ITEM 7.01. REGULATION FD DISCLOSURE.

On June 28, 2013, Ryman Hospitality Properties, Inc. (the “Company”) posted to its website certain supplemental financial information for the full year 2012 and each of the quarters in 2012, in a format consistent with the Company’s 2013 presentation of similar information. As more fully described in the Company’s filings with the Securities and Exchange Commission, during 2012, Gaylord Entertainment Company, formerly a Delaware corporation and the predecessor to the Company, took steps to restructure its business operations to facilitate the Company’s qualification as a real estate investment trust (“REIT”) for federal income tax purposes effective for the year ended December 31, 2013 (the “REIT conversion”). As a result of the REIT conversion and the restructuring of the Company’s operations in connection therewith, the Company made certain changes to its presentations for 2013, such as using the room-count method used by the Company’s hotel manager, Marriott International, Inc., beginning in the first quarter of 2013. To enable comparisons of quarterly or annual 2012 results to quarterly or annual 2013 results that have been or will be reported, the supplemental financial information posted to the Company’s website presents the Company’s quarterly and annual condensed consolidated statements of operations, adjusted EBITDA, consolidated, segment-level, and property-level revenues, and certain other operational measures for the full year 2012 and each of the quarters in 2012, which are re-presented and/or adjusted to reflect the method of presentation or calculation used by the Company beginning in the quarter ended March 31, 2013. The supplemental financial information is available on the Company’s website at www.rymanhp.com under the “Webcasts, Presentations & Transcripts” section of the Investor Relations page.
