and the Lenders, resign as L/C Issuer and/or (ii) upon 30 days' notice to the Borrower, resign as Swing Line Lender. In the event of any such resignation as L/C Issuer or Swing Line Lender, the Borrower shall be entitled to appoint from among the Lenders a successor L/C Issuer or Swing Line Lender hereunder; provided, however, that no failure by the Borrower to appoint any such successor shall affect the resignation of Bank of America as L/C Issuer or Swing Line Lender, as the case may be. If Bank of America resigns as L/C Issuer, it shall retain all the rights, powers, privileges and duties of the L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to

Section 2.03(c)). If Bank of America resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c). Upon the appointment of a successor L/C Issuer and/or Swing Line Lender, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swing Line Lender, as the case may be, and (b) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Bank of America to effectively assume the obligations of Bank of America with respect to such Letters of Credit.

11.07 Treatment of Certain Information; Confidentiality.

Each of the Administrative Agent, the Lenders and the L/C Issuer agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) with the consent of the Borrower or (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Lender, the L/C Issuer or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower.

For purposes of this Section, "Information" means all information received from the Borrower or any Subsidiary relating to the Borrower or any Subsidiary or any of their respective businesses, other than any such information that is available to the Administrative Agent, any Lender or the L/C Issuer on a nonconfidential basis prior to disclosure by the Borrower or any Subsidiary, provided that, in the case of information received from the Borrower or any Subsidiary after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

11.08 Set-off.

If an Event of Default shall have occurred and be continuing, each Lender, the L/C Issuer and each of their respective Affiliates is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent (which consent shall only be withheld for the purpose of preventing any triggering of any applicable "single action" laws), to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, the L/C Issuer or any such Affiliate to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender or the L/C Issuer, irrespective of whether or not such Lender or the L/C Issuer shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender or the L/C Issuer different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender, the L/C Issuer and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, the L/C Issuer or their respective Affiliates may have. Each Lender and the L/C Issuer agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application

11.09 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “Maximum Rate”). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

11.10 Counterparts; Integration; Effectiveness.

This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 5.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be effective as delivery of a manually executed counterpart of this Agreement.

11.11 Survival of Representations and Warranties.

All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

11.12 Severability.

If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

11.13 Replacement of Lenders.

If any Lender requests compensation under Section 3.04, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, if any Lender is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.06), all of its interests, rights and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 11.06(b);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and L/C Advances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter; and

(d) such assignment does not conflict with applicable Laws.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

11.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) SUBMISSION TO JURISDICTION. THE BORROWER AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE NONEXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NORTH CAROLINA SITTING IN MECKLENBURG COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE WESTERN DISTRICT OF NORTH CAROLINA AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NORTH CAROLINA STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, ANY LENDER OR THE L/C ISSUER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST THE BORROWER OR ANY OTHER LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. THE BORROWER AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 11.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

11.15 Waiver of Jury Trial

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

11.16 USA PATRIOT Act Notice

Each Lender that is subject to the Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act"), it is required to obtain, verify and record information that identifies such Borrower, which information includes the name and address of such Borrower and other information that will allow such Lender or the Administrative Agent, as applicable, to identify such Borrower in accordance with the Act.

11.17 ENTIRE AGREEMENT

THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT AMONG THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS AMONG THE PARTIES.

11.18 Subordination of Intercompany Debt

Each Loan Party agrees that all intercompany indebtedness among Loan Parties (the "Intercompany Debt") is subordinated in right of payment, to the prior payment in full of all Obligations. Notwithstanding any provision of this Agreement to the contrary, provided that no Event of Default has occurred and is continuing, Loan Parties may make and receive payments with respect to the Intercompany Debt to the extent otherwise permitted by this Agreement; provided, that in the event of and during the continuation of any Event of Default, no payment shall be made by or on behalf of any Loan Party on account of any Intercompany Debt. In the event that any Loan Party receives any payment of any Intercompany Debt at a time when such payment is prohibited by this Section 11.18 hereof, such payment shall be held by such Loan Party, in trust for the benefit of, and shall be paid forthwith over and delivered, upon written request, to, the Administrative Agent.

11.19 No Advisory or Fiduciary Responsibility

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower and each other Loan Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Arranger, and the other Lead Arranger(s) are arm's-length commercial transactions between the Borrower, each other Loan Party and their respective Affiliates, on the one hand, and the Administrative Agent, the Arranger, and the other Lead Arranger(s), on the other hand, (B) each of the Borrower and the other Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower and each other Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, the Arranger, and each other Lead Arranger each is and has been acting solely as a principal and, except as expressly agreed in writing by

the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, any other Loan Party or any of their respective Affiliates, or any other Person and (B) neither the Administrative Agent, the Arranger nor any other Lead Arranger has any obligation to the Borrower, any other Loan Party or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Arranger and the other Lead Arranger(s) and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, the other Loan Parties and their respective Affiliates, and neither the Administrative Agent, the Arranger nor any other Lead Arranger has any obligation to disclose any of such interests to the Borrower, any other Loan Party or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and the other Loan Parties hereby waives and releases any claims that it may have against the Administrative Agent, the Arranger and the other Lead Arranger(s) with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

11.20 Replacement of Existing Credit Agreement.

(a) Each of the parties hereto hereby agrees that (i) the outstanding balance of the obligations under the Existing Credit Agreement remain outstanding and constitute Obligations hereunder and (ii) this Agreement is an amendment and restatement of the Existing Credit Agreement, all documents, instruments or agreements creating security interests or liens in favor of the “Administrative Agent” or “Lenders” as defined in the Existing Credit Agreement and securing the obligations thereunder continue to secure the Obligations under this Agreement and nothing contained herein is intended to represent a novation of any type with respect to the “Obligations” as defined in the Existing Credit Agreement or with respect to any other Indebtedness evidenced by the Existing Credit Agreement or any documents, instruments or agreements executed in connection therewith.

(b) In connection with such amendment and restatement of the Existing Credit Agreement contemplated hereunder, the parties hereto acknowledge and agree that, pursuant to that certain Assignment and Assumption dated on or about the Closing Date (the “Bank of America Assignment”) among MidFirst Bank, a Federally Chartered Savings Association, Emigrant Realty Finance LLC, Bank Midwest, N.A., United Overseas Bank Limited Los Angeles Agency, HSH Nordbank AG, New York Branch, and General Electric Capital Corporation, as assignors (collectively, the “Assigning Lenders”), and Bank of America, N.A., as assignee, each of the Assigning Lenders shall be deemed to have assigned to Bank of America, N.A. immediately prior to the effective date of this Agreement all of (or in the case of MidFirst Bank, a Federally Chartered Savings Association, a portion of) such Assigning Lender’s Commitments and then-outstanding Loans (collectively, such Commitments and then-outstanding Loans may be referred to herein as the “Assigned Interests”), which Assigned Interests are to be subsequently assigned (deemed to be assigned) hereunder by Bank of America, N.A. to, and reallocated among, certain of the Lenders in accordance with the provisions of this Section 11.20. The parties hereto further agree that (i) as of the Closing Date, (x) the Assigned Interests are hereby assigned (or deemed to be assigned) by Bank of America, N.A. to certain of the Lenders, and (y) the Commitments and then-outstanding Loans of each Lender shall be adjusted and reallocated, in each case in a manner acceptable to the Administrative Agent, in its sole discretion, such that the respective Commitments and then-outstanding Loans of each Lender hereunder shall correspond to the Applicable Percentage of such Lender, and (ii) any funds received by the Administrative Agent on or about the Closing Date in connection with this amendment and restatement from the Lenders (including any new Lenders that are not party to the Existing Credit Agreement) may be paid by the Administrative Agent (on behalf of Bank of America, N.A. in consideration for the obligations of Bank of America, N.A. under the Bank of America Assignment) to the Assigning Lenders (which payment shall include the payment in full of the Loans of each such Assigning Lender that no longer maintains any Commitments or Loans hereunder) in such amounts as are necessary to facilitate the assignment and assumption of the Assigned Interests under the Bank of America Assignment and the subsequent assignment, adjustment and reallocation of the Assigned Interests, the Commitments and the Loans as contemplated hereby.

(e) Inventory. No Inventory of such Grantor is held by any Person other than such Grantor pursuant to consignment, sale or return, sale on approval or similar arrangement.

(f) Copyrights, Patents and Trademarks. As of the date hereof, Grantor owns no interest in any Copyrights, Copyright Licenses, Patents, Patent Licenses, Trademarks and Trademark Licenses with respect to the operation, ownership, maintenance, construction, development or marketing of or otherwise in connection with any one or more of the Borrowing Base Properties other than those set forth on Schedule 6.17 of the Credit Agreement and made subject to the security interests arising hereunder.

(g) Commercial Tort Claims. Schedule 2 hereto sets forth each Commercial Tort Claim seeking damages in excess of \$1,000,000 before any Governmental Authority by or in favor of such Grantor.

6. Covenants. Each Grantor covenants that, so long as any of the Secured Obligations remains outstanding and until all of the commitments relating thereto have been terminated, such Grantor shall:

(a) Other Liens. Defend the Collateral against the claims and demands of all other parties claiming an interest therein other than Permitted Liens.

(b) Instruments/Tangible Chattel Paper/Documents. If any amount payable under or in connection with any of the Collateral shall be or become evidenced by any Instrument or Tangible Chattel Paper, or if any property constituting Collateral shall be stored or shipped subject to a Document in each case having a value in excess of \$250,000, (i) ensure that such Instrument, Tangible Chattel Paper or Document is either in the possession of such Grantor at all times or, if requested by the Administrative Agent, is immediately delivered to the Administrative Agent, duly endorsed in a manner satisfactory to the Administrative Agent and (ii) ensure that any Collateral consisting of Tangible Chattel Paper is marked with a legend acceptable to the Administrative Agent indicating the Administrative Agent's security interest in such Tangible Chattel Paper.

To that end, each Grantor authorizes the Administrative Agent to file one or more financing statements (which may describe the collateral as "all assets" or "all personal property") disclosing the Administrative Agent's security interest in any or all of the Collateral of such Grantor without such Grantor's signature thereon, and further each Grantor also hereby irrevocably makes, constitutes and appoints the Administrative Agent, its nominee or any other Person whom the Administrative Agent may designate, as such Grantor's attorney-in-fact with full power and for the limited purpose to sign in the name of

such Grantor any such financing statements (including renewal statements), amendments and supplements, notices or any similar documents that in the Administrative Agent's reasonable discretion would be necessary, appropriate or convenient in order to perfect and maintain perfection of the security interests granted hereunder, such power, being coupled with an interest, being and remaining irrevocable so long as the Secured Obligations remain unpaid and until the commitments relating thereto shall have been terminated. Each Grantor hereby agrees that a carbon, photographic or other reproduction of this Security Agreement or any such financing statement is sufficient for filing as a financing statement by the Administrative Agent without notice thereof to such Grantor wherever the Administrative Agent may in its sole discretion desire to file the same. In the event for any reason the law of any jurisdiction other than New York becomes or is applicable to the Collateral of any Grantor or any part thereof, or to any of the Secured Obligations, such Grantor agrees to execute and deliver all such instruments and to do all such other things as the Administrative Agent in its sole discretion reasonably deems necessary, appropriate or convenient to preserve, protect and enforce the security interests of the Administrative Agent under the law of such other jurisdiction (and, if a Grantor shall fail to do so promptly upon the request of the Administrative Agent, then the Administrative Agent may execute any and all such requested documents on behalf of such Grantor pursuant to the power of attorney granted hereinabove). If any Collateral is in the possession or control of a Grantor's agents and the Administrative Agent so requests, such Grantor agrees to notify such agents in writing of the Administrative Agent's security interest therein and, upon the Administrative Agent's request, instruct them to hold all such Collateral for the account of the holders of the Secured Obligations and subject to the Administrative Agent's instructions. Each Grantor agrees to mark its books and records to reflect the security interest of the Administrative Agent in the Collateral.

Not grant or extend the time for payment of any Account, or compromise or settle any Account for less than the full amount thereof, or release any Person or property, in whole or in part, from payment thereof, or allow any credit or discount thereon, other than as normal and customary in the ordinary course of a Grantor's business or as required by law.

(h) Covenants Relating to Patents and Trademarks.

(i) With respect to each material Trademark of such Grantor, (A) continue to use such Trademark on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force free from any valid claim of abandonment for non-use unless such Grantor determines to abandon any Trademark in its reasonable business judgment, (B) maintain as in the past the quality of products and services offered under any Trademark in use, (C) employ such Trademark with the appropriate notice of registration, except to the

extent that failure to do so could not reasonably be expected to have a Material Adverse Effect, and (D) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any Trademark may become invalidated.

(ii) Not do any act, or omit to do any act, whereby any material Patent may become abandoned or dedicated.

(iii) Notify the Administrative Agent immediately if it knows that any application or registration relating to any material Patent or Trademark may become abandoned or dedicated, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office or any court or tribunal in any country) regarding a Grantor's ownership of any material Patent or Trademark or its right to register the same or to keep and maintain the same.

(iv) Take all commercially reasonable steps, including, without limitation, in any proceeding before the United States Patent and Trademark Office, or any similar office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration) and to maintain each registration of its material Patents and Trademarks, including, without limitation, filing of applications for renewal, affidavits of use and affidavits of incontestability.

(v) Promptly notify the Administrative Agent after it learns that any material Patent or Trademark included in the Collateral is infringed, misappropriated or diluted by a third party and, to the extent such infringement could have a material adverse effect on any business of Grantor or its Subsidiaries or otherwise have a material adverse effect on the value of such Patent or Trademark, promptly sue for infringement, misappropriation or dilution, to seek injunctive relief where appropriate and to recover any and all damages for such infringement, misappropriation or dilution, or to take such other actions as it shall reasonably deem appropriate under the circumstances to protect such Patent or Trademark.

(i) Commercial Tort Claims.

(i) Promptly notify the Administrative Agent in writing of the initiation of any Commercial Tort Claim seeking damages in excess of \$1,000,000 before any Governmental Authority by or in favor of such Grantor.

(ii) Execute and deliver such statements, documents and notices and do and cause to be done all such things as the Administrative Agent may reasonably deem necessary, appropriate or convenient, or as are required by law, to create, perfect and maintain the Administrative Agent's security interest in any Commercial Tort Claim.

7. Advances by Holders of the Secured Obligations. On failure of any Grantor to perform any of the covenants and agreements contained herein, the Administrative Agent may, at its sole option and in its sole discretion, perform the same and in so doing may expend such sums as the Administrative Agent may reasonably deem advisable in the performance thereof including, without limitation, the payment of any insurance premiums, the payment of any taxes, a payment to obtain a release of a Lien or potential Lien, expenditures made in defending against any adverse claim and all other expenditures that the Administrative Agent may make for the protection of the security hereof or that may be compelled to make by operation of law. All such sums and amounts so expended shall be repayable by the Grantors on a joint and several basis (subject to Section 24 hereof) promptly upon timely notice thereof and demand therefor, shall constitute additional Secured Obligations and shall bear interest from the date said amounts are expended at the Default Rate. No such performance of any covenant or agreement by the Administrative Agent on behalf of any Grantor, and no such advance or expenditure therefor, shall relieve the Grantors of any default under the terms of this Security Agreement, the other Loan Documents or any other documents relating to the Secured Obligations. The Administrative Agent may make any payment hereby authorized in accordance with any bill, statement or estimate procured from the appropriate public office or holder of the claim to be discharged without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax assessment, sale, forfeiture, tax lien, title or claim except to the extent such payment is being contested in good faith

by a Grantor in appropriate proceedings and against which adequate reserves are being maintained in accordance with GAAP.

8. Remedies.

(a) General Remedies. Upon the occurrence of an Event of Default and during the continuation thereof, the Administrative Agent and the holders of the Secured Obligations shall have, in addition to the rights and remedies provided herein, in the Loan Documents, in any other documents relating to the Secured Obligations, or by law (including, without limitation, levy of attachment and garnishment), the rights and remedies of a secured party under the UCC of the jurisdiction applicable to the affected Collateral and, further, the Administrative Agent may, with or without judicial process or the aid and assistance of others (to the extent permitted under applicable law), (i) subject to the rights of tenants in possession, enter on any premises on which any of the Collateral may be located and, without resistance or interference by the Grantors, take possession of the Collateral, (ii) dispose of any Collateral on any such premises, (iii) require the Grantors to assemble and make available to the Administrative Agent at the expense of the Grantors any Collateral at any place and time designated by the Administrative Agent that is reasonably convenient to both parties, (iv) remove any Collateral from any such premises for the purpose of effecting sale or other disposition thereof, and/or (v) except as provided below in the case of notice required by law, without demand and without advertisement, notice or hearing, all of which each of the Grantors hereby waives to the fullest extent permitted by law, at any place and time or times, sell and deliver any or all Collateral held by or for it at public or private sale, by one or more contracts, in one or more parcels, for cash, upon credit or otherwise, at such prices and upon such terms as the Administrative Agent deems advisable, in its sole discretion (subject to any and all mandatory legal requirements). Each of the Grantors acknowledges that any private sale referenced above may be at prices and on terms less favorable to the seller than the prices and terms that might have been obtained at a public sale and agrees (to the extent permitted by applicable law) that such private sale shall be deemed to have been made in a commercially reasonable manner. Neither the Administrative Agent's compliance with applicable law nor its disclaimer of warranties relating to the Collateral shall be considered to adversely affect the commercial reasonableness of any sale. In addition to all other sums due the Administrative Agent and the holders of the Secured Obligations with respect to the Secured Obligations, the Grantors shall pay the Administrative Agent and each of the holders of the Secured Obligations all reasonable documented costs and expenses actually incurred by the Administrative Agent or any such holder of the Secured Obligations, including, but not limited to, reasonable attorneys' fees and court costs, in obtaining or liquidating the Collateral, in enforcing payment of the Secured Obligations, or in the prosecution or defense of any action or proceeding by or against the Administrative Agent or the holders of the Secured Obligations or the Grantors concerning any matter arising out of or connected with this Security Agreement, any Collateral or the Secured Obligations, including, without limitation, any of the foregoing arising in, arising under or related to a case under the Bankruptcy Code. The Administrative Agent and the holders of the Secured Obligations shall not be obligated to make any sale or other disposition of the Collateral regardless of notice having been given. To the extent permitted by applicable law, any holder of the Secured Obligations may be a purchaser at any such sale. To the extent permitted by applicable law, each of the Grantors hereby waives all of its rights of redemption with respect to any such sale. Subject to the provisions of applicable law, the Administrative Agent and the holders of the Secured Obligations may postpone or cause the postponement of the sale of all or any portion of the Collateral by announcement at the time and place of such sale, and such sale may, without further notice, to the extent permitted by applicable law, be made at the time and place to which the sale was postponed, or the Administrative Agent and the holders of the Secured Obligations may further postpone such sale by announcement made at such time and place.

(b) Remedies Relating to Accounts. Upon the occurrence of an Event of Default and during the continuation thereof, whether or not the Administrative Agent has exercised any or all of its rights and remedies hereunder, (i) each Grantor will promptly upon request of the Administrative Agent instruct all account debtors to remit all payments in respect of Accounts to a mailing location selected by the Administrative Agent and (ii) the Administrative Agent shall have the right to enforce any Grantor's rights against its customers and account debtors, and the Administrative Agent or its designee may notify any Grantor's customers and account debtors that the Accounts of such Grantor have been assigned to the Administrative Agent or of the Administrative Agent's security

interest therein, and may (either in its own name or in the name of a Grantor or both) demand, collect (including without limitation by way of a lockbox arrangement), receive, take receipt for, sell, sue for, compound, settle, compromise and give acquittance for any and all amounts due or to become due on any Account, and, in the Administrative Agent's discretion, file any claim or take any other action or proceeding to protect and realize upon the security interest of the holders of the Secured Obligations in the Accounts. Each Grantor acknowledges and agrees that the Proceeds of its Accounts remitted to or on behalf of the Administrative Agent in accordance with the provisions hereof shall be solely for the Administrative Agent's own convenience and that such Grantor shall not have any right, title or interest in such Accounts or in any such other amounts except as expressly provided herein. The Administrative Agent and the holders of the Secured Obligations shall have no liability or responsibility to any Grantor for acceptance of a check, draft or other order for payment of money bearing the legend "payment in full" or words of similar import or any other restrictive legend or endorsement or be responsible for determining the correctness of any remittance. Each Grantor hereby agrees to indemnify the Administrative Agent and the holders of the Secured Obligations from and against all liabilities, damages, losses, actions, claims, judgments, costs, expenses, charges and reasonable attorneys' fees suffered or incurred by the Administrative Agent or the holders of the Secured Obligations (each, an "Indemnified Party") because of the maintenance of the foregoing arrangements except as relating to or arising out of the gross negligence or willful misconduct of an Indemnified Party or its officers, employees or agents. In the case of any investigation, litigation or other proceeding, the foregoing indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by a Grantor, its directors, shareholders or creditors or an Indemnified Party or any other Person or any other Indemnified Party is otherwise a party thereto.

In addition, the Administrative Agent may remove Collateral, or any part thereof, from such premises and/or any records with respect thereto, in order to effectively collect or liquidate such Collateral.

Failure by the Administrative Agent or the holders of the Secured Obligations to exercise any right, remedy or option under this Security Agreement, any other Loan Document, any other documents relating to the Secured Obligations, or as provided by law, or any delay by the Administrative Agent or the holders of the Secured Obligations in exercising the same, shall not operate as a waiver of any such right, remedy or option. No waiver hereunder shall be effective unless it is in writing, signed by the party against whom such waiver is sought to be enforced and then only to the extent specifically stated, which in the case of the Administrative Agent or the holders of the Secured Obligations shall only be granted as provided herein. To the extent permitted by applicable law, neither the Administrative Agent, the holders of the Secured Obligations, nor any party acting as attorney for the Administrative Agent or the holders of the Secured Obligations, shall be liable hereunder for any acts or omissions or for any error of judgment or mistake of fact or law other than their gross negligence or willful misconduct hereunder. The rights and remedies of the Administrative Agents and the holders of the Secured Obligations under this Security Agreement shall be cumulative and not exclusive of any other right or remedy that the Administrative Agent or the holders of the Secured Obligations may have.

(e) Retention of Collateral. To the extent permitted under applicable law, in addition to the rights and remedies hereunder, upon the occurrence and during the continuation of an Event of Default, the Administrative Agent may, after providing the notices required by Sections 9-620 and 9-621 of the UCC or otherwise complying with the requirements of applicable law of the relevant jurisdiction, accept or retain all or any portion of the Collateral in satisfaction of the Secured Obligations. Unless and until the Administrative Agent shall have provided such notices, however, the Administrative Agent shall not be deemed to have accepted or retained any Collateral in satisfaction of any Secured Obligations for any reason.

23. Other Security. To the extent that any of the Secured Obligations are now or hereafter secured by property other than the Collateral (including, without limitation, real property and securities owned by a Grantor), or by a guarantee, endorsement or property of any other Person, then the Administrative Agent shall have the right to proceed against such other property, guarantee or endorsement upon the occurrence and during the continuation of any Event of Default, and the Administrative Agent shall have the right, in its sole discretion, to determine which rights, security, liens, security interests or remedies the Administrative Agent shall at any time pursue, relinquish, subordinate, modify or take with respect thereto, without in any way modifying or affecting any of them or the Secured Obligations or any of the rights of the Administrative Agent or the holders of the Secured Obligations under this Security Agreement, under any of the other Loan Documents or under any other document relating to the Secured Obligations.

24. Joint and Several Obligations of Grantors.

(a) Subject to subsection (c) of this Section 24, each of the Grantors (to the extent such Grantor is a Loan Party under the Credit Agreement) is accepting joint and several liability hereunder in consideration of the financial accommodation to be provided by the holders of the Secured Obligations, for the mutual benefit, directly and indirectly, of each of the Grantors and in consideration of the undertakings of each of the Grantors to accept joint and several liability for the obligations of each of them.

(b) Subject to subsection (c) of this Section 24, each of the Grantors (to the extent such Grantor is a Loan Party under the Credit Agreement) jointly and severally hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Grantors with respect to the payment and performance of all of the Secured Obligations arising under this Security Agreement, the other Loan Documents and any other documents relating to the Secured Obligations, it being the intention of the parties hereto that all the Secured Obligations shall be the joint and several obligations of each of the Grantors without preferences or distinction among them.

(c) Notwithstanding any provision to the contrary contained herein, in any other of the Loan Documents or in any other documents relating to the Secured Obligations, the obligations of each Guarantor under the Credit Agreement and the other Loan Documents shall be limited to an aggregate amount equal to the largest

amount that would not render such obligations subject to avoidance under Section 548 of the Bankruptcy Code, any comparable provisions of any applicable state law or any applicable corporate or other organizational Laws relating to the ability of an entity to approve and authorize Guarantees, or Indebtedness (or the effectiveness of any such approval or authorization) in excess of an amount that would render such entity insolvent or such other amount as may be established by such Law.

25. Amendment and Restatement. The parties hereto hereby acknowledge and agree that (a) this Security Agreement represents an amendment and restatement of the Replaced Security Agreement, (b) the liens and security interests in favor of the Administrative Agent and Lenders and created by the Replaced Security Agreement shall continue uninterrupted upon the effectiveness hereof and (c) nothing contained herein is intended to represent a novation of any type with respect to the “Secured Obligations” as defined in the Replaced Security Agreement.

Exhibit C

FORM OF PLEDGE AGREEMENT

SECOND AMENDED AND RESTATED PLEDGE AGREEMENT

[Related to Gaylord Entertainment Company Second Amended and Restated Credit Agreement dated _____, 2008]

THIS SECOND AMENDED AND RESTATED PLEDGE AGREEMENT, dated as of _____, 2008 (this "Pledge Agreement") is made by the parties listed on the signature pages hereto (each individually a "Pledgor" and collectively, the "Pledgors") in favor of Bank of America, NA, in its capacity as Administrative Agent (in such capacity, the "Administrative Agent") for the Lenders (as defined in the Credit Agreement described below) and is an amendment and restatement of that certain Amended and Restated Pledge Agreement dated as of March 23, 2007 among the parties hereto (as amended, restated, supplemented or otherwise modified prior to the date hereof, the "Replaced Pledge Agreement").

RECITALS

WHEREAS, pursuant to that certain Second Amended and Restated Credit Agreement dated as of the date hereof (as amended, modified, extended, renewed or replaced from time to time, the "Credit Agreement") among Gaylord Entertainment Company, a Delaware corporation (the "Borrower"), the Guarantors party thereto, the Lenders and the Administrative Agent, the Lenders have agreed to make Loans upon the terms and subject to the conditions set forth therein; and

WHEREAS, it is a condition precedent to the effectiveness of the Credit Agreement and the obligations of the Lenders to make their respective Loans under the Credit Agreement that the Pledgors shall have executed and delivered this Pledge Agreement to the Administrative Agent for the ratable benefit of the Lenders.

NOW, THEREFORE, in consideration of these premises and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. **Definitions.** Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to such terms in the Credit Agreement and the following terms which are defined in the Uniform Commercial Code (the "UCC") in effect in the State of New York on the date hereof are used herein as so defined: Control, Entitlement Order, Securities Account, Security Entitlement, and Securities Intermediary. For purposes of this Pledge Agreement, the term "Lender" shall include any Affiliate of any Lender which has entered into a Swap Contract with any Loan Party (to the extent the obligations of such Loan Party thereunder constitute Obligations).

2 **Pledge and Grant of Security Interest.** To secure the prompt payment and performance in full when due, whether by lapse of time or otherwise, of the Pledgor Obligations (as defined in Section 3 hereof), each Pledgor hereby pledges and assigns to the Administrative Agent, for the benefit of the Lenders, and grants to the Administrative Agent, for the benefit of the Lenders, a continuing security interest in, and a right to set off against, any and all right, title and interest of such Pledgor in and to the following, whether now owned or existing or owned, acquired, or arising hereafter (collectively, the "Pledged Collateral"):

(a) **Pledged Capital Stock.** 100% of the issued and outstanding Capital Stock owned by such Pledgor of each Person owning one or more Borrowing Base Properties (a list of such Persons and the Capital Stock owned by the respective Pledgors therein is set forth on Schedule 2(a) attached hereto) together with the certificates (or other agreements or instruments), if any, representing such Capital Stock and all options and other rights, contractual or otherwise, with respect thereto (collectively, together with the Capital Stock described in Sections 2(b) and 2(c) below, the "Pledged Capital Stock"), including, but not limited to, the following:

(A) all shares, securities, partnership interests, membership interests or other equity interests representing a dividend on any of the Pledged Capital Stock, or representing a distribution or return of capital upon or in respect of the Pledged Capital Stock, or resulting from a stock split, revision,

reclassification or other exchange therefor, and any subscriptions, warrants, rights or options issued to the holder of, or otherwise in respect of, the Pledged Capital Stock; and

(B) without affecting the obligations of the Pledgors under any provision prohibiting such action hereunder or under the Credit Agreement, in the event of any consolidation or merger involving the issuer of any Pledged Capital Stock and in which such issuer is not the surviving entity, the Capital Stock (in the applicable percentage specified in Section 2(a) above) of the successor entity formed by or resulting from such consolidation or merger.

(b) Additional Shares. 100% (or, if less, the full amount owned by such Pledgor) of the issued and outstanding Capital Stock of any Person which hereafter directly or indirectly owns a Borrowing Base Property together with the certificates (or other agreements or instruments), if any, representing such Capital Stock.

(c) Proceeds. All proceeds and products of the foregoing, however and whenever acquired and in whatever form.

Without limiting the generality of the foregoing, it is hereby specifically understood and agreed that each Pledgor may from time to time hereafter deliver additional shares of Capital Stock to the Administrative Agent as collateral security for the Pledgor Obligations. Upon delivery to the Administrative Agent, such additional Capital Stock shall be deemed to be part of the Pledged Collateral and shall be subject to the terms of this Pledge Agreement whether or not Schedule 2(a) is amended to refer to such additional Capital Stock.

3. Security for Pledgor Obligations. The security interest created hereby in the Pledged Collateral constitutes continuing collateral security for all of the following, whether now existing or hereafter incurred (the "Pledgor Obligations"):

(a) In the case of the Borrower, the prompt performance and observance by the Borrower of all obligations of the Borrower under the Credit Agreement, the Notes, this Pledge Agreement and the other Loan Documents to which the Borrower is a party;

(b) Subject to clause (c) of Section 26 hereof, in the case of any Guarantor which may be a party hereto, the prompt performance and observance by such Guarantor of all of its obligations under the Credit Agreement, this Pledge Agreement and the other Loan Documents to which such Guarantor is a party, including, without limitation, its guaranty obligations arising under Article IV of the Credit Agreement; and

(c) All other indebtedness, liabilities, obligations and expenses of any kind or nature owing from any Loan Party to any Lender or the Administrative Agent in connection with (i) this Pledge Agreement or any other Loan Document, whether now existing or hereafter arising, due or to become due, direct or indirect, absolute or contingent, and howsoever evidenced, held or acquired, together with any and all modifications, extensions, renewals and/or substitutions of any of the foregoing, (ii) collecting and enforcing the Obligations and (iii) if and to the extent agreed to by such Loan Party in the documentation evidencing the same, all liabilities and obligations owing from such Loan Party to any Lender or any Affiliate of any Lender arising under any Swap Contracts.

4. Delivery of the Pledged Collateral; Perfection of Security Interest. Each Pledgor hereby agrees that:

(a) Delivery of Certificates. Each Pledgor shall deliver to the Administrative Agent (i) simultaneously with or prior to the execution and delivery of this Pledge Agreement, all certificates representing the Pledged Capital Stock of such Pledgor and (ii) promptly upon the receipt thereof by or on behalf of a Pledgor, all other certificates and instruments constituting Pledged Collateral of a Pledgor. Prior to delivery to the Administrative Agent, all such certificates and instruments constituting Pledged Collateral of a Pledgor shall be held in trust by such Pledgor for the benefit of the Administrative Agent pursuant hereto. All such certificates shall be delivered in suitable form for transfer by delivery or shall be accompanied by duly executed instruments of transfer or assignment in blank, substantially in the form provided in Exhibit 4(a) attached hereto.

(b) Additional Securities. If such Pledgor shall receive by virtue of its being, becoming or having been the owner of any Pledged Collateral, any (i) certificate, including without limitation, any certificate representing a dividend or distribution in connection with any increase or reduction of capital, reclassification, merger, consolidation, sale of assets, combination of shares or membership or equity interests, stock splits, spin-off or split-off, promissory notes or other instrument; (ii) option or right, whether as an addition to, substitution for, or an exchange for, any Pledged Collateral or otherwise; (iii) dividends payable in securities; or (iv) distributions of securities or other equity interests in connection with a partial or total liquidation, dissolution or reduction of capital, capital surplus or paid-in surplus, such Pledgor shall receive such certificate, instrument, option, right or distribution in trust for the benefit of the Administrative Agent, shall segregate it from such Pledgor's other property and shall deliver it forthwith to the Administrative Agent in the exact form received together with any necessary endorsement and/or appropriate stock power duly executed in blank, substantially in the form provided in Exhibit 4(a), to be held by the Administrative Agent as Pledged Collateral and as further collateral security for the Pledgor Obligations.

(c) Financing Statements. Each Pledgor shall deliver to the Administrative Agent such UCC or other applicable financing statements as may be reasonably requested by the Administrative Agent in order to perfect and protect the security interest created hereby in the Pledged Collateral of such Pledgor.

(d) Provisions Relating to Security Entitlements and Securities Accounts. With respect to any Pledged Collateral consisting of a Security Entitlement or held in a Securities Account, (a) the applicable Pledgor and the applicable Securities Intermediary shall enter into an agreement with the Administrative Agent granting Control to the Administrative Agent over such Pledged Collateral, such agreement to be in form and substance satisfactory to the Administrative Agent and (b) the Administrative Agent shall be entitled, upon the occurrence and during the continuance of a Default or an Event of Default, to notify the applicable Securities Intermediary that it should follow the Entitlement Orders of the Administrative Agent and no longer follow the Entitlement Orders of the applicable Pledgor. Upon receipt by a Pledgor of notice from a Securities Intermediary of its intent to terminate the Securities Account of such Pledgor held by such Securities Intermediary, prior to the termination of such Securities Account the Pledged Collateral in such Securities Account shall be (i) transferred to a new Securities Account which is subject to a control agreement as provided above or (ii) transferred to an account held by the Administrative Agent (in which it will be held until a new Securities Account is established).

5. Representations and Warranties. Each Pledgor hereby represents and warrants to the Administrative Agent, for the benefit of the Lenders, that so long as any of the Pledgor Obligations remain outstanding (other than any such obligations which by the terms thereof are stated to survive termination of the Loan Documents) or any Loan Document or Swap Contract between any Loan Party and any Lender (to the extent the obligations of such Loan Party thereunder constitute Obligations) is in effect:

(a) Authorization of Pledged Capital Stock. The Pledged Capital Stock is duly authorized and validly issued, is fully paid and, with respect to any Pledged Capital Stock consisting of stock of a corporation, nonassessable and is not subject to the preemptive rights of any Person. All other shares of Capital Stock constituting Pledged Collateral will be duly authorized and validly issued, fully paid and, with respect to any Pledged Capital Stock consisting of stock of a corporation, nonassessable and not subject to the preemptive rights of any Person.

(b) Title. Each Pledgor has good and indefeasible title to the Pledged Collateral of such Pledgor and will at all times be the legal and beneficial owner of such Pledged Collateral free and clear of any Lien, other than Permitted Liens. There exists no "adverse claim" within the meaning of Section 8-102 of the Uniform Commercial Code as in effect in the State of New York (the "UCC") with respect to the Pledged Capital Stock of such Pledgor.

(c) Exercising of Rights. The exercise by the Administrative Agent of its rights and remedies hereunder will not violate any law or governmental regulation or any material contractual restriction binding on or affecting a Pledgor or any of its property.

(d) Pledgor's Authority. No authorization, approval or action by, and no notice or filing with any Governmental Authority or with the issuer of any Pledged Capital Stock is required either (i) for the pledge made by a Pledgor or for the granting of the security interest by a Pledgor pursuant to this Pledge Agreement or (ii) for the

exercise by the Administrative Agent or the Lenders of their rights and remedies hereunder (except as may be required by Laws affecting the offering and sale of securities).

(e) Security Interest/Priority. This Pledge Agreement creates a valid security interest in favor of the Administrative Agent, for the benefit of the Lenders, in the Pledged Collateral. The taking possession by the Administrative Agent of the certificates, if any, representing the Pledged Capital Stock and all other certificates and instruments constituting Pledged Collateral will perfect and establish the first priority of the Administrative Agent's security interest in all certificated Pledged Capital Stock and such certificates and instruments and, upon the filing of UCC financing statements in the appropriate filing office in the location of each Pledgor's state of formation, the Administrative Agent shall have a first priority perfected security interest in all uncertificated Pledged Capital Stock consisting of partnership or limited liability company interests that do not constitute a security pursuant to Section 8-103(c) of the UCC. With respect to any Pledged Collateral consisting of a Security Entitlement or held in a Securities Account, upon execution and delivery by the applicable Pledgor, the applicable Securities Intermediary and the Administrative Agent of an agreement granting Control to the Administrative Agent over such Pledged Collateral, the Administrative Agent shall have a first priority perfected security interest in such Pledged Collateral. Except as set forth in this Section 5(e), no action is necessary to perfect or otherwise protect such security interest.

(f) No Other Capital Stock. No Pledgor owns any Capital Stock of any Person which directly or indirectly owns a Borrowing Base Property other than as set forth on Schedule 2(a) attached hereto.

(g) Partnership and Limited Liability Company Interests. Except as previously disclosed to the Administrative Agent, none of the Pledged Capital Stock consisting of partnership or limited liability company interests (i) is dealt in or traded on a securities exchange or in a securities market, (ii) by its terms expressly provides that it is a security governed by Article 8 of the UCC, (iii) is an investment company security, (iv) is held in a securities account or (v) constitutes a "security" or a "financial asset" as such terms are defined in Article 8 of the UCC.

6. Covenants. Each Pledgor hereby covenants, that so long as any of the Pledgor Obligations remain outstanding (other than any such obligations which by the terms thereof are stated to survive termination of the Loan Documents) or any Loan Document or Swap Contract between any Loan Party and any Lender (to the extent the obligations of such Loan Party thereunder constitute Obligations) is in effect, such Pledgor shall:

(a) Books and Records. Mark its books and records (and shall cause the issuer of the Pledged Capital Stock of such Pledgor to mark its books and records) to reflect the security interest granted to the Administrative Agent, for the benefit of the Lenders, pursuant to this Pledge Agreement.

(b) Defense of Title. Warrant and defend title to and ownership of the Pledged Collateral of such Pledgor at its own expense against the claims and demands of all other parties claiming an interest therein, keep the Pledged Collateral free from all Liens, except for Permitted Liens, and not sell, exchange, transfer, assign, lease or otherwise dispose of Pledged Collateral of such Pledgor or any interest therein, except as permitted under the Credit Agreement and the other Loan Documents.

(c) Further Assurances. Promptly execute and deliver at its expense all further instruments and documents and take all further action that the Administrative Agent may reasonably request in order to (i) perfect and protect the security interest created hereby in the Pledged Collateral of such Pledgor (including, without limitation, the execution and filing of UCC financing statements and any and all action necessary to satisfy the Administrative Agent that the Administrative Agent has obtained a first priority perfected security interest in all Pledged Capital Stock); (ii) enable the Administrative Agent to exercise and enforce its rights and remedies hereunder in respect of the Pledged Collateral of such Pledgor; and otherwise effect the purposes of this Pledge Agreement, including, without limitation and if requested by the Administrative Agent, delivering to the Administrative Agent irrevocable proxies in respect of the Pledged Collateral of such Pledgor.

(d) Amendments; Modifications; Changes in Corporate Status. Not make or consent to any amendment or other modification or waiver with respect to any of the Pledged Collateral of such Pledgor or enter into any agreement or allow to exist any restriction with respect to any of the Pledged Collateral of such Pledgor other than pursuant hereto or as may be permitted under the Credit Agreement and not cause or permit without the

prior written consent of the Administrative Agent any change in the organizational documents, name or corporate status or jurisdiction of organization of such Pledgor that could reasonably be expected to, in any manner, cause any security interest granted herein or any filing made in connection herewith to lapse, terminate or otherwise become ineffective (whether immediately or as a result of the passage of time) with respect to any of the Pledged Collateral.

(e) Compliance with Securities Laws. File all reports and other information now or hereafter required to be filed by such Pledgor with the United States Securities and Exchange Commission and any other state, federal or foreign agency in connection with the ownership of the Pledged Collateral of such Pledgor.

7. Performance of Obligations and Advances by Administrative Agent or Lenders. On failure of any Pledgor to perform any of the covenants and agreements contained herein, the Administrative Agent or any of the Lenders may, at its sole option and in its reasonable discretion, perform or cause to be performed the same and in so doing may expend such sums as the Administrative Agent or such Lender may reasonably deem advisable in the performance thereof, including, without limitation, the payment of any insurance premiums, the payment of any taxes, a payment to obtain a release of a Lien or potential Lien, expenditures made in defending against any adverse claim and all other expenditures which the Administrative Agent or such Lender may make for the protection of the security hereof or which may be compelled to make by operation of law. All such sums and amounts so expended shall be repayable by the Pledgors on a joint and several basis promptly upon timely notice thereof and demand therefor, shall constitute additional Pledgor Obligations and shall bear interest from the date said amounts are expended at the default rate specified in the Credit Agreement for Loans that are Base Rate Revolving Loans. No such performance of any covenant or agreement by the Administrative Agent or the Lenders on behalf of any Pledgor, and no such advance or expenditure therefor, shall relieve the Pledgors of any default under the terms of this Pledge Agreement, the other Loan Documents or any Swap Contract between any Loan Party and any Lender (to the extent the obligations of such Loan Party thereunder constitute Obligations). The Administrative Agent or any Lender may make any payment hereby authorized in accordance with any bill, statement or estimate procured from the appropriate public office or holder of the claim to be discharged without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax assessment, sale, forfeiture, tax lien, title or claim except to the extent such payment is being contested in good faith by a Pledgor in appropriate proceedings and against which adequate reserves are being maintained in accordance with GAAP.

8. Events of Default. The occurrence of an event which under the Credit Agreement or any other Loan Document would constitute an Event of Default shall be an event of default hereunder (an "Event of Default").

9. Remedies.

(a) General Remedies. Upon the occurrence of an Event of Default and during the continuation thereof, the Administrative Agent and the Lenders shall have, in respect of the Pledged Collateral of any Pledgor, in addition to the rights and remedies provided herein, in the Loan Documents, in any Swap Contract between any Loan Party and any Lender (to the extent the obligations of such Loan Party thereunder constitute Obligations) or by law, the rights and remedies of a secured party under the UCC or any other applicable law.

(b) Sale of Pledged Collateral. Upon the occurrence of an Event of Default and during the continuation thereof, without limiting the generality of this Section and without notice, the Administrative Agent may, in its sole discretion, sell or otherwise dispose of or realize upon the Pledged Collateral, or any part thereof, in one or more parcels, at public or private sale, at any exchange or broker's board or elsewhere, at such price or prices and on such other terms as the Administrative Agent may deem commercially reasonable, for cash, credit or for future delivery or otherwise in accordance with applicable law. To the extent permitted by law, any Lender may in such event bid for the purchase of such securities. Each Pledgor agrees that, to the extent notice of sale shall be required by law and has not been waived by such Pledgor, any requirement of reasonable notice shall be met if notice, specifying the place of any public sale or the time after which any private sale is to be made, is personally served on or mailed postage prepaid to such Pledgor in accordance with the notice provisions of Section 11.02 of the Credit Agreement at least ten (10) days before the time of such sale. The Administrative Agent shall not be obligated to make any sale of Pledged Collateral of such Pledgor regardless of notice of sale having been given. The Administrative Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(c) Private Sale. Upon the occurrence of an Event of Default and during the continuation thereof, the Pledgors recognize that the Administrative Agent may deem it impracticable to effect a public sale of all or any part of the Pledged Collateral and that the Administrative Agent may, therefore, determine to make one or more private sales of any such Pledged Collateral to a restricted group of purchasers who will be obligated to agree, among other things, to acquire such Pledged Collateral for their own account, for investment and not with a view to the distribution or resale thereof. Each Pledgor acknowledges that any such private sale may be at prices and on terms less favorable to the seller than the prices and other terms which might have been obtained at a public sale and, notwithstanding the foregoing, agrees that such private sale shall be deemed to have been made in a commercially reasonable manner and that the Administrative Agent shall have no obligation to delay sale of any such Pledged Collateral for the period of time necessary to permit the issuer of such Pledged Collateral to register such Pledged Collateral for public sale under the Securities Act of 1933. Each Pledgor further acknowledges and agrees that any offer to sell such Pledged Collateral which has been (i) publicly advertised on a bona fide basis in a newspaper or other publication of general circulation in the financial community of New York, New York (to the extent that such offer may be advertised without prior registration under the Securities Act of 1933), or (ii) made privately in the manner described above shall be deemed to involve a "public sale" under the UCC, notwithstanding that such sale may not constitute a "public offering" under the Securities Act of 1933, and the Administrative Agent may, in such event, bid for the purchase of such Pledged Collateral.

(d) Retention of Pledged Collateral. In addition to the rights and remedies hereunder, upon the occurrence of an Event of Default, the Administrative Agent may, after providing the notices required by Sections 9-620 and 9-621 of the UCC (or any successor sections of the UCC) or otherwise complying with the requirements of applicable law of the relevant jurisdiction, retain all or any portion of the Pledged Collateral in satisfaction of the Pledgor Obligations. Unless and until the Administrative Agent shall have provided such notices, however, the Administrative Agent shall not be deemed to have retained any Pledged Collateral in satisfaction of any Pledgor Obligations for any reason.

(e) Deficiency. In the event that the proceeds of any sale, collection or realization are insufficient to pay all amounts to which the Administrative Agent or the Lenders are legally entitled, the Pledgors shall be jointly and severally liable for the deficiency, together with interest thereon at the default rate specified in the Credit Agreement for Loans that are Base Rate Revolving Loans and together with the costs of collection and the reasonable fees of any attorneys employed by the Administrative Agent to collect such deficiency. Any surplus remaining after the full payment and satisfaction of the Pledgor Obligations shall be returned to the Pledgors or to whomsoever a court of competent jurisdiction shall determine to be entitled thereto.

10. Rights of the Administrative Agent.

(a) Power of Attorney. In addition to other powers of attorney contained herein, each pledgor hereby designates and appoints the Administrative Agent, on behalf of the Lenders, and each of its designees or agents as attorney-in-fact of such Pledgor, irrevocably and with power of substitution, with authority to take any or all of the following actions upon the occurrence and during the continuance of an Event of Default:

(i) to demand, collect, settle, compromise, adjust and give discharges and releases concerning the Pledged Collateral of such Pledgor, all as the Administrative Agent may reasonably determine;

(ii) to commence and prosecute any actions at any court for the purposes of collecting any of the Pledged Collateral of such Pledgor and enforcing any other right in respect thereof;

(iii) to defend, settle, adjust or compromise any action, suit or proceeding brought and, in connection therewith, give such discharge or release as the Administrative Agent may deem reasonably appropriate;

(iv) to pay or discharge taxes, liens, security interests, or other encumbrances levied or placed on or threatened against the Pledged Collateral of such Pledgor;

(v) to direct any parties liable for any payment under any of the Pledged Collateral to make payment of any and all monies due and to become due thereunder directly to the Administrative Agent or as the Administrative Agent shall direct;

(vi) to receive payment of and receipt for any and all monies, claims, and other amounts due and to become due at any time in respect of or arising out of any Pledged Collateral of such Pledgor;

(vii) to sign and endorse any drafts, assignments, proxies, stock powers, verifications, notices and other documents relating to the Pledged Collateral of such Pledgor;

(viii) to execute and deliver all assignments, conveyances, statements, financing statements, renewal financing statements, pledge agreements, affidavits, notices and other agreements, instruments and documents that the Administrative Agent may determine necessary in order to perfect and maintain the security interests and liens granted in this Pledge Agreement and in order to fully consummate all of the transactions contemplated herein;

(ix) to exchange any of the Pledged Collateral of such Pledgor or other property upon any merger, consolidation, reorganization, recapitalization or other readjustment of the issuer thereof and, in connection therewith, deposit any of the Pledged Collateral of such Pledgor with any committee, depository, transfer agent, registrar or other designated agency upon such terms as the Administrative Agent may determine;

(x) to vote for a shareholder or member resolution, or to sign an instrument in writing, sanctioning the transfer of any or all of the Pledged Capital Stock of such Pledgor into the name of the Administrative Agent or one or more of the Lenders or into the name of any transferee to whom the Pledged Capital Stock of such Pledgor or any part thereof may be sold pursuant to Section 9 hereof; and

(xi) to do and perform all such other acts and things as the Administrative Agent may reasonably deem to be necessary, proper or convenient in connection with the Pledged Collateral of such Pledgor.

This power of attorney is a power coupled with an interest and shall be irrevocable for so long as any of the Pledgor Obligations remain outstanding (other than any such obligations which by the terms thereof are stated to survive termination of the Loan Documents) or any Loan Document or any Swap Contract between any Loan Party and any Lender (to the extent the obligations of such Loan Party thereunder constitute Obligations) is in effect. The Administrative Agent shall be under no duty to exercise or withhold the exercise of any of the rights, powers, privileges and options expressly or implicitly granted to the Administrative Agent in this Pledge Agreement and shall not be liable for any failure to do so or any delay in doing so. The Administrative Agent shall not be liable for any act or omission or for any error of judgment or any mistake of fact or law in its individual capacity or its capacity as attorney-in-fact except acts or omissions resulting from its gross negligence or willful misconduct. This power of attorney is conferred on the Administrative Agent solely to protect, preserve and realize upon its security interest in the Pledged Collateral.

(b) Assignment by the Administrative Agent. The Administrative Agent may from time to time assign the Pledgor Obligations and any portion thereof and/or the Pledged Collateral and any portion thereof, and the assignee shall be entitled to all of the rights and remedies of the Administrative Agent under this Pledge Agreement in relation thereto.

(c) The Administrative Agent's Duty of Care. Other than the exercise of reasonable care to ensure the safe custody of the Pledged Collateral while being held by the Administrative Agent hereunder, the Administrative Agent shall have no duty or liability to preserve rights pertaining thereto, it being understood and agreed that each of the Pledgors shall be responsible for preservation of all rights in the Pledged Collateral of such Pledgor, and the Administrative Agent shall be relieved of all responsibility for such Pledged Collateral upon surrendering it or tendering the surrender of it to such Pledgor. The Administrative Agent shall be deemed to have exercised reasonable care in the custody and preservation of the Pledged Collateral in its possession if such Pledged Collateral

is accorded treatment substantially equal to that which the Administrative Agent accords its own property, which shall be no less than the treatment employed by a reasonable and prudent agent in the industry, it being understood that the Administrative Agent shall not have responsibility for (i) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Pledged Collateral, whether or not the Administrative Agent has or is deemed to have knowledge of such matters; or (ii) taking any necessary steps to preserve rights against any parties with respect to any Pledged Collateral.

(d) Voting Rights in Respect of the Pledged Collateral.

(i) So long as no Event of Default shall have occurred and be continuing, to the extent permitted by law, each Pledgor may exercise any and all voting and other consensual rights pertaining to the Pledged Collateral of such Pledgor or any part thereof for any purpose not inconsistent with the terms of this Pledge Agreement or the Credit Agreement; and

(ii) Upon the occurrence and during the continuance of an Event of Default, all rights of a Pledgor to exercise the voting and other consensual rights which it would otherwise be entitled to exercise pursuant to paragraph (i) of this subsection (d) shall cease and all such rights shall thereupon become vested in the Administrative Agent which shall then have the sole right to exercise such voting and other consensual rights.

(e) Dividend and Distribution Rights in Respect of the Pledged Collateral.

(i) So long as no Event of Default shall have occurred and be continuing and subject to Section 4(b) hereof, each Pledgor may receive and retain any and all dividends (other than stock dividends and other dividends constituting Pledged Collateral which are addressed hereinabove), distributions or interest paid in respect of the Pledged Collateral to the extent they are allowed under the Credit Agreement.

(ii) Upon the occurrence and during the continuance of an Event of Default:

(A) all rights of a Pledgor to receive the dividends, distributions and interest payments which it would otherwise be authorized to receive and retain pursuant to paragraph (i) of this subsection (e) shall cease and all such rights shall thereupon be vested in the Administrative Agent which shall then have the sole right to receive and hold as Pledged Collateral such dividends, distributions and interest payments; and

(B) all dividends, distributions and interest payments which are received by a Pledgor contrary to the provisions of subsection (A) of this Section shall be received in trust for the benefit of the Administrative Agent, shall be segregated from other property or funds of such Pledgor, and shall be forthwith paid over to the Administrative Agent as Pledged Collateral in the exact form received, to be held by the Administrative Agent as Pledged Collateral and as further collateral security for the Pledgor Obligations.

(f) Release of Pledged Collateral. The Administrative Agent may release any of the Pledged Collateral from this Pledge Agreement or may substitute any of the Pledged Collateral for other Pledged Collateral without altering, varying or diminishing in any way the force, effect, lien, pledge or security interest of this Pledge Agreement as to any Pledged Collateral not expressly released or substituted, and this Pledge Agreement shall continue as a first priority lien on all Pledged Collateral not expressly released or substituted.

11. Rights of Required Lenders. All rights of the Administrative Agent hereunder, if not exercised by the Administrative Agent, may be exercised by the Required Lenders.

12. Application of Proceeds. Upon the occurrence and during the continuance of an Event of Default, any payments in respect of the Pledgor Obligations and any proceeds of any Pledged Collateral, when received by the Administrative Agent or any of the Lenders in cash or its equivalent, will be applied in reduction of the Pledgor Obligations in the order set forth in Section 9.03 of the Credit Agreement, and each Pledgor irrevocably waives the

right to direct the application of such payments and proceeds and acknowledges and agrees that the Administrative Agent shall have the continuing and exclusive right to apply and reapply any and all such payments and proceeds in the Administrative Agent's sole discretion, notwithstanding any entry to the contrary upon any of its books and records.

13. Costs and Expenses. At all times hereafter, the Pledgors agree to promptly pay upon demand any and all reasonable costs and expenses of the Administrative Agent or the Lenders, (a) as required under Section 11.04 of the Credit Agreement and (b) as necessary to protect the Pledged Collateral or to exercise any rights or remedies under this Pledge Agreement or with respect to any Pledged Collateral. All of the foregoing costs and expenses shall constitute Pledgor Obligations hereunder.

14. Continuing Agreement.

(a) This Pledge Agreement shall be a continuing agreement in every respect and shall remain in full force and effect so long as any of the Pledgor Obligations remain outstanding (other than any such obligations which by the terms thereof are stated to survive termination of the Loan Documents) or any Loan Document or Swap Contract between any Loan Party and any Lender (to the extent the obligations of such Loan Party thereunder constitute Obligations) is in effect. Upon such payment and termination, this Pledge Agreement shall be automatically terminated and the Administrative Agent and the Lenders shall, upon the request and at the expense of the Pledgors, (i) return all certificates representing the Pledged Capital Stock, all other certificates and instruments constituting Pledged Collateral and all instruments of transfer or assignment which have been delivered to the Administrative Agent pursuant to this Pledge Agreement and (ii) forthwith release all of its liens and security interests hereunder and shall execute and deliver all UCC termination statements and/or other documents reasonably requested by the Pledgors evidencing such termination. Notwithstanding the foregoing, all releases and indemnities provided hereunder shall survive termination of this Pledge Agreement.

(b) This Pledge Agreement shall continue to be effective or be automatically reinstated, as the case may be, if at any time payment, in whole or in part, of any of the Pledgor Obligations is rescinded or must otherwise be restored or returned by the Administrative Agent or any Lender as a preference, fraudulent conveyance or otherwise under any bankruptcy, insolvency or similar law, all as though such payment had not been made; provided that in the event payment of all or any part of the Pledgor Obligations is rescinded or must be restored or returned, all reasonable costs and expenses (including without limitation any reasonable legal fees and disbursements) incurred by the Administrative Agent or any Lender in defending and enforcing such reinstatement shall be deemed to be included as a part of the Pledgor Obligations.

15. Amendments; Waivers; Modifications. This Pledge Agreement and the provisions hereof may not be amended, waived, modified, changed, discharged or terminated except as set forth in Section 11.01 of the Credit Agreement.

16. Successors in Interest. This Pledge Agreement shall create a continuing security interest in the Pledged Collateral and shall be binding upon each Pledgor, its successors and assigns and shall inure, together with the rights and remedies of the Administrative Agent and the Lenders hereunder, to the benefit of the Administrative Agent and the Lenders and their successors and permitted assigns; provided, however, that none of the Pledgors may assign its rights or delegate its duties hereunder without the prior written consent of each Lender or the Required Lenders, as required by the Credit Agreement. To the fullest extent permitted by law, each Pledgor hereby releases the Administrative Agent and each Lender, and its successors and assigns, from any liability for any act or omission relating to this Pledge Agreement or the Pledged Collateral, except for any liability arising from the gross negligence or willful misconduct of the Administrative Agent, or such Lender, or its officers, employees or agents.

17. Notices. All notices required or permitted to be given under this Pledge Agreement shall be in conformance with Section 11.02 of the Credit Agreement.

18. Counterparts. This Pledge Agreement may be executed in any number of counterparts, each of which where so executed and delivered shall be an original, but all of which shall constitute one and the same instrument. It shall not be necessary in making proof of this Pledge Agreement to produce or account for more than one such counterpart.

19. Headings. The headings of the sections and subsections hereof are provided for convenience only and shall not in any way affect the meaning, construction or interpretation of any provision of this Pledge Agreement.

20. Governing Law; Submission to Jurisdiction; Venue.

(a) THIS PLEDGE AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. Any legal action or proceeding with respect to this Pledge Agreement may be brought in the courts of the State of North Carolina or of the United States for either the Western District of North Carolina and, by execution and delivery of this Pledge Agreement, each Pledgor hereby irrevocably accepts for itself and in respect of its property, generally and unconditionally, the jurisdiction of such courts. Each Pledgor further irrevocably consents to the service of process out of any of the aforementioned courts in any such action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to it at the address for notices pursuant to Section 11.02 of the Credit Agreement, such service to become effective thirty (30) days after such mailing. Nothing herein shall affect the right of the Administrative Agent to serve process in any other manner permitted by law or to commence legal proceedings or to otherwise proceed against any Pledgor in any other jurisdiction.

(b) Each Pledgor hereby irrevocably waives any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions or proceedings arising out of or in connection with this Pledge Agreement brought in the courts referred to in subsection (a) hereof and hereby further irrevocably waives and agrees not to plead or claim in any such court that any such action or proceeding brought in any such court has been brought in an inconvenient forum.

21. Waiver of Jury Trial. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF THE PARTIES TO THIS PLEDGE AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS PLEDGE AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

22. Severability. If any provision of this Pledge Agreement is determined to be illegal, invalid or unenforceable, such provision shall be fully severable and the remaining provisions shall remain in full force and effect and shall be construed without giving effect to the illegal, invalid or unenforceable provisions.

23. Entirety. This Pledge Agreement, the other Loan Documents and the Swap Contracts between any Loan Party and any Lender (to the extent the obligations of such Loan Party thereunder constitute Obligations) represent the entire agreement of the parties hereto and thereto, and supersede all prior agreements and understandings, oral or written, if any, including any commitment letters or correspondence relating to the Loan Documents, such Swap Contracts or the transactions contemplated herein and therein.

24. Survival. All representations and warranties of the Pledgors hereunder shall survive the execution and delivery of this Pledge Agreement, the other Loan Documents and the Swap Contracts between any Loan Party and any Lender (to the extent the obligations of such Loan Party thereunder constitute Obligations), the delivery of the Notes, the making of the Loans.

25. Other Security. To the extent that any of the Pledgor Obligations are now or hereafter secured by property other than the Pledged Collateral (including, without limitation, real and other personal property owned by a Pledgor), or by a guarantee, endorsement or property of any other Person, then the Administrative Agent and the Lenders shall have the right to proceed against such other property, guarantee or endorsement upon the occurrence of any Event of Default, and the Administrative Agent and the Lenders have the right, in their sole discretion, to determine which rights, security, liens, security interests or remedies the Administrative Agent and the Lenders shall at any time pursue, relinquish, subordinate, modify or take with respect thereto, without in any way modifying or affecting any of them or any of the Administrative Agent's and the Lenders' rights or the Pledgor Obligations under this Pledge Agreement, under any other of the Loan Documents or under any Swap Contract between any Loan Party and any Lender (to the extent the obligations of such Loan Party thereunder constitute Obligations).

26. Joint and Several Obligations of Pledgors.

(a) Each of the Pledgors is accepting joint and several liability hereunder in consideration of the financial accommodation to be provided by the Lenders under the Credit Agreement, for the mutual benefit, directly and indirectly, of each of the Pledgors and in consideration of the undertakings of each of the Pledgors to accept joint and several liability for the obligations of each of them.

(b) Each of the Pledgors jointly and severally hereby irrevocably and unconditionally accepts, not merely as a surety but also as a co-debtor, joint and several liability with the other Pledgors with respect to the obligations arising under this Pledge Agreement, it being the intention of the parties hereto that all the obligations hereunder shall be the joint and several obligations of each of the Pledgors without preferences or distinction among them.

(c) Notwithstanding any provision to the contrary contained herein or in any other of the Loan Documents, or in any Swap Contract between any Loan Party and any Lender (to the extent the obligations of such Loan Party thereunder constitute Obligations), the obligations of each Pledgor hereunder shall be limited to an aggregate amount equal to the largest amount that would render such obligations subject to avoidance under Section 548 of the Bankruptcy Code or any comparable provisions of any applicable state law.

27. Rights of Required Lenders. All rights of the Administrative Agent hereunder, if not exercised by the Administrative Agent, may be exercised by the Required Lenders.

28. Amendment and Restatement. The parties hereto hereby acknowledge and agree that (a) this Pledge Agreement represents an amendment and restatement of the Replaced Pledge Agreement, (b) the liens and security interests in favor of the Administrative Agent and Lenders and created by the Replaced Pledge Agreement shall continue uninterrupted upon the effectiveness hereof and (c) nothing contained herein is intended to represent a novation of any type with respect to the "Pledgor Obligations" as defined in the Replaced Pledge Agreement.

Each of the parties hereto has caused a counterpart of this Pledge Agreement to be duly executed and delivered as of the date first above written.

(c) 25% of the Restricted Stock Units (the “2012 Time-Based RSUs”) granted hereunder will vest on December 31, 2012 (the “2012 Time-Based Vesting Date”) (for purposes of illustration, if the 50% performance metric set forth in Exhibit A is satisfied and Grantee remains employed on the Time-Based Vesting Date, 50% of the Restricted Stock Units granted hereunder will vest on the Performance Date pursuant to Section 2(b) and an additional 25% of the Restricted Stock Units will vest pursuant to this Section 2(c) on the 2012 Time-Based Vesting Date, in addition to the 2010 Time-Based RSUs previously vested pursuant to Section 2(a) above); provided, however, that:

(i) upon the occurrence of termination of the Grantee’s employment from the Company or any Subsidiary or Affiliate thereof which results from Grantee’s death or

Disability, in any such case, on or prior to the 2012 Time-Based Vesting Date, 100% of the 2012 Time-Based RSUs will vest on the date of such termination, and upon the occurrence of termination of the Grantee's employment from the Company or any Subsidiary or Affiliate thereof, which is a termination by the Company or any Subsidiary or Affiliate thereof "Without Cause" or by the Grantee for "Good Reason" (as such terms are defined in the Employment Agreement), in any such case, on or prior to the 2012 Time-Based Vesting Date, any of the 2012 Time-Based RSUs with restrictions lapsing within [two years] [one year for Fioravanti, Maradik, Todd and Westbrook] of the date of such termination, will vest on the date of such termination;

(ii) assuming that Grantee remains employed by the Company or any Subsidiary at the time of any Change of Control (as defined in the Plan) occurring on or prior to the 2012 Time-Based Vesting Date, upon such Change of Control, 100% of the 2012 Time- Based RSUs will vest concurrently with such Change of Control; and

(iii) in no event will more than 75% of the Restricted Stock Units granted hereunder vest pursuant to the terms of Section 2(b) and this Section 2(c), on an aggregate basis.

3. Payment of Vested Restricted Stock Units. Grantee shall be entitled to receive the Company's Common Stock, par value \$.01 per share (the "Common Stock") for Restricted Stock Units whose restrictions have lapsed pursuant to Section 2. Grantee will receive the number of shares equal to the number of vested Restricted Stock Units. Once the Restricted Stock Units vest and unless a deferral election is made as provided below, upon Grantee's request, stock certificates will be issued.

4. Deferral Election. The Committee has approved a program whereby a Grantee can defer the receipt of their vested Restricted Stock Units. Under the program, to be effective a deferral election must be in writing and delivered to the Company's secretary by December 31, 2010; provided that the deferral shall not be effective with respect to Restricted Stock Units that have become vested at the time the election is made or with respect to the amount of the Award that has otherwise become readily ascertainable. The shares can be deferred to a specified date in the future or to the Grantee's date of termination of employment, whichever occurs first. The Grantee can elect a lump sum distribution of shares on the deferral date (or one year after that date) or can elect annual installments of shares over five (5) years. This election is irrevocable with respect to the payment of shares for which such election is made. The Restricted Stock Units to which an election described in the proviso to the second sentence of this Section 4 does not apply shall be treated under Section 3 as if no deferral election had been made with respect to such Restricted Stock Units.

5. Dividends. The Grantee shall be entitled to receive either:

- (a) Cash payments equal to any cash dividend and other distributions paid with respect to a corresponding number of shares;
- (b) Additional Restricted Stock Units equal to any cash dividend and other distributions paid with respect to a corresponding number of shares; or

(c) If dividends or distributions are paid in shares, the fair market value of such shares converted into Restricted Stock Units.

In the case of (b) or (c) above, the additional Restricted Stock Units shall be subject to the same forfeiture restrictions and restrictions on transferability as apply to the Restricted Stock Units with respect to which they were paid.

6. Rights as a Stockholder. Except as provided above, the Grantee shall not have voting or any other rights as a stockholder of the Company with respect to Restricted Stock Units. Grantee will obtain full voting and other rights as a stockholder of the Company upon the settlement of Restricted Stock Units in shares.

7. Adjustments. The Committee shall make appropriate adjustments in the terms and conditions of, and the criteria included in, this Award in recognition of unusual or nonrecurring events affecting the Company, or the financial statements of the Company, or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan. Upon the occurrence of any of the events described in Section 4.2 of the Plan, the Committee shall make the adjustments described in this Section 7. Any such adjustments shall be made in a manner that is consistent with the effect of such event on the Company or financial statements of the Company and shall be made in a manner that (i) does not result in a discretionary increase in the amounts payable under the Award, and (ii) is otherwise consistent with the qualification of the Award as “performance-based compensation” under section 162(m) of the Internal Revenue Code.

8. Amendment to Award. Subject to the restrictions contained in the Plan, the Committee may waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate the Award, prospectively or retroactively; provided that any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would adversely affect the rights of the Grantee or any holder or beneficiary of the Award shall not to that extent be effective without the consent of the Grantee, holder or beneficiary affected. This Agreement amends and restates the Original Award Agreement in its entirety, which Original Award Agreement is superseded hereby in its entirety.

9. Plan Governs. The Grantee hereby acknowledges receipt of a copy of the Plan and agrees to be bound by all the terms and provisions thereof. The terms of this Agreement are governed by the terms of the Plan, and in the case of any inconsistency between the terms of this Agreement and the terms of the Plan, the terms of the Plan shall govern.

10. Severability. If any provision of this Agreement is, or becomes, or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any Person or the Award, or would disqualify the Plan or Award under any laws deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such

jurisdiction, Person or Award, and the remainder of the Plan and Award shall remain in full force and effect.

12. Governing Law. The validity, construction and effect of this Agreement shall be determined in accordance with the laws of the State of Delaware without giving effect to conflicts of laws principles.

13. Successors in Interest. This Agreement shall inure to the benefit of and be binding upon any successor to the Company. This Agreement shall inure to the benefit of the Grantee's legal representatives. All obligations imposed upon the Grantee and all rights granted to the Company under this Agreement shall be binding upon the Grantee's heirs, executors, administrators and successors.

14. Resolution of Disputes. Any dispute or disagreement which may arise under, or as a result of, or in any way related to, the interpretation, construction or application of this Agreement shall be determined by the Committee. Any determination made hereunder shall be final, binding and conclusive on the Grantee and the Company for all purposes.
